Subject: Renewal of the BS in Exercise and Sport Science Articulation Agreement Between Central Oregon Community College (COCC) and Oregon State University (OSU)

Attached is a copy of the revised, updated, and renewed BS in Exercise and Sport Science Articulation Agreement. This agreement between COCC and OSU was originally approved on September 26, 2011.

This agreement allows students to complete their lower division courses for the BS in Exercise and Sport Science at COCC and then transfer to OSU-Main or OSU-Cascades as juniors having completed their AS degree and the lower division courses required for the Baccalaureate Core (Skills, Perspective, and DPD categories) along with the lower division courses for the undergraduate major.

This agreement will be in effect for the 2012-13 academic year (which began Summer Term 2012 and will end at the conclusion of Spring Term 2013). Contacts for this agreement are Julie Downing (COCC), Christine Pollard (OSU-Cascades), and Tony Wilcox (OSU-Main).

Any changes to this articulation agreement prior to Spring Term 2013 will be attached to this agreement as an addendum.

Questions regarding this articulation agreement can be directed to me for a response.
