APPENDIX B

A LIST OF SUGGESTED COURSES
FOR CLATSOP COMMUNITY COLLEGE VOCATIONAL-TECHNICAL CREDIT

The following list identifies courses in several agricultural areas, from which a General Agriculture or Agricultural Education major may select courses for transfer. These options closely parallel the broadbased lower division technical course work required of freshman and sophomore students in General Agriculture or Agricultural Education at Oregon State University. However, it should be recognized that some potential transfer students may choose to specialize in one concentration at the community college level. Students obtaining credit for agricultural industry experience are encouraged to take course work which will broaden their knowledge and experience.

A maximum of 45 hours of community college vocational-technical (decimal numbered) credit may be transferred to OSU. This credit will be transferred without assignment of grade, and will be awarded only upon completion of the General Agriculture baccalaureate degree program by the student.

Students may select credits from the following areas and courses:

<table>
<thead>
<tr>
<th>Animal Science</th>
<th>Credit</th>
</tr>
</thead>
<tbody>
<tr>
<td>8.200 Milk Production</td>
<td>4</td>
</tr>
<tr>
<td>8.210 Dairy Nutrition</td>
<td>3</td>
</tr>
<tr>
<td>8.212 Animal Anatomy and Physiology</td>
<td>3</td>
</tr>
<tr>
<td>8.214 Diseases and Parasites of Cattle</td>
<td>4</td>
</tr>
<tr>
<td>8.215 Dairy Cattle Breeding</td>
<td>3</td>
</tr>
<tr>
<td>8.216 Artificial Insemination</td>
<td>4</td>
</tr>
<tr>
<td>8.223 Computer Applications in Ag. II</td>
<td>3</td>
</tr>
<tr>
<td>8.225 Dairy Management</td>
<td>4</td>
</tr>
<tr>
<td>8.235 Dairy Buildings &amp; Equipment</td>
<td>4</td>
</tr>
</tbody>
</table>
B-2

8.245 Dairy Cattle Selection and Evaluation 4
8.260 Livestock Practicum 3
8.270 Dairy Practicum 3
8.280 Agriculture Cooperative Work Experience 1-12
8.330 Dairy Science 3
8.332 Beef Cattle Production and Management 4

*Forest Management Technology

6.101 Plane Surveying I 4
8.100 General Forestry 3
8.102 Tree Identification 3
8.104 Silviculture Practices I 3
8.108 Forest Soils 4
8.110 Fire Control 3
8.112 Forest Protection 3
8.114 Forestry Hand Tools and Safety 3
8.120 Forest Operations 3
8.122 Forestry and Related Practices 2
8.125 Scaling and Grading 3
8.126 Cruising Methods 3
8.127 Wood Products 3
8.129 Recreational Facilities 3

(or other vocational-technical education courses as specified by the General Agriculture program advisor, Oregon State University.)

*Forestry majors see explanatory letter, last page of packet.

NOTE: OSU General Agriculture requirements for the B.S. degree specify a minimum of 36 hours of technical agriculture. The College of Agricultural Sciences requires that a minimum of 24 of those hours be upper division (300, 400, 500 level). CCC transfers could thus expect to take a minimum of 24 hours of upper division agriculture at OSU.

Agricultural Courses Which Transfer Directly by Alpha-Numeric Designator Include:

AEc 221 Farm Business Management 4
Ag 251 Computer Applications in Agriculture I 3
AnS 121 Introduction to Animal Science 4
AnS 211 Feeds and Feeding 3
FC 211 Principles of Forage and Crop Production 4
Sls 100 Soils 3
APPENDIX C

GENERAL EDUCATION REQUIREMENTS

OREGON STATE UNIVERSITY -- GENERAL AGRICULTURE

AND COURSES OFFERED AT

CLATSOP COMMUNITY COLLEGE WHICH SATISFY THE OSU REQUIREMENTS

Listed below are the General Education requirements of the OSU General Agriculture program (*required number of hours in parenthesis*). Below each OSU requirement are listed examples of CCC courses which will fulfill that requirement. Assuming transfer of the maximum 45 hours of vocational-technical course work (Appendix B), up to 63 hours of college transfer work listed below may be transferred, totaling 108 hours maximum. If less than 45 vocational-technical hours are transferred, additional college transfer credit may be used, totaling 108 hours maximum. For all lower division collegiate courses accepted in transfer, hours attempted and points earned are used in calculating cumulative grade point average. (OSU Academic Regulation 2a.)

I. Skills

A. Writing I

   CCC Course:

   Wr 121  

   3 credits

B. Writing II

   CCC Courses:

   Wr 122, 123  

   3 credits each

   Wr 227  

   3 credits

   Wr 241, 242, 243  

   3 credits each
C. Writing III/Speech

CCC Courses:

Any writing course listed as approved for Wr II but not taken in the Wr II category.

Sp 112 3 credits

D. Mathematics

CCC Course:

Mth 100 4 credits

E. Fitness (Lifetime Fitness for Health)

CCC Course:

(unknown at this time)

II. Perspectives

A. Physical Science

CCC Courses:

Ch 201, 202 4 credits each
Ph 201 4 credits

B. Biological Science

CCC Courses:

Bi 101, 102, 103 4 credits each
Bot 201, 202, 203 4 credits each
Z 201, 202, 203 4 credits each

C. Western Culture

CCC Courses:

Art 204, 205, 206 3 credits each
Eng 101, 102, 103 3 credits each
Eng 201, 202, 203 3 credits each
Eng 253, 254, 255 3 credits each
Hst 101, 102, 103 3 credits each
Hst 201, 202, 203 3 credits each
D. Non-Western Culture

CCC Courses:

Eng 107 3 credits
R 201, 202, 203 3 credits each

E. Literature and the Arts

CCC Courses:

Art 204, 205, 206 3 credits each
Eng 101, 102, 103 3 credits each
Eng 104, 105, 106 3 credits each
Eng 107, 108, 109 3 credits each
Eng 201, 202, 203 3 credits each
Eng 253, 254, 255 3 credits each

F. Social Processes and Institutions

CCC Courses:

Ec 201, 202, 203 3 credits each
APPENDIX D

ADVISING SHEET FOR COMMUNITY COLLEGE ADVISORS

Following are the advising sheets for the three tracks in the General Agriculture program. The General Agriculture advising sheet (lilac colored sheet) is the one we have been working with for several years and the one your students have been on when they have transferred to General Agriculture in the past. The Leadership and Communication Track (salmon colored sheet) is a new track designed for those students who are interested in 1) 4-H Extension Youth Director, 2) Industry training positions in agriculture, and 3) public liaison or legislative lobbyist for agriculture. The Leadership and Communication Teacher Preparation Track (pink colored) is for those who want to be agriculture teachers.

If you have questions regarding these advising sheets, please feel free to call me (Lee Cole at 737-2661). The advising sheets are provided to help you show students how your program will fit into the General Agriculture requirements. Thank you for your assistance.

Special Note:

We have just cleared approval for a new program option in General Agriculture. By taking the appropriate undergraduate prerequisites as part of the undergraduate electives in General Agriculture, a student can qualify to do an MBA (Master of Business Administration) in the College of Business after completing their four year General Agriculture program. If you have students interested in this option, be sure you have them mention it to me when they transfer.

This program, referred to as the MBA 4 + 1 program, requires more math, economics and business courses. Some courses which students could take at the
community college which are part of the undergraduate prerequisites of the MBA include the following:

1) Ag 251 -- Computers in Agriculture
2) Mth 200 & 211 -- Probability and Elementary Calculus
3) BA 211 & 212 -- Accounting
4) BA 226 -- Business Law

Call me if you have questions (Lee Cole, 737-2661).
July 31, 1977

Dear Forestry Major:

Some good news and some bad news from OSU, Department of Agricultural Education. The bad news is that we have run into major complications on our Forestry Option, within the Agricultural Education program. We, therefore, are not accepting new candidates on the Forestry Option. As of Summer Term, 1977, this has been the status of the Forestry Option.

The good news is that for many students interested in teaching, transfer of some technical forestry credit is still possible. Approximately 16 credit hours could be applied to our "General Option", which is designed to prepare general vocational agriculture teachers. An additional 29 hours could be transferred as "free electives" (total maximum 45 vocational-technical hours). This, in effect, maintains the viability of the "Block Transfer" agreement which was negotiated with your school some time back.

If you are interested in our Forestry Option, would like to teach, and have a solid agricultural background, please be encouraged to consider our General Option. If you desire further information, please feel free to call (754-2661) or write.

Sincerely,

Lee Cole
Agricultural Education
