fiscal year\*\*]

This memorandum serves as formal notice of renewal of your graduate fellowship appointment at Oregon State University for the period \*\* \_\_\_\_\_ to \*\* \_\_\_\_\_.

**[Note: Insert one of the following paragraphs, as appropriate]**

Your graduate fellowship renewal appointment provides a total stipend of \$ \_\_\_\_\_ which will be distributed to you in [number of installments] \_\_\_\_\_ equal installments. Each installment will be disbursed directly to your student business office account at the beginning of each term during the fellowship period, \_\_\_\_\_ [select terms – summer, fall, winter, spring.] This appointment renewal is contingent upon you remaining a graduate degree-seeking student in good standing in the field of [enter graduate major.]

**OR**

Your graduate fellowship renewal appointment provides a total stipend of \$ \_\_\_\_\_ which will be disbursed in [number of payments] \_\_\_\_\_ monthly payments of \$ \_\_\_\_\_ each on or before the first of the upcoming month during the fellowship award period. This appointment renewal is contingent upon you remaining a graduate degree-seeking student in good standing in the field of [enter graduate major] and your continued sponsorship under the [Name of Fellowship] \_\_\_\_\_ program.

**[Note: Use all remaining paragraphs]**

To be eligible for this graduate fellowship reappointment, you must maintain enrollment for a minimum of [insert 9, or more if your fellowship requires higher enrollment level] \_\_\_\_\_ credit hours each term. Please note that audit registrations and course withdrawals may not be used to satisfy this enrollment requirement. In addition, if you also are receiving tuition support from OSU during the period of your fellowship, a minimum enrollment of 12-credits is required each term during the academic year and this 12-credit minimum may not include audit registrations, course withdrawals, INTO-OSU, and/or Extended Campus (i.e., E-campus) course work. If you are appointed during summer session, you must maintain enrollment for a minimum of [insert 3, or more if your fellowship requires higher enrollment level] \_\_\_\_ credit hours. Please be aware that acceptance of another offer of support, such as a graduate assistantship or other fellowship may invalidate or reduce this offer.

Oregon State University will continue your health insurance coverage as a part of your graduate fellowship reappointment. The University will contribute 85% of the monthly premium for coverage of the graduate fellow only, plus half the cost of administrative fees associated with health insurance plan. This contribution will be made throughout the period of your fellowship reappointment.

Upon accepting this fellowship reappointment you must enroll in the mandatory health insurance plan, unless you have other health insurance coverage deemed comparable to the University's plan. You may also elect to enroll family members or a domestic partner on a self-pay basis. Information about the insurance plan and health insurance enrollment forms may be found at the following website:

<http://studenthealth.oregonstate.edu/insurance/>.

If you have other health insurance coverage deemed comparable to the University's plan, you may waive coverage under the University's plan. Information on waiving coverage is available at <http://studenthealth.oregonstate.edu/insurance/>. Graduate fellows who waive coverage under the University plan are not eligible to receive the University's contribution towards health insurance premiums as a cash back option.

To ensure that you receive this benefit and your appointment remains in good standing, you must complete the health insurance enrollment or waiver form prior to the start of your fellowship reappointment.

If you elect coverage under the University provided health insurance plan, you will be required to authorize a monthly charge to your student business office account for the balance of premium and administrative fee costs, plus any dependent care coverage for which you may have optionally enrolled. In addition, the value of the 85% institutional subsidy plus administrative fee will be reported on an [insert **either** IRS Form 1099 (Miscellaneous Income) for U.S. citizens and resident aliens **or** IRS Form 1042-S (Foreign Person's U.S. Source Income Subject to Withholding) for nonresident aliens] as taxable income at the end of the calendar year. If you choose to waive out of the insurance plan, the insurance subsidy will not be reported.

**IMMEDIATE ACTION REQUIRED: *Failure to act on your part will have an impact on your fellowship.*** Please print and complete the health insurance enrollment or waiver form and return it with this signed letter of offer. Please contact the Student Health Services insurance liaison at (541) 737-7568 if you have additional questions or email [osustudent.insurance@oregonstate.edu](mailto:osustudent.insurance@oregonstate.edu). If you do not either enroll in the University plan or waive coverage under the plan, you will not be permitted to register for OSU course credits.

***If this notice is understood and acceptable to you, please sign one copy of this memorandum and return it to me no later than \_\_\_\_\_ [insert appropriate department/program deadline]. This copy will be placed in your department file and a copy will be sent to the Business Center Human Resources Unit as an official record of your appointment. The original copy is for your own records.***

We look forward to having you continue your graduate fellowship with us.

Sincerely,

Oregon State University is a participant in the Council of Graduate Schools (CGS) Resolution, and as such, we seek your assistance in complying with its terms. Please read the Resolution carefully while considering your offer of appointment.

## Council of Graduate Schools

### Resolution Regarding Graduate Scholars, Fellows, Trainees and Assistants

Acceptance of an offer of financial support (such as a graduate scholarship, fellowship, traineeship, or assistantship) for the next academic year by a prospective or enrolled graduate student completes an agreement that both student and graduate school expect to honor. In that context, the conditions affecting such offers and their acceptance must be defined carefully and understood by all parties.

Students are under no obligation to respond to offers of financial support prior to April 15; earlier deadlines for acceptance of such offers violate the intent of this Resolution. In those instances in which a student accepts an offer before April 15, and subsequently desires to withdraw that acceptance, the student may submit in writing a resignation of the appointment at any time through April 15. However, an acceptance given or left in force after April 15 commits the student not to accept another offer without first obtaining a written release from the institution to which a commitment has been made. Similarly, an offer by an institution after April 15 is conditional on presentation by the student of the written release from any previously accepted offer. It is further agreed by the institutions and organizations subscribing to the above Resolution that a copy of this Resolution should accompany every scholarship, fellowship, traineeship, and assistantship offer.

The following list includes CGS member institutions that indicated their support of the Resolution.

This Resolution was renewed September 2004.
