KAPPA OMICRON CHAPTER

348 NW 25th Street
Corvallis, Oregon 97330

Greetings students!

Congratulations for choosing to attend Oregon State University! Your hard work and persistence moved you through high school and have made you eligible for the **Doc Gilfillan Memorial Scholarship**. This award recognizes men for excellence in *scholarship, leadership, and service*.

We are the men of Phi Gamma Delta (also known as "Fiji"). We are unique and you'll see this the minute you walk in our historic house. We achieve excellence every term because it's what we expect of each other. We do this by:

- ❖ Maintaining a substance-free (dry) environment. We do not allow or tolerate alcohol or drug use on our property and encourage our of-age brothers to practice drinking in moderation.
- ❖ Expecting a minimum of a 3.0 individual GPA per term. This is achieved and exceeded. We aim to be in the top of the fraternity system for overall GPA and above the OSU all men's average GPA every term.
- ❖ Encouraging community involvement. Our brothers averaged nearly 25 hours of community service Fall Term, helping organizations like LIVESTRONG and the Red Cross.
- ❖ Offering financial assistance. From the first term through graduation, everyone living in our house that consistently earns the minimum 3.0 GPA is eligible receive up to *\$3,550 in cash scholarships!*
- ❖ Providing a positive and constructive environment. We understand that adjusting to college life is difficult and presents new challenges. Mistakes will be made. However, *we do not embrace or tolerate hazing.*

Furthermore, our men are leaders on campus, holding positions in student government and key honorary societies. The friendships made at Phi Gamma Delta last a lifetime.

Thank you for your time and we look forward to hearing from you very soon. Please find the additional documents enclosed regarding the details of the scholarship. Take care, good luck in your decision and...*GO BEAVS!!!*

With our best regards,
