Get Ready for OSU
Checklist

Please make sure you have completed everything on this checklist before you leave home.

☐ Passport and Visa
Confirm your passport will not expire within six months after the date you enter the US. Pay the SEVIS I-901 Fee, then schedule your appointment at a US Embassy or Consulate and submit your visa application.

☐ Immunization and Health Forms
Submit your required immunization and health forms via the OSU Patient Portal: studenthealth.oregonstate.edu/new-students/new-international-students

☐ Open Your OSU Email Account
Go to onid.oregonstate.edu and follow the instructions to sign up for your ONID (OSU Network ID) email. Write down your password and bring it with you.

☐ What to Bring on the Plane
☐ Passport, visa, SEVIS I-901 fee payment receipt, I-20
☐ Oregon State University Admission Letter
☐ Documentation of finances
☐ Health forms, test scores, transcripts, ONID password and all other important paperwork
☐ A warm jacket or sweater for arrival at Portland Airport
Welcome

“On behalf of International Programs, welcome to Oregon State University! We are excited for you to join us on campus and in our community. Our staff are always available to assist as you work toward success at OSU. We look forward to meeting you.”

Mark Hoffman
Vice Provost for International Programs
Oregon State University

Arriving in Oregon
For shuttle service from Portland International Airport, make an advance reservation with Hut Airport Shuttle if needed at: hutshuttle.com

Plan Your Housing
If you would like to live on campus, or if you fall under OSU’s requirement to live on campus, complete your housing application at oregonstate.edu/uhds/apply

Passport Photo
If you will be living on campus, submit a passport photo so that we can have your student ID card ready for you at check-in: mycard.oregonstate.edu

Admissions Documents
Undergraduate and MBA Students

- Official Documents: sealed official high school or university transcripts and final certificate/ diploma/ degree certificate. English translations must also be submitted.
- Official TOEFL score submitted online via ETS directly to OSU (OSU College code 4586)
- Official results from other accepted English language tests
Please make sure you have completed everything on this checklist before you leave home.

☐ **Admissions Documents continued**

**Undergraduate Students Only**

☐ Register for START (academic advising and registration program) (FALL ONLY)

> If you are currently in the US or will be in the US during the summer, register online for a START session in June, July or August

> If you are currently outside the US and will be entering the US for the first time on an F-1 visa, additional information will be sent to you regarding an online START session and registration

**Graduate Students**

☐ Check the Graduate School website for Graduate School Orientation information

☐ Register for Graduate Orientation hosted by the Graduate School

☐ Request to have your official documents and test scores sent to the Graduate School if needed
Oregon State University is an authentic community whose accomplishments, inclusive excellence, innovation and leadership promote a healthy planet, wellness and economic progress.

What to Pack

Clothing and Weather
Students at OSU enjoy four distinct seasons in Oregon and dress very casually. Summer and fall are generally sunny and warm; students can be seen wearing shorts, jeans and T-shirts. The spring and winter seasons bring lots of rain. Occasionally, it will snow in the winter. You will need a good coat and shoes for the rain and other warm clothes like sweaters, scarves and gloves.

Tips
1. US electrical outlets are 110 volts AC and use a NEMA electrical socket. You may need an adapter to use electronics from home.
2. Purchase appliances after you arrive. Rice cookers and electric teapots are not allowed in your room on campus, but are provided in the residence hall kitchens.
3. Share your culture! Bring recipes for your favorite food from home, cooking tools, national dress or other items of cultural interest.
4. Bring decorations for your room that will remind you of home and make you feel comfortable in a new place.

▲ Label your baggage clearly with your US mailing address.
Getting a Student Visa

How to Get Your Visa

1. Confirm your passport is valid. Your passport must be valid for at least six months into the future at all times while you are studying in the US.

2. Carefully read the instructions on the Certificate of Eligibility (I-20 for F-1 students or DS-2019 for J-1 students) issued to you for your studies at OSU.

3. Pay the SEVIS Fee: [www.fmjfee.com/i901fee/](http://www.fmjfee.com/i901fee/) and complete the SEVIS Form I-901. Your SEVIS ID number is above the barcode on the top left-hand side of your I-20 or on the top right-hand side of your DS-2019 form. The OSU school code is POO214F00002000. Pay the fee at least three days before applying for your visa. Print your receipt.

4. Schedule a visa interview at your nearest US Consulate or Embassy: [www.usembassy.gov](http://www.usembassy.gov)

5. Go to your visa interview. Bring your SEVIS fee payment receipt and your financial documents certifying the amounts and sources of financial support with you to the interview.

Questions about visas?
Contact an International Student Advisor: ISAS.advisor@oregonstate.edu or call +1 541 737 6310

Visa Delays
If you are unable to obtain a visa before the start of the term for which you have been admitted, please contact OSU’s Office of International Admissions at intladmit@oregonstate.edu or the Graduate School at graduate.admissions@oregonstate.edu and request to defer your admission to a future term.

Transfer Students
F-1 and J-1 visa holders coming to OSU from another US college, university or language school (other than INTO OSU) must complete an immigration transfer to OSU within the first two weeks of class. Failure to complete the SEVIS transfer process may result in a violation of your F-1 or J-1 status. For more information, visit: [international.oregonstate.edu/sites/default/files/atosu/transfer-in-packet.pdf](http://international.oregonstate.edu/sites/default/files/atosu/transfer-in-packet.pdf)

Bringing Dependents
Your spouse or child(ren) may be able to accompany you on an F-2 dependent visa. Effective May 29, 2015, an F-2 spouse or F-2 child may enroll in less than a full course of study in any course of study or program at a SEVP-certified college or university. F-2 visa holders are not allowed to work in the United States. For more information, visit: [international.oregonstate.edu/files/ISAS/forms/f2-part-time-study.pdf](http://international.oregonstate.edu/files/ISAS/forms/f2-part-time-study.pdf)
Arriving in the US

Booking Your Flight
As an F-1 or J-1 student, you are allowed to enter the US no earlier than 30 days before the program start date listed on your I-20 or DS–2019. We recommend flying into Portland International Airport (PDX). Arrive in Corvallis at least one day before the program start date written on your I–20 or in your brochure.

Customs and Immigration Tips
• Be sure to have the following documents with you on the plane and ready to present at the US Port of Entry:
  • Original I–20 or DS–2019
  • Valid passport
  • F–1 or J–1 visa
  • SEVIS I–901 fee payment receipt
  • Documentation of finances for your first year of studies
• An immigration officer may ask you some questions. Be prepared to answer:
  • Why are you coming to the US?
  • Where are you studying?
  • Where will you live during your studies?
  • How are you going to fund your studies?
• Most students who arrive in the United States will receive an I–94 stamp that indicates legal entry into the country. An online printable record will be available following your entrance into the country. In rare cases, you may receive a paper Form I–94 that an immigration official will staple into your passport. DO NOT LOSE THIS FORM. We will make copies of the Form I–94 and/or passport stamps at the Immigration Document Check-in during orientation.
• You will be given a customs form to complete on the plane. Keep this form to present to immigration and at customs.

Airport Transportation
Portland International Airport (PDX) is located about 145 km from Corvallis. HUT Airport Shuttle makes daily trips from Portland to Corvallis, with drop-offs at the OSU Memorial Union and Hilton Garden Inn hotel near campus. The one-way student fare is $45 (fees may change). Advance reservations are required. Contact HUT Airport Shuttle by phone at 541–926–2525 or make a reservation online at hutshuttle.com

For Help at the Airport
If you need help of any kind while you are at the airport, please go to the Information Booth across from baggage claim #9.
Living on Campus
Living on campus offers a variety of benefits, including better academic performance and more opportunities to speak English and share your culture with US students. First-year students who enroll at OSU within one year of high school graduation, regardless of class standing, must live on campus for the full academic year (fall, winter and spring terms). First-year students do not have the option to live off campus until their second year at OSU.

Your move-in date will be emailed to you with confirmation of your housing reservation. The move-in date is usually 1–2 days before your program start date. If you arrive before your assigned move-in date, you will need to make arrangements to stay in a hotel at your expense.

Dining on Campus
Meal plans are automatically included for all students with on-campus housing. The cash value of your meal plan will be added onto your OSU ID card. You will then use your OSU ID card as a debit card to pay for meals. OSU has three main dining centers, as well as many convenience stores, coffee shops and other cafés on campus.

More Information
Single gender floors and wings are available on campus as well as prayer and spiritual spaces. Halal food options are also available in all dining centers. For more information about living on campus, visit: oregonstate.edu/uhds/international-students
OSU Homestay Program
University Housing and Dining Services offers homestays for new international students, for one or more terms, with hosts in the community. For more information, visit: oregonstate.edu/uhds/homestay or contact the OSU Homestay Program Coordinator at homestay@oregonstate.edu.

Short-term Housing
If you will need a temporary place to stay once you arrive in Corvallis, it is best to make reservations for short term housing before you arrive. Your options include:

Three-day homestay: If you are interested in staying with a Corvallis family for your first three nights, complete a homestay application and submit it to Crossroads International at crossroads.homestay@gmail.com. Applications and deadlines can be found online at oregonstate.edu/international/crossroads/programs.

Hotel reservation: Corvallis has several hotels near the OSU campus. Contact the hotel by phone or on the internet and make a reservation using a credit card. For more information, visit: oregonstate.edu/international/atosu/resources/housing

Off-campus Housing
If you want to rent an apartment or house off-campus, you should arrive 1–2 weeks before your program start date and bring enough money to cover the cost of setting up your new home, at least $2,500. For more information, visit: oregonstate.edu/international/atosu/resources/housing

▲ Students enjoy lunch at the dining center.
Money and Banking

Money
The amount of money you will need varies with your living situation and lifestyle. Students living off campus will need access to more money to pay monthly bills. You will need at least $500 or more for textbooks, cell phone and other living expenses when you first arrive.

Corvallis Living Costs
2. Cell phone plan: $60-$80 per month. A deposit may be required: $50-$300.
3. The bus is free, and it’s easy to bike around Corvallis. A used bike costs about $50, and a good bike lock costs $50. Driving is much more expensive, as you must buy a car, car insurance, gas and a parking permit. Most students bike or walk to and around campus.
4. Don’t forget to tip! To reward good customer service, Americans tip between 15–20% in addition to the total bill price. This is optional, but common for restaurant wait staff, taxi drivers, nail and hair salons, etc.

Banking Tips
1. Look for a bank with a good exchange rate and low transfer fees. You will get more information about banks after you arrive.
2. There are ATMs on campus for all the major banks in Corvallis. The ATMs are open 24 hours, but you can usually only take out $200 per day maximum.

If you want to exchange money, there is an office at the airport where you can do so. Only exchange a small amount initially, around $100, until you can learn the exchange rates.
Corvallis Safety Information
Corvallis and Oregon State University are very safe and welcoming places. However, it is important to be careful and smart. Take steps to help ensure the safety of your property and yourself. Follow these steps to stay extra safe:

Safety Tips
1. Lock up your bicycle whenever you leave it unattended. Bike theft is the most common crime in Corvallis.
2. Do not leave the door to your house, apartment or dorm room unlocked, ever.
3. Always lock your car. Do not leave valuable items in your car.
4. At night, use well-lit and well-traveled routes. Avoid dark, vacant areas. Travel with a friend or in a group.
5. Carry identification on you, like your OSU ID card. Keep your wallet and valuables safe.
6. Don’t leave your purse, backpack, laptop, textbook or other valuables unattended.
7. Save important numbers in your phone, such as your doctor and emergency phone numbers.

Oregon State Police and Public Safety are on campus to help keep students safe 24 hours a day.
Medical Information

Health Insurance
Oregon State University requires international students and their dependents to be covered by health insurance which meets requirements of the US Government, State of Oregon and Oregon State University. The OSU International Student Health Plan is automatically added to the invoice of students enrolled in OSU programs. The cost of the Health Plan will be charged to your OSU student account each term upon registration.

Health Information Forms
Students must complete the International Student Health Information form and the Immunization Documentation form. These forms are available on the Patient Portal of the OSU Student Health Services website: studenthealth.oregonstate.edu/patient-portal

Students should complete and submit these forms at least two weeks before their program start date to avoid possible delays in class registration and late fees.

▲ Immunization form
**Immunization Requirements**
The State of Oregon and Oregon State University require international students to provide proof of multiple vaccinations before registering for classes. Complete vaccination requirements are explained on the health form. Please refer to the form or patient portal for up-to-date vaccination requirements.

Students will attend a Student Health Check-in during Orientation. At that time, medical staff will be available to answer questions and students can receive vaccines if necessary. If you need to receive required vaccines upon arrival, the cost is covered by the OSU International Student Health Plan.

**Tuberculosis Screening**
Students from countries identified as high risk for tuberculosis (TB) are required to complete a tuberculosis screening *AFTER* arrival in the US. You will get more information about this process during Orientation. The cost of this is covered by the OSU International Student Health Plan.

**Prescriptions**
Bring a copy of all prescriptions for medicines, eyeglasses and contact lenses with you to the US. The prescriptions should be written in English.

![OSU Student Health Services Patient Portal](image-url)
Bringing Your Family

Childcare and Family Resources
The Office of Childcare & Family Resources is your first stop for information about OSU and Corvallis resources for children. They host campus-wide events for student parents throughout the year, offer 16 lactation rooms, two free drop-off childcare sites on campus and much more.

+1 541 737 4906
oregonstate.edu/childcare
familyresources@oregonstate.edu

Childcare
Childcare in Corvallis for children age 0-5 is very limited and expensive. It is important to get on the waiting list for those centers as soon as possible (even before you arrive in the US). For a list of childcare centers in Corvallis, please visit the Childcare & Family Resources website: childcare.oregonstate.edu/local-child-care

It is important to bring enough money to pay for the cost of childcare, which costs $600-$1,000 per month per child, depending on age and type of care.

Health Insurance
You must apply for coverage for family members after you arrive. All dependents are required to have health insurance: studenthealth.oregonstate.edu/insurance/international-student-insurance-plan

Children and dependents cannot receive medical care on campus. After arriving, you should find a local doctor for your children.
Orientation

- ALL INTERNATIONAL STUDENTS ARE REQUIRED TO ATTEND THE INTERNATIONAL STUDENT ORIENTATION before the OSU term begins. This includes students transferring to OSU from other schools in the US as well as students changing from INTO OSU to OSU.

- All new students should plan to arrive in Corvallis the week before the start of classes in order to participate in the mandatory International Student Orientation.

- The International Student Orientation provides specific information about F-1 or J-1 immigration regulations, including registration requirements, travel, employment, health insurance requirements, cultural adjustment, and public safety. To cover the cost of the International Student Orientation, an orientation fee is automatically charged to your OSU student account during your first term at OSU.

- As part of the International Student Orientation, you are required to attend the Immigration Document Check-In. Please bring photocopies of the documents listed below for yourself and your dependents:
  - I-20 or DS-2019 form
  - ID page in your passport showing name and current expiration date
  - Your US visa stamp
  - Your I-94 arrival stamp or I-94 card stapled into your passport.
  - Any previous I-20 or DS-2019 (if you are transferring from another US school)

- If you do not attend the International Student Orientation AND the Immigration Document Check-In, a hold will be placed on your student record that prevents you from registering for classes in the future until you meet this requirement.
Registration

Undergraduate Students
There are four steps that fully-admitted undergraduate international students must complete as part of the START program in order to register for OSU classes:
1. Academic Welcome
2. Academic Orientation by college/major
3. Advising session with Academic Advisor
4. Registration

If you are outside the US, you will receive instructions by email as to how you can participate in an online START session remotely (FALL ONLY). If you are currently in the US, we encourage you to register for one of the START sessions that will take place on campus during the summer.

Undergraduate Academic Transfers
If you have studied previously at a college or university, be sure to submit your official transcripts. Upon receipt of your transcripts, OSU’s Office of International Admissions will begin the review of your transcripts for credit transfer. Students are generally notified of their advance standing via e-mail within four to eight weeks. For more information about the transfer credit process, visit: oregonstate.edu/admissions/transfer/advstanding.html

Undergraduate Registration Requirements
Undergraduate students (bachelor’s, post-baccalaureate and non-degree undergraduates) must be enrolled for and complete a minimum of 12 credits each term.

Graduate Students
Graduate students are not required to sign up for a START session. New graduate students must report to their Graduate Department and meet with their Graduate Advisor before registering for their first term.

Graduate Registration Requirements
Graduate students (master’s, doctorate and non-degree graduates) must register for and complete a minimum of 9 credits each term. Graduate students who have a graduate assistantship must register for 12 credits during the academic year (some departments require more).

Transitional Admission Program (TAP) Students Graduate only
The Transitional Admission Program (TAP) allows a limited number of graduate students to enroll in English language classes while pursuing their academic studies. Graduate students who are not specifically selected by their academic department for the TAP program can enter OSU either through direct admission or through one of the many intensive English or academic preparation programs at INTO OSU.
Exchange Students
Exchange students are not required to sign up for a START session. New Exchange students should contact the academic advisor(s) in your department(s) of interest for advising and registration. Visit catalog.oregonstate.edu/ChapterDetail.aspx?key=369

Registration Information
oregonstate.edu/registrar/getting-started

OSU Course Catalog
catalog.oregonstate.edu

Schedule of Classes Searcher
catalog.oregonstate.edu/SOCSearcher.aspx

Tuition, Fees and Payment Information
Within 1-2 days after you successfully register for your first term at Oregon State, you will receive an electronic statement showing the cost of tuition and fees for your first term, including the cost of health insurance. Payment of tuition and fees can be made by credit card, bank draft, traveler’s checks or bank wire to OSU’s Business Affairs Office and should be paid within 30 days of the beginning of classes. Please note there is a $35 fee for using your credit card. Any unpaid balance remaining after the first of each month is subject to an interest charge of one percent per month. For detailed tuition and fees, visit: fa.oregonstate.edu/business-affairs/ tuition-and-fee-information
Getting Settled in Corvallis

University Plaza Suite 130 & Welcome Desk at the International Living-Learning Center
Once you reach the OSU campus, drop by University Plaza Suite 130 or the Welcome Desk in the International Living-Learning Center to learn more about the many services and opportunities available to you at Oregon State! In addition to meeting other new international students, you can learn about local transportation, entertainment, roommates, clubs and organizations, housing, phone services, groceries, weekend activities, places of worship, restaurants and more.

Keep in Contact with Home
When you arrive in the US you will have traveled a long way from home and although this will be an exciting time, please do remember that your family and friends may worry about you. Remember to contact them and let them know that you are safe!

Bank Accounts
When you arrive in Corvallis, you will need to open a checking and/or savings account(s) with a bank. For more information, visit: oregonstate.edu/international/atosu/resources/banking

Cash and Credit/Debit Cards
Plan to carry small amounts of cash with you when you first arrive in the US for food, phone calls, and other inexpensive purchases. In the US, the most widely accepted credit cards are Visa and MasterCard. ATMs are located in the airport, on the OSU campus, and around Corvallis.

Cell Phones
If you would like to have a cell phone while living in the US, Corvallis hosts all four major providers (AT&T, Verizon, T-Mobile, and Sprint). There are two major options in the US cell phone industry:
long-term contract and pre-paid, or pay-as-
you-go, phones. For a monthly service plan, cell
phone companies require a new customer to sign
a 2-year service agreement. Penalty charges
apply if you cancel your contract before the
2-year period has expired. If you do not want to
sign a 2-year contract, you have a choice of pre-
paid or pay-as-you-go plans.

Driving
To drive a car in the US, you will need to get a
US Driver’s License. You must pass a written
knowledge test of US driving laws in English, and
a driving test. You will also have to wait until after
you are enrolled in your classes and can provide
proof of enrollment to the US government before
you will be able to get a driver’s license.

Computers and Internet Access
Wireless internet is available in all residence halls
and many other locations on campus, including
the Memorial Union. There are also numerous
computer labs available for students to use,
including a 24-hour lab. All internet access on
campus is free.

Appliances
For appliances, phones, and other electrical items
like computers or laptops, please be advised
that electrical outlets in the US are 110-volts
AC, which may be different from your home
country. You can purchase a plug adapter which
will allow you to plug in your electronics from
home. Items like laptop computers and digital
camera chargers often have a built-in voltage
adapter and will only need a plug adapter to work
properly abroad. We recommend purchasing all
other necessary appliances and electronics after
you arrive. Most appliances, such as rice cookers
or electric teapots, are not allowed in residence
hall bedrooms and are provided for free in the
residence hall kitchens.
Student Services

International Student Advising and Services
Located in University Plaza, International Student Advising and Services (ISAS) provides a wide range of programs and services for approximately 4,000 international students on the OSU campus. The staff offers orientation and advising on topics including immigration and governmental regulations, scholarships and sponsorship, employment and practical training, cultural, personal and re-entry issues, and also serves as a resource for the community and the university on cross-cultural awareness and concerns. For more information, visit: international.oregonstate.edu/isas

International Cultural Service Program
The International Cultural Service Program (ICSP) began at OSU in 1983 and it has attracted many outstanding students from countries around the globe. The program offers a scholarship to international students in exchange for cultural service to the surrounding communities. The goal of the ICSP program is to increase cultural awareness and understanding throughout the local region and the state of Oregon. For more information, visit: international.oregonstate.edu/isas/international-cultural-service-program-icsp

International Peer Mentoring Program
The International Student Peer Mentoring Program is an ISAS initiative to assist students with new transitions. The program aims to facilitate peer-to-peer interactions that may
help with student development as well as cultural, academic, and social adjustment at OSU and in the US. For more information, visit: international.oregonstate.edu/isas/international-peer-mentoring-program

**International Students of OSU**
Located in the International Resource Center in the Student Experience Center, International Students of OSU (ISOSU) is a student-led organization which encompasses many cultural and regional student groups on campus. ISOSU provides international opportunities to the campus and Corvallis communities, and offers a great way to connect with international and domestic students. For more information, visit: sli.oregonstate.edu/isosu

**Crossroads International**
Crossroads International is a volunteer community organization that encourages global understanding through friendship between international students and local residents from Corvallis and the surrounding area. Crossroads offers a variety of programs for international students and their families. Women who come to the US on dependent visas may be interested in practicing English at the Crossroads Conversation School. For more information, visit: oregonstate.edu/international/crossroads
Employment

Degree-seeking students on an F-1 visa are eligible to work on campus up to 20 hours per week while the term is in session, and up to 40 hours per week between terms and during summer breaks. Students on a J-1 visa may also work on campus once they receive an authorization letter from ISAS. Off-campus employment requires authorization and is approved only under specific conditions. Always consult an International Student Advisor before accepting any off-campus employment. Dependents on an F-2 visa and transitional admission (TAP) students are not eligible for employment.

On-Campus Jobs
Beaver Careers is an online list of job openings on campus as well as off campus. This site requires your ONID username and password. Examples of on-campus jobs include working in a computer lab, for University Housing and Dining Services or at OSU’s Dixon Recreation Center.

Note: International students are ineligible for positions listed as “work study.”

Social Security Number
Students who receive an offer for on-campus employment will need to apply for a social security number at the local Social Security Administration office in Albany, Oregon (about 18 km from Corvallis). Your hiring manager and International Student Advisor will sign a Social Security Verification Letter once you have received an official job offer and start date. Before requesting this letter, be sure to register full-time for your first term at OSU.

Please note that you may only be issued a Social Security Number if you have an on-campus employment offer. Students without an employment offer are ineligible to receive a Social Security Number.
