TOTAL: 96 (63 Public/ 33 Private)

- Oregon State University is one of 4,386 higher education institutions included in the 2005 Carnegie Classification. Only 96, or 2.2%, received the highest (RU/VH) classification. The 96 RU/VH institutions account for 13.5% of the higher education enrollment in the United States. If only public institutions are considered, OSU is one of only 63 out of a total of 1,734 public institutions with an RU/VH classification (or 3.6%).
- OSU is the only higher education institution in Oregon with the Carnegie Foundation's highest ranking of RU/VH.
