What's Happening at Career Services in February 2012?

A Monthly Newsletter

Winter Career Fairs!

University Wide: Wednesday, February 22 11:00AM-4:00 PM

Engineering: Thursday, February 23rd 11:00 AM-4:00 PM

Check out the employers attending!

For daily tips on how students & alumni can prepare for the career fair check out our website.

Our Career Fairs are one of the best places for students to practice their networking skills, gather information on internships, speak with various grad schools, and explore future career opportunities!

New Scheduling Procedure for Career Counseling Appointments

Career Services has converted to a new online appointment request system allowing students 24/7 access to making an appointment with a career counselor. Students simply log into Beaver JobNet using their ONID access and request appointments by counseling type, counselor, or the time/date that fits their schedules best. Detailed instructions for using this new feature can be found on our website. We're excited about the ease of this new process, and as always, if students experience any difficulty we will be happy to assist them. Students can still call us for help setting up appointments, 541-737-4085.
