

**62nd Annual Northwest Anthropological Conference
April 8 – April 11, 2009
Agate Beach Inn
Newport, Oregon**

PRELIMINARY CONFERENCE PROGRAM

WEDNESDAY AFTERNOON/EVENING

**Ocean View Foyer – Entrance
Conference Registration and Information, 5:00pm to 8:00pm**

THURSDAY, ALL DAY

**Ocean View Foyer – Entrance
Conference Registration and Information, 7:00am to 5:00pm**

**Cove Gallery
Books and Exhibits, 9:00am to 5:00pm**

**Ocean View Foyer Gallery
Poster Session**

THURSDAY MORNING

Room: Jasper

Session 1: Association of Oregon Archaeologists

Wendy Ann Wright (Portland State University)

- 8:00 *New Information on Cascadia Cave Rock Art.* G. Poetschat,
T. Farque, J. Keyser, D. Kaiser, and R. Harrower (Oregon Archaeological Society and
USDA Forest Service)
- 8:20 *Late Prehistoric Obsidian Procurement and Use at the Fogerty Site in Central Oregon.*
Scott Thomas (Burns BLM)
- 8:40 *Review of Prehistoric Land Use in Northeast Oregon.* Paul Solimano and Kanani Paraso
(Willamette Cultural Resources Associates)
- 9:00 *Community Organizing with Archaeology: Examples from Portland, Oregon.* Wendy
Ann Wright and Virginia Butler (Portland State University)
- 9:20 *Preliminary Pollen Analysis from 35LNC60, a Prehistoric Site on the Central Oregon
Coast.* Ann Bennett Rogers (NRCS)

- 9:40 *New Findings at Yaquina Bay and the Nearby Coast: Fishing Weir Excavation, Roads Paved with Midden Shell, and the 1832 Cultural Geography.* Scott Byram and Sarah Purdy (Byram Archaeological Consulting)
- 10:00 **Break**
- 10:20 *Fur-Trade Era Intensification of Mammal Hunting on the Lower Columbia River.* K. Ames (Portland State University), R. L. Lyman (University of Missouri-Columbia), and W. Gardner-O’Kearny (Portland State University)
- 10:40 *Sex, Drugs, and Archaeology: Evidence of Prostitution in Progressive-era Portland, Oregon.* Julie Wilt (Applied Archaeological Research, Inc.)
- 11:00 *GIS Application for Archaeological Data at Oregon SHPO.* Matt Diederich (Oregon SHPO)
- 11:20 *In Search of Treasure: Oregon’s Attempt to Address the Public’s Lure of Shipwrecks and Treasure Trove.* Dennis Griffin (Oregon SHPO)

ROOM: Onyx

Session 2: Integrated Perspectives in Ethnographic Science: Local Knowledge as Global Information

Adam Howell Boyette (Washington State University)

- 8:20 *Lessons from the Forest: Childcare, Sex, and Epidemics.* Barry Hewlett (Washington State University)
- 8:40 *Learning Before Schooling: What We Can Learn About Teaching from Traditional Education Practices.* Adam Howell Boyette (Washington State University)
- 9:00 *Ndako: Cultural Models and Patterns of Tobacco Smoking Among Aka Foragers.* Casey Jordan Roulette (Washington State University)
- 9:20 *Constraints at the Bottom of a Global Commodity Chain: The Case of Shea Butter in Northern Ghana.* Kyla Rudnick (Washington State University)
- 9:40 *The Logic of Labor Exchange in a Dominican Village.* Shane Macfarlan (Washington State University)
- 10:00 **Break**
- 10:20 *Memory and Reciprocity: An Examination of Social Exchange in a Rural Caribbean Village.* Mark Remiker (Washington State University)
- 10:40 *Ethnography and Empiricism in Rock Art Research: A Case Study from the Phoenix Basin Hohokam.* Aaron Wright (Washington State University)
- 11:00 *Land Rights as a Human Right: Indigenous Knowledge, Participatory-GIS and the “Mediator Anthropologist”.* Mark Caudell (Washington State University)

ROOM: Rainbow

Session 3: Collaboration, Consumption and Cultural Landscapes: Archaeological Research Through Partnerships with the Northwest Cultural Research Institute (NCRI)

Elizabeth Horton (Washington State University) and Elaine Dorset (Portland State University)

- 8:20 Introduction. Elaine Dorset, Elizabeth Horton, and Douglas Wilson
- 8:20 *Others' Footsteps: Site Relocation at Lava Beds National Monument.* Eric Gleason and Jacqueline Cheung (National Park Service)
- 8:40 *Comparative Typologies of Ceramic Assemblages from the Early 19th Century Fur Trade Sites of Station Camp/Middle Village, Fort Spokane, and Fort Okanogan.* Robert Cromwell (National Park Service)
- 9:00 *Lead Isotope and Elemental Analysis of Artifacts from Station Camp/Middle Village.* Douglas Wilson (National Park Service)
- 9:20 *Testing the Boundaries: New Interpretations on the Locations of Probable Hudson's Bay Company Village Household Locations Using Previous Archaeological Survey Data.* Michelle Lynch (Portland State University)
- 9:40 *Across the Lines that Divide: Socioeconomic Status in Material Culture at Various Loci, Fort Vancouver National Historic Site.* Dana Holschuh (Portland State University)
- 10:00 **Break**
- 10:20 *Loves Me, Loves Me Not: Using Pollen to Study a Hidden Garden at Fort Vancouver, a 19th Century Fur Trade Site.* Elaine Dorset (Portland State University, Fort Vancouver NHS)
- 10:40 *A Cut Above the Rest: Nineteenth Century US Army Foodways at Fort Vancouver.* Elizabeth Horton (Washington State University)
- 11:00 *What's Glass Got To Do With It? An Analysis of Vessel Glass from Fort Vancouver's Parade Ground.* Stephanie Simmons and Katie Wynia (Portland State University)
- 11:20 *A Late 19th Century Homestead at American Camp, San Juan Island, Washington.* Leslie O'Rourke (Northwest Cultural Resources Institute, Fort Vancouver NHS)

ROOM: Moss

Session 4: General Session: Upland and Riverine Archaeology: West of the Cascades

- 8:20 *Tracking Identity in a Harrison River Watershed Pithouse.* Chris Springer (Simon Fraser University)
- 8:40 *New Dates, New Science: A 6,000 Year Old Story in the Upper Skagit.* Kelly Bush (Equinox Research and Consulting International)
- 9:00 *An Introduction to the Granite Falls Alternate Route SR 92 to Mountain Loop Highway Data Recovery Excavations, Snohomish County, Washington.* J. Cooper, I. Rooke, and J. Chatters (AMEC Earth and Environmental)

- 9:20 *Understanding Olcott: The Goals of Data Recovery Excavations at 45SN28 and 45SN303, Snohomish County, Washington.* J. Chatters, P. LeTourneau, and J. Cooper (AMEC Earth and Environmental)
- 9:40 *The Implications of Projectile Points from the Berkeley Rockshelter.* Nicholas Miller (Pacific Lutheran University)
- 10:00 **Break**
- 10:20 *Berkeley Park Flakes: Inferring Prehistoric Technology, Subsistence, and Settlement on Mount Rainer.* Hannah Tofte (Pacific Lutheran University)
- 10:40 *The Beech Creek Archaeological Project, 2006 Excavations.* Rick McClure (USDA Forest Service)
- 11:00 *It's a Long Way from Whitewater Ridge: Obsidian Studies at the Beech Creek Site.* Cheryl Mack (USDA Forest Service)
- 11:20 *Mid-Holocene Lithic Technology of the Southern Washington Cascades: An Upper Cowlitz Case Study.* Lowell Tavis Evans (Central Washington University)

THURSDAY AFTERNOON

Tour: **Living Next to the Monster: An Archaeological Tour of the Cascadia Subduction Zone.**
2 to 5pm Loren Davis (Oregon State University)

See OSU- NWAC website for tour details and reservation sign up.

ROOM: Jasper

Session 5: Maritime Historical Archaeology
 Scott Williams

- 1:20 *High Definition Survey of the George Olsen, Coos Bay, Oregon.* David Wellman (Wellman Surveying)
- 1:40 *The Down-Easter Austria: From Pelagic Shipping Vessel to Foreshore Classroom.* Faith Haney
- 2:00 *Oregon's Spanish Galleon.* Jack Peters (NAGA Research Group)
- 2:20 *The Beeswax Wreck, A Proto-Historic Spanish Galleon Wrecked on the Northwest Oregon Coast.* Scott Williams (Washington State Department of Transportation) and Rick Rogers (NAGA Research Group)
- 2:40 *Analysis of the Chinese Porcelain Associated with the "Beeswax Wreck", Nehalem Bay, Oregon.* Jessica Lally
- 3:00 **Break**
- 3:20 *A Degree (or six) of Latitude in Drake's True Movements.* Bob Ward

- 3:40 *Ethnohistoric Descriptions of People on the West Coast of America from Drake's Famous Voyage in 1579.* Melissa Darby (Lower Columbia Research and Archaeology)
- 4:00 *Inquiries Into Connections Between the Basketry of Central California and Oregon in Relation to the Voyage of Sir Francis Drake.* Margaret Mathewson

ROOM: Onyx

Session 6: Panel: The Business of Cultural Resources Management (CRM): Strategies, Client Relationships, and Minimizing Corruption.
Moderator: Mary Rossi (APT- Applied Preservation Technologies)

- 1:20 Panel Begins
- 3:00 **Break**
- 5:00 **Association of Oregon Archaeologists Business Meeting**

ROOM: Rainbow

Session 7: It's a Material World: Exploration in Archaeology, Architecture and Modern Material Culture by University of Idaho Students
 Mark Warner

- 1:20 *Introduction* by Mark Warner and Stacey Camp (University of Idaho)
- 1:40 *Resistance in Armenian Vernacular Architecture.* Kristin Rugroden (University of Idaho)
- 2:00 *Listening to the Sentinel of Silence: Historic Archaeology at Fort Spokane, Washington.* Tiffany Brunson (University of Idaho)
- 2:20 *Contemporary Archaeological Investigations at the University of Idaho and Methodological Challenges.* Tim Mace, D. Carlini, and J. Knobbs (University of Idaho)
- 2:40 *The Archaeology of Tailgating: Depositional Practices of Inebriated University Students.* Allison Neterer, K. Fredrickson, and W. Willis (University of Idaho)
- 3:00 Break

Session 8: Historical Archaeology, the Built Environment, Time and Natural Selection

- 3:20 *Ripe with Meaning: Municipal Sanitation Reform in Portland, Oregon.* Nicholas Smits (Archaeological Investigations Northwest Inc.)
- 3:40 *The Bungalow Revolution and Semi-Urban Residential Development in the Northwest.* Errin Edlin (Eastern Washington University)
- 4:00 *Considering Time and Natural Selection.* Charles Clinton

ROOM: Moss

Session 9: Archaeology Beyond the Pacific Northwest

- 1:20 *Palynological Analysis of Ancient Domestic Turkey Droppings from the American Southwest.* Breanne Nott (Washington State University)
- 1:40 *Upper Paleolithic Organizational Strategies in the Transbaikal (Southern Siberia).* Ian Buvit and Karisa Terry (Washington State University)
- 2:00 *The Involvement of Commoners in the Traditional MesoAmerican Ballgame.* Patrick Wilkinson (Eastern Washington University)
- 2:20 Rethinking the Pitcairn Island Collapse. Alice Mizer
- 3:00 **Break**
- 4:00 **NWAC Business Meeting**

FRIDAY ALL DAY

Ocean View Foyer – Entrance

Conference Registration and Information, 8:00am to 5:00pm

Cove Gallery

Books and Exhibits, 9:00 am to 5:00pm

Ocean View Foyer Gallery

Poster Session

FRIDAY MORNING

ROOM: Jasper

Session 10: On the Road Again: Bridging Transportation and Cultural Resources in Oregon and Washington

Carolyn McAleer and Scott Williams

- 8:20 *A Community of Archaeologists: The Noti-Veneta Project.* Brian O'Neill (Museum of Natural and Cultural History, University of Oregon)
- 8:40 *Addressing the Utility of Sonicores to Examine Deep Deposits Over a Large Area.* Alicia Valentino (Northwest Archaeological Associates, Inc.)
- 9:00 *Deep Deposits in the Uplands of the Portland Basin: An Archaeological Record of Repeated Upland Site Occupation Dating from the Archaic Period to the Late Pacific Period in Clark County, Washington.* Michele Punke (Archaeological Investigations Northwest, Inc.)
- 9:20 *Are We There Yet? I Gotta PME. ODOT's US20: Pioneer Mountain – Eddyville Project.* Kurt Roedel (Oregon Department of Transportation)

- 9:40 *The Cultural Resources Program at the Washington State Department of Transportation: What It Is, Where It's Going.* Scott Williams (Washington State Department of Transportation)
- 10:00 **Break**
- 10:20 *Construction Monitoring for Cultural Resources.* Lucy Flynn Zuccotti
- 10:40 *Sharing the Road to Beatty.* Tom Connolly (Museum of Natural and Cultural History, University of Oregon)
- 11:00 *Extraordinary Holocene History of Landscape Change in the Columbia River Crossing, Missoula Floods to HW 15 Corridor Development: Vancouver, Washington to Portland, Oregon.* Curt Peterson (Portland State University), R. Minor, K. Carlisle, K. Toepel, and G. Peterson (Heritage Research Associates)
- 11:20 *How Many Probes Does It Take? An Examination of the Suitability of Shovel Probe Surveys Along Road Corridors.* Amber Earley (Northwest Archaeological Associates, Inc.)
- 11:40 *North Ontario Interchange: Inter-Cultural Negotiations and Research Values at the Plateau/Northern Great Basin Interface.* Tom Connolly and Dennis Jenkins (Museum of Natural and Cultural History, University of Oregon)

ROOM: Onyx

Session 11: Research Spanning the Salish Sea

Colin Grier (Washington State University)

- 8:20 *Reconstructing the Economics of Long-Term Settlement in the Southern Gulf Islands.* Colin Grier (Washington State University)
- 8:40 *The Montague Harbour Archaeological Landscape.* Eric Mclay (Coast Research) and Colin Grier (Washington State University)
- 9:00 *Economic Organization at Shingle Point, Valdes Island: A Zooarchaeological Comparison of Mayne and Marpole Phase Components.* Corrie Ahrens and Colin Grier (Washington State University)
- 9:20 *Getting to Know Your Salmon: Ancient DNA Analysis of the Household Fishery at Dionisio Point.* Susan Lukowski and Brian Kemp (Washington State University)
- 9:40 *Gaining Ground: Applying Geoarchaeological Methods to the Identification of Prehistoric Plank House Deposits.* Patrick Dolan (Washington State University)
- 10:00 **Break**
- 10:20 *Investigating Floral Resources and Landscape Management in the Gulf Islands, Southwest British Columbia.* Kelly Derr (Washington State University)
- 10:40 *Defensive Practices Throughout the Salish Sea.* Bill Angelbeck (University of British Columbia)
- 11:00 *The Cultural Transmission of Barbed Bone and Antler Points from the Gulf of Georgia.* Adam Rorabaugh (Washington State University)

- 11:20 *Hearing Native Voices: A Method for Indigenous Community Involvement in Archaeology on the Northwest Coast.* Kate Ellenberger (Western Washington University)
- 11:40 *The Lummi System of Care Initiative: Investigating an Indigenous Approach to Mental Health Service Delivery.* Stacy Rasmus (Washington State University)

ROOM: Rainbow

Session 12: Historical Archaeology in the Pacific Northwest

David Brauner (Oregon State University) and Chelsea Rose (Sonoma State University)

- 8:00 *The Rogue River Northwest Gun: Context and Conservation.* Mark Tveskov and Carrie Vincent (Southern Oregon University)
- 8:20 *Rediscovery of the Stevens Pioneer Family Cemetery (1854 – 1879), Lane County, Oregon.* Tom Connolly, C. Ruiz, and J. McLaughlin (Museum of Natural and Cultural History, University of Oregon)
- 8:40 *Celebrating Oregon's Sesquicentennial Through Archaeology at Champoeg State Park.* Mollie Manion (Oregon State University)
- 9:00 *Secrets of the North Staffordshire Ceramic Recipes: Identifying Chemical Variation and Uniformity Using an Archaeometric Approach.* Jessica Hale (Applied Archaeological Research, Inc.)
- 9:20 *Bricks – Bane or Boom? Sourcing Brick Recovered From Fort Vancouver Via Instrumental Neutron Activation Analysis.* Kristin Converse (Sonoma State University)
- 9:40 *Recognizing Individual Potters in Historic Oregon Sites: A Visual and Chemical Analysis of Early Oregon Redware.* Ella Peterson (Oregon State University)
- 10:00 **Break**
- 10:20 *Black Hats on the Yamhill: The Fort Yamhill Archaeological Project.* David Brauner (Oregon State University)
- 10:40 *United States Army Subsistence Strategies on the Western Frontier: A Preliminary Report on the Subsistence Department at Fort Yamhill, 1856 to 1867.* Justin Eichelberger (Oregon State University)
- 11:00 *Learning from the Landscape: Placer Mining and Industrial Archaeology in the Garnet Range of Montana.* Brent Rowley
- 11:20 *A Sound of Revelry by Night: The History and Occupation of Kanaka Flat, Jackson County, Oregon.* Chelsea Rose (Sonoma State University)
- 11:40 *An Ethnoarchaeological Study of Site Occupation at the Honeymoon Heights Area of the Holden Mine.* Christine Plimpton (Willamette University)

ROOM: Moss

Session 13: Identity, Conflict, and Language

- 8:00 *Making a Difference: Structural Issues, Mismanaged Expectations, and Cross-Cultural Conflict in Short-Term, International Volunteer Projects.* Michelle Bateman
- 8:20 *Bottom-Down Oppression: Everyday Social Interactions and the Establishment and Maintenance of Networks of Domination.* Robert Kirk Packwood
- 8:40 *What's in a Name? Accommodating Mutually Exclusive Epistemologies: Lessons from Tribal Elders.* Rodney Frey (University of Idaho)
- 9:00 *Intercultural Exchange, Intercultural Identity: Exploring Students' Sociocultural Identities in the Context of Undergraduate Study Abroad Programs.* Maggie Crawford (Linfield College)
- 9:20 *Rescuing 911: Adrift in a Sea of Staffing, Stress, and Conflicting Identities.* Mary Wright (Western Oregon University)
- 9:40 *Is Tactile American Sign Language Its Own Language?* Amber Pitzler (Eastern Washington University)
- 10:00 **Break**

Session 14: Museums, Collections, NAGPRA, and Consultation

- 10:20 *Moving Towards More Accessible Archaeological Collections.* Brooke Shelman (University of Washington)
- 10:40 *NAGPRA Implementation Then and Now: A Case Study of the Burke Museum of Natural History and Culture.* Dena Seder (University of Washington)
- 11:00 *"That Belongs in a Museum!" But Then What Happens? A Reinvestigation of the Marymoor (45KI9) Collection.* Aaron Naumann (University of Washington)
- 11:20 *Tribal Consultation, Examples from a Tribal Archaeologist.* Arrow Coyote (Confederated Tribes of the Coos, Lower Umpqua and Siuslaw Indians)

FRIDAY AFTERNOON

ROOM: Jasper

Session 15: Farming, Food, and Communities

- 1:20 *The Collapse of Small Farming in Transylvania: Kalotaszentkiraly – A Case Study.* Wayne Kraft (Eastern Washington University)
- 1:40 *Sustainability and Insatiability.* Bo Bestvina
- 2:00 *Central American Farmers in the Elite Coffee Market.* Julia Smith

- 2:20 *Gender, Economy, and Development Among the Shipibo of Peru.* Laura Putsche (University of Idaho)
- 2:40 *Feasting and Ritual on the Border: A Pilot Study from Cox Ranch Pueblo, New Mexico.* Sophia Asbury
- 3:00 Break

Session 16: Health Across Cultures

- 3:20 *Stress and Health Among Latino Immigrants in Oregon: Implications for Community Organization.* LE Isiordia, HH Mclure, JJ Snodgrass, CR Martinez, JM Eddy, and R Jimenez
- 3:40 *Caregiver Responsiveness and Sensitivity in Eastern Washington Daycare Centers.* William Autrey, C. Meehan, I. Amador, S. Barnes and C. Helfrecht (Washington State University)
- 4:00 *World of Warcraft: The Rise of a Subculture.* Andrew Soltz

ROOM: Onyx

Session 17: Of Islands, Bays, and Estuaries

- 1:20 *Of Fishes, Fjords, and the Future.* Nova Pierson (Simon Fraser University)
- 1:40 *Resource Acquisition in British Columbia and its Implications for Social Complexity.* Heather Kendall, D. Kirsch, and J. Sheppard (Simon Fraser University).
- 2:00 *Archaeological Perspectives on Changes in Local Intertidal Habitat Availability on Whidbey Island, Washington.* Ross Smith (Northwest Archaeological Associates)
- 2:20 *A Tla'amin Cultural Landscape: Combining Traditional Knowledge and Archaeological Survey in Malaspina Inlet, Desolation Sound Marine Park, B.C.* Sarah Johnson (Simon Fraser University)
- 2:40 *Environmental Protection and Archaeological Knowledge in Fidalgo Bay, Skagit County, Washington: A Case Study in Agency Collaboration.* Diana Barg (Samish Indian Nation)
- 3:00 **Break**
- 3:20 *Results of Investigations at 35TI90, A Riverine Site in Tillamook, Oregon.* Thomas Becker (Applied Archaeological Research, Inc.)
- 3:40 *Geoarchaeological Investigations at Site 35TI90, Tillamook, Oregon.* Frederick Anderson (Applied Archaeological Research, Inc.)
- 4:00 *Using Geographic Information Systems as a Tool for Locating Early Sites Along the Central Oregon Coast.* Steven Jenevein (Oregon State University)

ROOM: Rainbow

Session 18: Historical Archaeology in the Pacific Northwest

David Brauner (Oregon State University) and Chelsea Rose (Sonoma State University)

- 1:20 *Excavating an Overnight Event: Investigations at The Pulaski Tunnel and Escape Route.* Alicia Valentino (Northwest Archaeological Associates, Inc.)
- 1:40 *The Hop Farms at Fort Lewis, Washington.* Bradley Bowden, D. Shaw, G. Kaehler, B. Ruby, and D. Sadler (Historical Research Associates)
- 2:00 *The Archaeology of an Allotment Homestead on the Former Klamath Indian Reservation, Beatty, Oregon.* Christopher Ruiz, E. Kallenback, and T. Connolly (Museum of Natural and Cultural History, University of Oregon)
- 2:20 *The Archaeological Dimensions of Race and Ethnicity at Japanese Gulch, Mukilteo, Washington.* William White, III (Northwest Archaeological Associates, Inc.)
- 2:40 *Cooperation and Collaboration: An Example from the Booker House, Jacksonville, Oregon.* Carrie Vincent and Chelsea Rose (Southern Oregon University)
- 3:00 **Break**
- 3:20 *A Photographic Case Study of the Cultural Change of Land Use in Skagit County, Washington.* M. Elizabeth Kelly (Western Washington University)
- 3:40 *Grave Marker Style Distribution: A Comparison Between Urban and Rural Cemeteries Using GIS.* Marielle Pedro (Portland State University)
- 4:00 *Geocoding Process for Oregon's Historic Sites Database.* Cara Kaser, M. Diederich, and D. Quillin (Oregon State Historic Preservation Office)

ROOM: Moss

Session 19: Great Basin and Columbia Plateau Prehistory

Loren Davis (Oregon State University)

- 1:20 *Energizing Interpretations of Late Pleistocene and Early Holocene Social Dynamics in the Eastern Great Basin.* Rigden Glaab (Washington State University)
- 1:40 *Condors in the Oregon Country: Assessing the Past to Prepare for the Future.* David Moen (Portland State University)
- 2:00 *Past and Future Research at the Cooper's Ferry Site, Lower Salmon River Canyon, Idaho.* Loren Davis (Oregon State University)
- 2:20 *An Evaluation of Portable Energy Dispersive X-ray Fluorescence Spectroscopy for Use in Chert Provenance Studies.* Alex Nyers (Oregon State University)
- 2:40 *Constructing New Methodologies in Locating Paleo-Indian Sites in Eastern Washington State.* Christie Merrill (Central Washington University)
- 3:00 **Break**
- 4:00 **Association of Washington Archaeologists Business Meeting**

ROOMS: Rainbow/Moss

- 6:00** **Social Gathering, No host Bar, open to all**
- 7:00** **Banquet: Tickets Only**
Speaker: Ken Ames (see OSU-NWAC website for details)

SATURDAY MORNING

ROOM: Jasper

Session 20: Evolutionary Medicine Across the Lifespan: Cross-Disciplinary Applications and Perspectives
Melissa Cheyney (Oregon State University)

- 8:00 *A Look at Parity and Tooth Loss: Integrating the Dental Science and Evolutionary Perspectives.* Madhurima Bhadra (Oregon State University)
- 8:20 *Geophagia: A Socio-Evolutionary Perspective.* Molly O'Bryan (Oregon State University)
- 8:40 *What Should I Eat? Congruencies and Discordances Between Popular Prenatal Nutritional Counseling and Evolutionary Medicine Perspectives.* Lindsay Marshall (Oregon State University)
- 9:00 *Preeclampsia, Eclampsia, and Hypertension During Pregnancy: An Evolutionary Perspective.* Cory Vehafric (Oregon State University)
- 9:20 *Homebirth Midwifery in Evolutionary Perspective: Refocusing Upstream.* Melissa Cheyney (Oregon State University)
- 9:40 *An Analysis of the Relationship Between Chronic Stress, Inflammation, and Growth Outcomes in Ecuadorian Shuar Children.* Aaron Blackwell (University of Oregon)
- 10:00 **Break**
- 10:20 *Obligate Midwifery and the Human Stress Response: An Evolutionary Obstetrics Perspective on Social Support and Teenage Pregnancy.* Courtney Everson (Oregon State University)
- 10:40 *Who's Being Served? The Human Papillomavirus Vaccine in Evolutionary and Biocultural Perspective.* Terena Gimmillaro (Oregon State University)
- 11:00 *Energetics and Novel Environments: Physical Activity as Measured Using Accelerometry in an Indigenous Lowland Ecuadorian Population.* Felicia Madimenos (University of Oregon)
- 11:20 *Evolutionary Medicine and Hypertension Among Indigenous Siberians.* Tara Cepon (University of Oregon)
- 11:40 *Perceived Discrimination, Stress and Health Among Latino Immigrants in Oregon.* Heather McClure (Oregon Social Learning Center)

12:00 Discussants: J. Josh Snodgrass (University of Oregon) and Sunil Khanna (Oregon State University)

ROOM: Onyx

Session 21: Panel Discussion: Communication Between Communities: An Opening Conversation.

Moderator: Mary Collins (Washington State University)

8:20 to 10:00

ROOM: Rainbow

Session 22: Association Of Washington Archaeologists Student Workshop: Basics of Shellfish and Lithic Analysis.

Scott Williams, Gary Wessen, and Tom Becker

8:20 to 11:00 Open to all. No charge.
