

Wayne O. Carter, DVM, PhD, Dipl. ACVIM
Vice President, Clinical Nutrition
Hill's Pet Nutrition

Wayne Carter is the Vice President of Clinical Nutrition at the Hill's Pet Nutrition Center in Topeka, Kansas. Wayne joined Hill's in 2007 and brought several years of private practice experience and pharmaceutical development expertise. Prior to joining Hill's, Wayne was responsible for Global Clinical Technology as an Executive Director at Pfizer in Groton, CT. This department delivered multifaceted biomarker development to accelerate development decisions for human pharmaceuticals. Wayne attended Purdue University, earning his B.S. degree in 1980, D.V.M. in 1984, and Ph.D. in 1994. Dr. Carter became board certified in the American College of Veterinary Internal Medicine in 1992. Wayne serves on several advisory boards and is actively involved in KansasBio which is a non-profit organization to promote bioscience development in Kansas.
