- Propose an issue or topic your program colleagues are eager to study through a PLC model

- Provide a rationale for organizing and leading this particular PLC in your program
• Explain how study of this particular topic will improve student learning

Identify the names of at least three colleagues who have expressed interest in fully participating in your proposed program-level PLC.

1. ___________________________ ___________________________
   Name                                           Department

2. ___________________________ ___________________________
   Name                                           Department

3. ___________________________ ___________________________
   Name                                           Department

4. ___________________________ ___________________________
   Name                                           Department

• Include one paragraph describing why you are interested in learning how to facilitate a PLC.

Indicate academic unit’s approval for your participation. (Your supervisor will need to sign the final MOU).

☐ Check here if you have approval for your participation.
