NAAFE's Board of Directors, including President Gil Sylvia, and Business Office are delighted to announce the NAAFE Forum 2017 will be held in La Paz, southern Baja California, Mexico!

This, NAAFE's ninth biennial Forum, will be organized by an excellent team from across Mexico. The lead organizing institution will be the Universidad Autonoma de Baja California Sur.

Our organizing committee will be led by Victor Hernandez-Trejo of UABCE, and German Ponce of CICIMAR, with the participation of Mauricio Ramirez-Rodrigues of CICIMAR, Past NAAFE President (and organizer of NAAFE Forum 2007) Juan Carlos Seijo of UMM, Silvia Salas of CINVESTAV, Juan Antonio de Anda of CIBNOR, and Javier de la Cruz of CRIP.

The Forum will be held March 22-24, 2017, with pre and post conference activities taking place during the days immediately before and after.

You are highly encouraged to bring the family along to enjoy the wonderful eco-tourism, sport fishing, and other nearby opportunities; plan on a swim with whale sharks or sea lions at Espiritu Santo Island and surrounding areas!
