

NAAFE Forum 2001

Our first international conference, NAAFE Forum 2001, was held April 1-4, 2001, in New Orleans, Louisiana. The conference was organized by Gunnar Knapp (University of Alaska) and Walter Keithly (Louisiana State University). Over 90 participants witnessed some 75 presentations. Informal [notes](#) are available describing some conference sessions.

Proceedings of the 2001 NAAFE Forum contain the complete program, abstracts of all presentations, and papers which were submitted for inclusion. Proceedings will be distributed free of charge to Forum participants, and are also available for purchase. Take a look at [the table of contents](#) (in .pdf format).

To order a copy, please download the [NAAFE 2001 Forum Proceedings Order Form](#) and airmail or fax to the NAAFE Business Office.

Proceedings addendum:

We apologize for our failure to include the following paper in the printed proceedings. [Click here to view Vessel Efficiency in the Northwest Atlantic Sea Scallop Fishery](#) by John Walden, Steve Edwards and Jim Kirkley, in .pdf format.
