Challenge

Challenge #1

Make a list of the people who supervise 25 or more active employees.

Bonus: Get BI/Query to total the number of employees they supervise, without using a report.

Challenge #2

Find out which utility the University spends the most money on, and how much money the University has spent each year on that utility starting with FY 96.

Bonus: Get BI/Query to display the results in a Bar Chart. (Hint: use BI/Query Reports)
