DOCTORAL PROGRAM MEETING CHECKLIST FOR GRADUATE COUNCIL REPRESENTATIVE

Student's Name _____ Major _____

GENERAL INFORMATION

The major professor chairs this meeting.

The student should have devised a draft program, usually with help from the major professor. The student should furnish copies of this program to all committee members at the meeting.

The student (or major professor) is responsible for providing for committee use a copy of transcripts containing all completed courses that will be transferred to the program. Courses to be transferred must be graduate level courses with A or B (or equivalent) grades. Courses taken before the completion of a four-year baccalaureate degree (or equivalent) must have been officially reserved for graduate credit. Courses used on a master's degree can be transferred to a doctorate. Graduate courses taken at OSU while the student was a graduate non-degree student or a postbaccalaureate student, or courses reserved for graduate credit while an undergraduate or postbaccalaureate student, are considered transfer courses. If the transfer credit is from a foreign university, the student must provide an English translation of the transcript with the courses to be transferred clearly indicated.
