Late blight has been found in Washington. Late blight has also been confirmed in Oregon's portion of the Columbia Basin. Please bring in samples for confirmation. Continue to scout and maintain weekly protectant fungicide applications.

LATE BLIGHT HOTLINE 1-800-705-3377

The OSU Area-wide monitoring program support is provided by the Oregon Potato Commission and OSU Extension Service. **This is an alert system; growers are encouraged to install their own traps for field specific monitoring.**
