What do Master Gardeners do?
Through a variety of community outreach activities, trained volunteers extend research-based gardening information to citizens throughout Klamath County. Volunteers receive extensive classroom instruction in botany, soil science, insect and disease identification, pruning, soil fertility, lawn care, and a host of other classes specific to gardening in Klamath County. Classes are taught by Oregon State University faculty, certified Master Gardeners, and area specialists.

Who are Master Gardeners?
Master Gardeners are adults of all ages who enjoy gardening and working with other like-minded individuals. You may consider applying for the 2013 training if:

- You are willing to learn about the art and science of gardening and share this knowledge with others
- You enjoy gardening
- You enjoy working with others
- You are eager to participate in a practical and intensive training program
- You are willing to commit to diversity and to ensuring equal opportunity for those wishing to benefit from OSU Extension programs and services.

How do I enroll?
To become a Master Gardener, you need to fill out and submit an application for the 2013 class. Tuition is $175 (this includes textbook, 13-week training session, handouts, and OSU Master Gardener™ badge).
For more information about the program, please contact us:

- Online at http://oregonstate.edu/dept/kbrec/
- Or, contact Keely Moxley, Program Coordinator, at Keely.Oswald@oregonstate.edu, or by phone at 541.883.7131.

Applications are available the OSU Extension Office or online at http://oregonstate.edu/dept/kbrec/

Space is limited! Application deadline is January 31, 2013.
