The Hay King contest is an annual event where hay growers can not only show off their hay, but network with other growers, get ideas, and just celebrate the end of another year's harvest. The 2009 contest will judge classes of dairy alfalfa, retail alfalfa, grass, grass/legume mix, cereal, cereal/legume mix, and timothy hay.

On November 14th show up at Floyd A. Boyd's in Merrill Oregon with a bale from the stack you core sampled earlier and watch professional judges feel, smell and look at everyone's hay.
