

KBREC Faculty & Staff Employee Profile

Name: Rachel Shuck, B.S.
Job Title: Faculty Research Assistant

Professional Background: Employed by Klamath Basin Research & Extension Center (KBREC) since September 2007. I have a Bachelor's degree in Animal Science with an option in Beef Production and a Minor in Agribusiness from Oregon State University (2007). I worked for OSU Crop and Soil Science Department doing potato research (2004-2007). Grew up on a farm and have experience raising crops and livestock.

Research and/or Educational Expertise: I have experience assisting with crop research including work with forages, cereals, potatoes, and some alternative crops.

Current Program Assignments: I am a Faculty Research Assistant working primarily with the forage, cereal, and alternative crop research at the KBREC Washburn site.

Emerging Areas of Interest: I am very interested in the development of alternative crops and farming methods. I also want find ways to help keep small family farms in the Klamath Basin profitable.

Professional Principles:

I believe in

- Hard work can get you where you want to go.
- You can do anything you put your mind to.
- Never give up.
