Want to get outdoors? And learn how to grow & cook your own food?

Chiloquin School Garden Camp

**When:** July 7, 8, 9 & 10 (4 sessions)  
12:00-3:00 pm

**Where:** Chiloquin Elementary School  
(Annex)

Campers will learn how to grow and cook foods from the garden while having fun in an outdoor setting. Help your child appreciate fresh food and inspire life-long learning. Soon your child will be saying, “I can grow things…and cook them too!”

**FREE - No Charge!**  
Open to children 1-6 grades  
Space is limited  
Register by July 1, 2014  
At OSU Extension Service,

This project made possible through partnerships with Chiloquin Elementary School, Oregon State University Extension Service and many dedicated volunteers.  

*In a community garden, people come together in the most inspiring ways.*
