Here Comes the Sun:
Soil Solarization Workshop
Oct. 29, 2018  1pm-4:30 pm
North Willamette Research & Extension Center
15210 NE Miley Rd., Aurora, OR

- Learn about soil solarization research at OSU
- Get practical advice on how to solarize
- See results from a demonstration trial
- Try out an online soil solarization program
- Hear from commercial growers who solarize

Soil solarization is a non-chemical method for managing weeds that reduces labor for handweeding and reduces the need for tillage.
