This exception to the general policy for other graduate programs results from the Veterinary Medicine curricular design which requires larger carrying loads in certain terms for normal progress toward a degree.</p> <p>Fourth Year students taking a series of study, externship, and clinical rotations from the beginning of Finals Week in June to the end of Dead Week the following June are assessed four term fees during that period of time. Fee payment dates will correspond to normal Fall, Winter, Spring and Summer term schedules.</p> <p>Qualified tuition and fees do not include student health insurance fees for Tax Relief Act reporting.</p> <p>Endnotes: A one-time Matriculation Fee of \$300.00 is assessed on all new and transferred students</p>
