

Oregon State Parent Association

An alliance in the education of your student

Our Mission:

The Oregon State Parent Association (OSPA) is dedicated to creating a partnership between the university and the parents and families of Oregon State students. This is an opportunity to become engaged in the OSU community and to stay involved and informed. We encourage the strengthening bond between you, the university, and your student so that their experience here is rewarding and fun!

We need your support in order to maintain the quality services and programs that make Oregon State University one of the premier universities in the nation.

Why Join the Parent Association?

- **Enhanced Communication:** interact with students, staff, and faculty and sign up for our e-newsletter to stay up to date on what's happening at OSU.
- **Parents' Weekends:** membership dues are applied to exclusive receptions for association members that are held during Dad's Weekend and Mom's Weekend.
- **Services and Programs:** funding will help enhance the services that can be offered to OSU students and their families.
- **Parent Networking:** connect with other OSU parents and family members across the nation who are committed to parental involvement in their student's education.
