An email sent on Friday, Aug. 18, has caused some confusion and we want to try to address it. This email is to try to clarify a few things and clear up a couple mistakes that were in the original email. The lots below will be reserved from 7 a.m. till the end of the football game, and this protocol will be true for all Thursday games:

Lots restricted to Athletics permit holders beginning 7 a.m. on Thursday
- the lots directly around Reser Stadium
- the Parking Structure
- the gravel lot behind the Hilton
- half of the lot along the tennis courts
- the lot directly behind Goss Stadium
- the southern most part of lot on 15th and Washington closest to the railroad tracks
- the grass part of Magruder

To clarify a mistake on the last email, we will only be towing cars from the following lots:
- Directly around the Stadium
- The Parking Structure (with the exception of student resident floor)
- Gravel lot behind the Hilton

The stadium lots have numbered spaces and are assigned by the space and the gravel lot behind the Hilton is reserved at all times. We will not be towing out of any other lot than the ones listed due to the conflict with working faculty/staff. Please note this is only for Thursday games and all these lots are restricted from 7 a.m. till end of event on all Saturday home games.

Another point of clarification is on the lots that will be restricted after 1 p.m. (listed below). You will not be asked to vacate these lots at 1 p.m. The lots will be restricted on new cars coming in after 1 p.m. to only those people holding Athletic issued permits. Employees wishing to park in those lots after 1 p.m. will be asked to park instead, in any of the lots not restricted for Athletics purposes on campus. All of those lots are listed in this message. You may refer to the link for the map of Athletics restricted lots as well: [http://oregonstate.edu/osutoday/archives/summer06/fbparking.pdf](http://oregonstate.edu/osutoday/archives/summer06/fbparking.pdf)

Please note: The map is designed for all football games and does not indicate special circumstances illustrated in this memo.

Please note: Besides the restricted lots mentioned in this message, **ALL OTHER FACULTY/STAFF LOTS ARE DESIGNATED “ATHLETIC PAY LOTS” ON FOOTBALL GAME DAYS AND ARE OPEN TO WORKING FACULTY/STAFF NOT ATTENDING THE ATHLETIC EVENT.** All you need to do is state that you are working to the attendant of the lot, and they will let you pass. This is the same for every athletic event.

The lots that will be restricted to Athletic issued permits after 1 p.m. are:
- the other half of the lot along the tennis courts
- the rest of the lots behind Goss Stadium
- OSU Foundation lot
- College of Forestry lot
- the rest of the lots at 15th and Washington
- the rest of Magruder Lot
- College of Veterinary Medicine lot
Again we are not asking you to move your vehicle and we will not be towing anyone except in the Stadium lots, Parking Structure, and Gravel lot behind Hilton. Since it is our goal to clear the Athletic Restricted lots as employees leave, if you would try to park elsewhere, it would be greatly appreciated.

All other campus lots (besides the specific restricted ones already mentioned) will be manned starting at 1 p.m. Those employees needing access for a working function will be admitted without being charged to park for the athletic event and allowed to park in any regular lots not already mentioned. Employee cars already parked in the non-restricted lots will not have to move for any reason.

RVs are only allowed in the gravel lot by the motor pool off Campus Way. They will be arriving Wednesday after 5 p.m., so be prepared in case the lot is full on Thursday.

**Note:** 26th Street will be closed off between Washington Way and Western Boulevard after 1 p.m. and traffic will be restricted to buses, handicapped parking and service vehicles only. Also, the entry roads of 26th Street above Washington Way, the Jefferson Street intersection with 30th Street, the Jefferson intersection with Langton Place, the Campus Way intersection with Pioneer, the 30th Street intersection with Orchard, the 27th Street intersection with Orchard, and the 30th Street intersection with Campus Way will be staffed. You need only tell the attendant you are not here for the football game and they will let you pass free of charge. Please do not drive past attendants as this may cause confusion and misunderstanding.

Your cooperation and understanding is appreciated.

Please do not hesitate to contact us with questions:
