“Our Heroes” Award

PFLA’s “Our Heroes” Award recognizes an Oregon State University colleague or a group of colleagues for excellence in their work at OSU. Once each month, PFLA presents a token of appreciation to an extraordinary person or group on campus or within OSU state wide thanking them for their efforts.

Nominations are accepted on an ongoing basis and a recipient will be chosen by the PFLA awards committee. Nominations received will remain active for consideration throughout the term of the incumbent Board. Candidates must be nominated by PFLA members, but you do not have to be a member to be one of “our heroes.”

“Our Heroes” provides PFLA members with an opportunity to support and acknowledge the professionalism of OSU staff, while highlighting the importance of others’ work and excellence in service. Nominate someone today!

October Recap

As part of PFLA’s focus on diversity issues, Dr. Terryl Ross, Director of Community and Diversity at OSU, was our featured guest speaker at the October monthly meeting. Terryl shared a little about the opportunities and challenges of having our campus commit to diversity. He also facilitated several group discussions to determine what areas PFLA members feel could be focused on and how to implement improvements across campus.

Terryl shared several ways for individuals and groups to participate including the the Diversity Book club and the Committed to Diversity Challenge (C2D) that was started this year.
