SUMMER CLASSES
Welcome to the OSU Registration Handbook!

Keep this book and refer to it for the entire year. It will help you register for classes at OSU.

Step 1—Meet with your advisor

- **Corvallis students**: Find your Head Advisor on page 20 to work out your schedule and get your Registration PIN.
- **Ecampus students**: Instructions for scheduling your first advising appointment will be provided in the online orientation.
- Find out if you are eligible to register on page 11.
- Read the other useful information in this booklet to help you through the process.

Step 2—Choose your classes from the Online Schedule of Classes

- Use a computer or mobile device to view the Schedule of Classes.
- Go to [https://catalog.oregonstate.edu/course-search/](https://catalog.oregonstate.edu/course-search/)
- Enter a course subject code and number into the Search box.
- Click the calendar icon in the Search Results tab to see times the course is offered during the week.
- By hovering the cursor over the calendar boxes, you will see sections highlighted.

Step 3—Register on the Web via MyOSU

- Use a computer or mobile device and go to MyOSU, [https://myosu.oregonstate.edu/](https://myosu.oregonstate.edu/)
- Enter your OSU ONID username and password and click Login.
- Click the Student tab. Under Registration Tools, select the tools you need to register.

Note: OSU is on a term (quarter credit) system. When transferring in course work from semester system institutions, multiply the number of credits by 1.5 to see how many quarter credits will be transferred (3 semester hours x 1.5 = 4.5 quarter credit hours). If you are planning to transfer OSU credits out to a semester system institution, multiply the number of quarter credits by .67 to find out how many credits will transfer (4 quarter credit hours x .67 = 2.68 semester hours).

These calendar listings are only a summary. Students are advised to carefully read other sections of the Registration Information Handbook for details concerning registration procedures and deadlines. This calendar is subject to change. Please see the online academic calendars for the most current dates: http://calendar.oregonstate.edu/

*See the Tuition and Fee Reduction and Refund Schedule in the Fees and Fee Payment section.

**The late registration fee is assessed only for initial registrations that occur after the term begins. The late registration fee is not assessed for additional add/drop changes that occur during the first two weeks of the term.
Notice to Students Regarding Privacy of Records

The Family Educational Rights and Privacy Act (FERPA) of 1974 (Public Law 93-380), as amended, Oregon Revised Statutes 351.065, and Oregon Administrative Rule 580-013-0005 of the State Board of Higher Education afford students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the university receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education record that the student believes is inaccurate or misleading. Students should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of the personally identifiable information contained in the student’s educational record, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research, or support staff position (including health staff and members of the Law Enforcement Unit); a person or company with whom the university has contracted; a person or company acting as consultant or volunteer for the university; a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Oregon State University to comply with the requirements of FERPA.

The name and address of the office that administers FERPA is:
Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5920

Revised directory information effective May 2014:
Oregon State University will provide the following “directory” information to all inquiries without students’ written consent:
- student’s name
- current mailing address and telephone number
- current OSU ONID email address
- campus office address
- class standing (e.g., freshman, sophomore, etc.)
- student level (undergraduate, graduate, etc.)
- college
- major field of study
- honors
- full-time or part-time enrollment status
- status as a graduate teaching assistant or graduate research assistant and hours of service.
- participation in officially recognized activities and sports
- dates of attendance
- anticipated graduation date
- degrees and awards received
- date(s) of degree(s)
- most recent previous educational institution attended by student

A student may request in writing that all of the above directory information be kept confidential. This option may be exercised by filing a written, dated, and signed request at the Office of the Registrar at any time. The restriction remains in effect until revoked by the student even if the student leaves the university or graduates.

The procedures for exercising the above rights are explained in Oregon Administrative Rules 576-020-0005 through 576-020-0065.

Release of Student Information to Military Recruiters [Solomon Amendment]
Oregon State University provides information about students that is requested by military recruiters under requirements of the Solomon Amendment (As of Oct. 23, 1998 [63 Fed. Reg. 56819] and the Interim Rule published Jan. 13, 2000 [65 Fed. Reg. 2056] by Department of Defense). Under this federal law, military recruiters may request the following information: Name, current mailing address (as provided by the student) including email address, current telephone number (as provided by the student), age, class level (e.g., freshman, sophomore, etc.), and academic major. The information may be requested for the immediately previous term, current term, or future term for all students age 17 and older who are or were registered at OSU for at least 1 credit in the requested term. Recruiters may request this information each term. Recruiters may not obtain any information that is not in the above list of student recruiting information. For example, they may not request any of the following: Social Security Number or ID Number, place of birth, race/ethnicity/nationality, grades and GPA, grades of low-performing students, religious affiliation, names of students with loans in default, veteran status, or names of students no longer enrolled at OSU. Institutions that do not comply with the Solomon Amendment risk losing federal funding from the departments of Defense, Education, Health and Human Services, Labor, and Transportation. Institutions do not risk losing student aid funding such as Perkins Loans, Federal SEOG or Work-Study funds.

Use of Social Security Number [SSN]
You are requested to provide voluntarily your Social Security Number to assist OSU (and organizations conducting studies for or on behalf of OSU) in developing, validating, or administering predictive tests and assessments; administering student aid programs; improving instructions; internal identification of students and alumni; collection of student debts; or comparing student educational experiences with subsequent workforce experiences. When conducting studies, OSU will disclose your Social Security Number only in a manner that does not permit personal identification of you by individuals other than representatives of OSU (or the organization conducting the study for OSU) and only if the information is destroyed when no longer needed for the purposes for which the study was conducted. By providing your...
Student Records—Right to Privacy

Social Security Number, you are consenting to the use identified above. This request is made pursuant to ORS 352.004, ORS 352.107, and ORS 352.146. Provision of your Social Security Number and consent to its use is not required and if you choose not to do so you will not be denied any right, benefit, or privilege provided by law. You may revoke your consent to the use of your Social Security Number at any time by contacting: Office of the Registrar, Oregon State University, Corvallis, OR 97331-2130; 541-737-4331.

All access and use at Oregon State University of the Social Security Number is prohibited except for meeting federal or state requirements, compliance, and reporting.

Students Rights to Privacy of Records Tutorial (FERPA)
A brief online tutorial that explains students’ rights may be viewed at http://registrar.oregonstate.edu/ferpa-training-module.

OSU Directory
The OSU Campus Directory is a directory of staff and student names, addresses and telephone numbers. This information is extracted at the end of the second week of the fall term and is published annually and posted on the OSU website. To find students, faculty and staff, use the Search box for Find people and pages or go to http://directory.oregonstate.edu/.

Students who do not want information to be included in either the printed or electronic version should indicate that in their Directory Profile on the Web before the end of the second week of fall term. Just log in to MyOSU at https://myosu.oregonstate.edu and under Update Personal Profile select OSU Directory Preferences, then follow the instructions on that page.

Update Your Current Mailing Address
This is the only address the university will use if it needs to send you information. The university no longer maintains separate local and home student addresses. Students are responsible for making sure their current address listing is correct and for updating it at the end of each term if necessary. Students may change their current mailing address listing at the Office of the Registrar or by logging in to MyOSU, https://myosu.oregonstate.edu/, and under Update Personal Profile clicking on ‘Update Address or Phone Number’.

You will be asked to verify your address at the beginning of each term. The first time you access your student information on the Web through MyOSU, you will see a message asking you to change or confirm your address. Please update your address information at that time.

OSU Alert Notification System
The Alert website (http://oregonstate.edu/alerts) keeps the OSU community apprised of emergency situations related to campus and serves as an entry point to the OSU Alert Notification System. You can use the portal link on this page to provide emergency contact information in order to receive proactive notifications in the event of an emergency and you can visit this website to get regular updates. This system allows public safety officials to create emergency alerts that contain a recorded voice message, an email message, and a text message and send them to the current database of contact information for all employees and students. In crisis situations, the system will try all means of contacting each person in the database, and uses sophisticated means to verify contact so that we know we have reached everyone we could.

To verify your emergency contact information, go to https://www.getrave.com/login/oregonstate. Sign in with your ONID login and password, and review/update contact information. It is recommended that you add a cell phone or other text-capable device to receive an urgent message if an incident is under way. Additional features are now available.

Student Photo Roster
Getting to know students is an important means by which instructors and advisors can improve the quality of the learning environment.

Accessing Student Photo Roster System:
1. Login to MyOSU at https://myosu.oregonstate.edu.
2. Under Update Personal Profile, select OSU Directory Preferences.
3. Check or uncheck the checkbox “Photo Viewable to Advisor”.
4. Check or uncheck the checkbox “Photo Viewable to Instructor”.
5. Click the “Submit Changes” button to update your Directory Profile.

To view your choices regarding opting in or out of the Student Photo Roster System, please view it online using the instructions above. Selecting the “opt in” option for instructors means that all instructors of record associated with the student’s current classes will be able to view the photograph.

Students can change their minds at any time.
**ID Cards & Student Info Online**

**OSU ID Card Provides Access**
All OSU students may obtain a student identification card.

**Corvallis Campus Students:**
Corvallis campus students must visit the ID Center (http://fa.oregonstate.edu/business-affairs/idcenter) in Memorial Union Room 103, after registering for classes at OSU. Photo identification is required (state-issued driver’s license or ID, passport, or military ID). The OSU ID card is your official identification for using campus services, facilities (door access) and activities, and is valid as long as you are registered for classes. It is scanned at many locations to verify registration. Your OSU ID card is your meal card if you live in university housing.

*MyCard* is the online card office where students can submit a digital photo of themselves for their initial ID card, view their OSU ID card balance and past card transactions, add money to their OSU Orange Cash account, set up “Donors” (contributors other than themselves), and deactivate or reactivate their lost OSU ID card. Orange Cash is the campus debit account used with your ID card for copies at the library and purchasing food on campus. Orange Cash is separate from the campus debit account used with your ID card for copies at the library and purchasing food on campus. **Ecampus Students:**
Students who are studying off campus may obtain their ID card as long as they are registered with OSU. They may request a non-photo ID card to be mailed to them by calling or emailing the ID Center any time after they have registered for classes, 541-737-2493, ID.Center@oregonstate.edu. Orange Rewards. See this website for more information on Orange Rewards.

**OSU Student ID card fees are as follows:**
- Student (original card, billed with tuition) $25.
- Card replacements $30.
- Affiliate (Spouse or Domestic Partner of a student) $30.

**ONID is Your OSU Network ID**
Every student is assigned an ONID account. You must activate your ONID account in order to register for classes.

To activate your ONID account, go to http://onid.oregonstate.edu and choose “Sign Up For ONID” in the upper-left hand column.

**ONID Email is the official communication link that the university uses to communicate with students.**

Use your ONID username and password to access email, online course materials, grades, and financial accounts. Among the services you may access are:
- ONID Email
- Canvas
- MyOSU
- Google Apps for OSU
- OSU’s Wireless Networks
- ResNet (campus dorm residents only)
- Computing Labs
- Interlibrary Loan

**ONID Support**
Support documentation and several video tutorials are posted at the Helpdocs website (http://oregonstate.edu/helpdocs/accounts/onid).

Phone and email support for ONID is provided by the OSU Service Desk, 541-737-3474 (http://is.oregonstate.edu/service-desk).

**Activate Your ONID Account**
Go to http://onid.oregonstate.edu and choose “Sign Up For ONID” from the upper-left hand column.

1. **Identify Yourself**
   - Enter your OSU ID Number
   - Set your birth date
   - Enter your first name
   - Enter your last name
   - Click “Submit”

2. **Read Acceptable Use Policy**
   - Read the acceptable use policy
   - Click “I Agree”

3. **Set Password**
   - Read the instructions and create a password that meets the restrictions
   - Enter your password twice
   - Click “Set Password”

4. **Set Alternate Contact Information**
   - Enter your cell phone number
   - Enter an alternate email address
   - Click “Submit.” This information will be used to contact you in the event that you forget your ONID password.

5. **Set Spam Blocking Options**
   - Verify that the default spam options are set

6. **You’re Finished**
   - You should now be on a page that says, “Your ONID account has been created!” Make a note of your ONID username, email address, forwarding address, if you set one, and the web address of your personal OSU web page.
   - You should also receive a confirmation email in your ONID inbox verifying the information displayed on the “Your ONID account has been created!” page.

**Student Life Policies and Regulations**
The Student Life Policies and Regulations are published separately fall term and include rules regarding academic integrity, conduct, living groups, organizations, vehicles, identification cards and policies on discrimination, records, speech activities, sexual assault, copyright, alcohol/drugs, workplace and public safety.

This information is available on the:
- OSU Student Conduct and Community Standards website http://studentlife.oregonstate.edu/studentconduct/
- OSU Dean of Students website http://studentlife.oregonstate.edu/

Regulations governing student identification cards may be found in this publication and are also available at the University ID Center, Memorial Union Room 103.
Online Student Authentication for Students Taking
Ecampus Courses
Oregon State University Ecampus may begin requiring online student identity verification for select Ecampus courses, and eventually all Ecampus courses.

Why implement online student ID verification?
Online student ID verification recreates the idea of a traditional school ID card and will help ensure the investment in your education by protecting the integrity of our programs and degrees, guarding against financial aid fraud and meeting or exceeding U.S. Department of Education regulations for Title IV financial aid eligibility.

How does it work?
If a course requires online student ID verification, a note will appear in the comments sections of the Course Catalog and the Ecampus Schedule of Classes indicating the requirement.
Identity verification may occur randomly throughout the term within your Canvas course, and may be embedded in quizzes, assignments, discussion boards or at any location in the course material.
Visit https://ecampus.oregonstate.edu/services/authentication/ for more information.
Or contact Ecampus at: Ecampustesting@oregonstate.edu; 541-737-9281.

Plan Your Schedule
Plan which courses to take for the term by meeting with your college advisor and using MyDegrees. You can also use Scheduler to help you compare schedules that will fit your various time commitments.

- **Scheduler:** Find it on MyOSU under Student Registration
- **MyOSU, Student Registration Tools:** ‘Look Up Classes’ https://myosu.oregonstate.edu/
- **General Catalog:** https://catalog.oregonstate.edu/

Scheduler
Scheduler is a web-based schedule planning tool for students and advisors. Some features of Scheduler:

- You can use Scheduler on a computer or mobile device.
- You can block off times in your schedule for commitments such as jobs, child care, or athletics. Scheduler won’t search for classes during times you note as “breaks.”
- You can compare and choose from multiple, side-by-side schedules of courses that are available for immediate registration.
- Scheduler is also connected to MyDegrees, allowing you to easily pull your active MyDegrees plan created with your advisor into your scheduling process.

See an FAQ for Scheduler here: http://registrar.oregonstate.edu/scheduler

Video tutorials for Scheduler are available in the Office of the Registrar’s website at http://registrar.oregonstate.edu/node/146/#SchedulePlannerHow-Tos.

Launch Scheduler through MyOSU, https://myosu.oregonstate.edu, click on “Student” tab. Under Registration Tools, click Scheduler.

Priority Registration: Phases 1 and 2
Priority registration has two phases. Students register in group time blocks based on their credits earned and in-progress. The more credits students have earned, the earlier they may register. Students may register in their assigned time block or any later time.

The two phases enable automated wait listing. Here is how it works for undergraduates:

- **Phase 1** allows registration in a maximum of 16 credits. No wait listing is allowed.
- **Phase 2** allows registration in a maximum of 19 credits plus a maximum of three wait listed classes.

Students may obtain registration times for phases 1 and 2 via their MyOSU account. Click on the Student tab and under Registration Tools, select View Priority Registration Status. Or see the priority registration tables in the Office of the Registrar’s website, http://registrar.oregonstate.edu/priority-registration.

Registration Priority by Student Status

- Disability Access Services (DAS) approves priority registration for students with disabilities on a case by case basis.
- Graduate and professional students will be able to register at the beginning of priority registration.
- Postbaccalaureate students will be able to register after undergraduate seniors.
- Athletes and Honors College students are provided with priority time slots to accommodate their special scheduling needs.
- Veterans who submit appropriate documentation are eligible for priority registration. Visit the veteran priority registration page for more information, http://registrar.oregonstate.edu/veterans-priority-registration.

Registration: When & How to Register

**Registration PIN from Advisor**
All degree-seeking undergraduates (including postbaccs) must have a Registration PIN to register for classes. Registration PINs are provided by colleges at the time of advising. Graduate students and nondegree students are not required to have registration PINs.

**Registering by WEB**
Registration tutorials on adding, dropping, and waitlisting courses are available on the Office of the Registrar’s website at http://registrar.oregonstate.edu/node/146/#RegistrationVideos.

1. Check Eligibility to Register table above or in the Registration Information Handbook to see if you are eligible to register.
2. Obtain your Registration PIN number from your college advisor. (Not required for nondegree students.)
3. Log in to MyOSU at https://myosu.oregonstate.edu. Enter your ONID name and password and click Login.
4. Obtain your registration times for phases 1 and 2: Click on the Student tab, and under Registration Tools select View Priority Registration Status and follow the directions.
   **OR:** Consult the Priority Registration schedules at http://registrar.oregonstate.edu/priority-registration to find out when you may register.
5. Use Registration Tools to register. Follow the online instructions to complete your registration.

**Caution:** Do not wait until the last minute to process registration changes via the Web. Although generally available 24 hours per day, the Web online registration system is always down from 11:55 p.m. Friday until 7 a.m. Saturday. If you wait until 10 p.m. or later on a Friday night, you may encounter “system unavailable” messages or busy signals due to many people trying to use the system at the same time.

**Registration Confirmation**
You may confirm your schedule and print a copy of your schedule by logging in to MyOSU at https://myosu.oregonstate.edu, select the Student tab and under My Student Stuff, click on ‘My Class Schedule’.

**IMPORTANT:** Course offerings, course times and locations, and other important information related to courses may change. The online Schedule of Classes on the OSU website always has the latest information. Click on Schedule of Classes, https://catalog.oregonstate.edu/course-search/.

**General Access PIN (GAP)**
A GAP is a 6-digit access number initially assigned to each student by the Office of the Registrar. Your initial GAP is your birthdate (month, day, year). For example, if your birthdate is April 3, 1999, your GAP will be 040399. The GAP is your Personal Identification Number used to access student information available through BANNER and the World Wide Web. Your initial birthdate GAP will expire upon your first entry into the information systems. You must then choose a new GAP, other than your birthdate. You also have the option to enter some additional information about yourself to use as a prompt should you forget your GAP and need to obtain a new GAP. You may also contact the Office of the Registrar, 541-737-4331, B102 Kerr Administration Building, if you forget your GAP.
Registration Changes

Registration and Schedule Changes Before Classes Begin
You may register or change your schedule on the Web at any time after the priority registration schedule and before the first day of classes. Web registration generally is available 24 hours a day, except Friday evening from 11:55 p.m. to 7:00 a.m. Saturday morning.

Second Week Add Procedure
1. Contact the department offering the course you want to add.
2. If the department grants you permission, find a computer and register for the course.
3. You must type the CRN into the box provided beneath the courses for which you currently are registered, and hit the submit button.

You should not select the course from the class search.
Automated second week adds will be available beginning midnight of Sunday of the second full week of classes.
Registration Cancellation & Withdrawal

Withdrawal from the Term
Beginning with the first day of the term to Friday of Dead Week, you may withdraw from the term by completing the online withdrawal survey available through the Office of the Registrar’s website at http://registrar.oregonstate.edu/withdraw-term. Students may withdraw from the term for any reason prior to the beginning of finals week. See Academic Regulation 13 for details. See the Tuition/Fee Reduction and Refund Schedule in the Fees and Fee Payment section for information on the financial implications of withdrawing from the term.

Summer Term Withdrawal
Students may withdraw from any courses during Summer term provided they meet the appropriate session deadline to withdraw posted in the Summer Session website at http://summer.oregonstate.edu/calendar/register/deadlines.htm. Summer Session students do not need to complete a Withdrawal Survey. Withdrawing from a summer course uses the same procedure used in the other terms:

1. Login to MyOSU,
2. Click on the Student tab,
4. Select the term, enter your PIN number, click Submit.
5. Select the course you want to withdraw from in the drop-down box.
6. Click the Submit button at the bottom of the page. The page will reload.
7. Scroll to the bottom to verify that you have withdrawn from the course. The course status column will show “Withdrawn” and the date of the transaction.

A student who remains enrolled in a course(s) after the Last Day to Withdraw deadline for a session is responsible for completing the course(s) in that session and is not eligible for a term withdrawal for the Summer term. A student who has dropped/withdrawn from all Summer session courses in accordance with posted deadlines will be considered as having withdrawn from the term. Term withdrawal processing will be completed by the Office of the Registrar at the conclusion of the Summer term. Note: Withdrawals resulting from a term withdrawal (as defined in Academic Regulation 13) do not count in the undergraduate 12-class withdrawal limit specified in Academic Regulation 12.

Note that withdrawal from the term does not disqualify you from registering for the next term. If you have any questions, contact the Office of the Registrar, 541-737-4331, B102 Kerr Administration Building.

Registration Cancellation/Withdrawal from the Term
Your act of registering constitutes your commitment to attend Oregon State University. As a university student, you are both academically and financially responsible for all classes in which you register.

If you want to cancel this commitment and reduce or eliminate tuition charges for the term, you must officially cancel your registration or withdraw from the term (See the Tuition/Fee Reduction Schedule in Tuition and Fees, Drop/Withdraw Refunds section). Failure to pay tuition or to attend classes does not constitute official withdrawal. Students who simply stop attending classes are financially liable for all charges, and may also receive grades of U, N, or F depending on departmental policy.

Registration Cancellation
Prior to the first day of the term, you may cancel your registration using the Web registration system at no charge.

Caution: Do not wait until the last minute to process registration changes via the Web. Although generally available 24 hours per day, the Web online registration system is always down from 11:55 p.m. Friday until 7 a.m. Saturday. If you wait until 30 p.m. or later on a Friday night, you may encounter “system unavailable” messages or busy signals due to many people trying to use the system at the same time.

Undergraduate Planned Educational Leave Program (PELP)
Students may find that a planned interruption or pause in their regular, full-time education is needed. PELP is designed to enhance the prospect of successful completion of an academic program by allowing a student to arrange a voluntary absence that temporarily suspends their academic work for a period of time. For detailed information please refer to Academic Regulation 13.
Registration Procedures & Details

Access for Persons with Disabilities
Students with disabilities who need help with Office of the Registrar’s services offered through MyOSU or Online Services should contact the Office of the Registrar in B102 Kerr Administration Building, 541-737-4331 or email registrars@oregonstate.edu.

The Office of the Registrar and Disability Access Services will make arrangements for classes in accessible locations.

To obtain this publication in alternative formats, please call 541-737-4331 or email registrars@oregonstate.edu.

Auditing Courses
Audit registration permits a student to enroll in a course for no credit and no grade. Course requirements for an audited course will be determined by the course instructor. Audit registration is available for degree-seeking and nondegree-seeking students. The audit registration period runs Monday through Friday of the second full week of classes. See the Academic Calendar for the Audit Registration period.

Students wanting to audit a course must bring a completed Audit Registration form with the instructor’s permission to the Office of the Registrar for registration (http://registrar.oregonstate.edu/forms). Audit registration is not done online.

Audit courses are assessed instructional fees at the same rate as credit courses. Any changes to an audit registration are subject to the same procedures, deadlines, and special fees as registration changes to regular courses. Upon completion of an audited course, the designation of “WAU” will be recorded on the transcript. The designation of “AUD” will be recorded on the transcript for students who withdraw from an audited course.

Changing Grading Options [S/U, A–F]
All courses registered via the Web are given the A–F or P/N grade option as appropriate. Any changes of the A–F option (to S/U) are done in person at the Office of the Registrar after completing the appropriate forms. The deadline for these changes is the end of the 7th week of classes.

Closed or Cancelled Courses
When you register on the Web, classes that are closed or canceled will be noted in the “Look-Up Classes to Add” results. We encourage you to have a few alternate courses or sections in mind so that you can complete your registration, or you may try Web registration again at a later time (before the term) to add the closed class.

Course Restrictions
Enrollment in some courses is restricted by class or major or college or level or alpha sections. If you do not satisfy the course restrictions, Web registration will explain the reason you did not receive the course selected. Generally speaking, departmental requirements on course restrictions are firm. However, if you think your registration merits an exception, please contact the course departmental office. See Registration Restrictions in the How to Read the Schedule section.

Departmental Approval of Registration for Courses
Some courses require departmental approval (See the schedule of classes section labeled “Restrictions”). Contact the appropriate department or school to obtain approval prior to registering. The department or school will not register you for the class, but will electronically authorize you to register for the course. You will then need to register for the course on your own.

Holds
Students with registration holds will not be permitted to register until holds are cleared. Registrants are informed of holds and are referred to appropriate departments and offices.

Lectures/Labs/Recitations/Studios [Multi-Part Courses]
If a course lecture is “linked” to a noncredit laboratory or recitation or studio, you must register for all parts of the course. Web registration will not permit you to register for one part without the other. Likewise, you may not drop only one part of a “linked” course; if you do so, the other part will be dropped automatically. If you want to change one part of a multi-part course, you should drop the part and add a new part at the same time before processing your requested changes. Be sure to process the request after specifying the drop and the ad

Major and Minor Changes or Declarations
To change or declare a major or minor, students must complete an Undergraduate Change of Academic Program form available at head advising offices, the Registrar’s website under forms, http://registrar.oregonstate.edu/forms, or in MyOSU, select Student, then in Student Academic Services, see Forms and select Registrar.

It is essential for students to keep their major and minor information current.

Maximum Credit Loads
Undergraduates may register via the Web for up to 19 credits and graduates up to 16 credits. Additional credits may be added, within the guidelines of the academic regulations, by going to the Office of the Registrar.

Open Courses, Open Sections
Available classes can be found by using the “Look-Up Classes to Add” feature of Web registration. Open and current-to-the-minute section availability also can be checked through the Schedule of Classes, https://catalog.oregonstate.edu/course-search/.

Prerequisites
Prerequisite courses provide the background necessary for successful performance in a course. The university uses an automated check of students’ records—including transfer work—at the time of registration to determine whether students have successfully completed the prerequisites for certain courses.

The online schedule of classes lists prerequisites in the “Restrictions” section, which lists all registration restrictions for the class. The online catalog also lists prerequisites in the course descriptions.

All prerequisites are required.
Prerequisite checking applies to all students regardless of their level, class rank, or college.
You will be permitted to register only if you have satisfactorily completed or are currently enrolled in the prerequisites for that course. Satisfactory completion may be:

- A D– grade or higher, or an S or P grade.
- A test score in the prerequisite. Some chemistry, mathematics, and foreign language courses require a placement test.
Registration Procedures & Details

- Accepted transfer work that is considered equivalent to the prerequisite course.
- Prerequisites will be enforced after grades are processed and students can be disenrolled for not meeting the prerequisites. Note that you must also meet any other restrictions that the department has placed on the course.

If you have not completed and are not registered for the prerequisite, then you will receive a prerequisite error message when you try to register. You may ask the department offering the course to consider giving you an override for it, which will allow you to register for the course without having first met the prerequisites. If the department declines to give you an override, then you must take the prerequisite in order to register for this course.

Time Conflicts
Web registration will not permit you to schedule two on-campus classes that meet at the same time. If, however, you want to schedule two time-conflicting courses, register for the first course by Web. You will need to obtain a Time Conflict Override Request from the Registrar’s website at http://registrar.oregonstate.edu/forms. This form is also available in MyOSU at https://myosu.oregonstate.edu. Fill it out and obtain signatures from the instructors of each affected course. Then take the form to the department office from which you need the override. Once you have received the override, you can register for the second course using the Web.

Variable Credit Courses
If a course is taught for variable credits, for example, 1 to 16 credits, Web registration will prompt you to enter the correct number of credits for which you wish to enroll. If you need to change that number later, you may do so via the Web.

Transfer of Academic Colleges
If you wish to transfer from one OSU college to another, please do so prior to registration. You can obtain the form from your head advisor, from the Registrar’s home page at http://registrar.oregonstate.edu/forms or MyOSU at https://myosu.oregonstate.edu. Print out and complete the Undergraduate Change of Academic Program form for undergraduates and postbaccs. Approvals are required.

Transfer Work
If you have transfer credits that you have not yet submitted to OSU, you need to submit official transcripts to the Admissions Office at least four weeks prior to registration opening. Transfer credits are included in your earned credits used in part to determine your priority registration time.

Variable Credit Courses
If a course is taught for variable credits, for example, 1 to 16 credits, Web registration will prompt you to enter the correct number of credits for which you wish to enroll. If you need to change that number later, you may do so via the Web.

Wait Listing
In Phase 2, waitlisting will be in effect—but only for certain sections selected by the departments. Look at the online Schedule of Classes, https://catalog.oregonstate.edu/course-search. You will see that some sections have waitlisting numbers listed just between the enrollment numbers and the section title.

When you try registering for a closed class, you now can add your name to an automated waitlist. (Note: Not every section has waitlisting.)

1. Type the CRN into the registration worksheet and click Submit.
2. Use the action column to choose waitlist.
3. Then, click Submit again to add yourself to the waitlist.

Monitor your ONID email account. When an opening becomes available you will receive an email directing you to return to your registration and enroll in the course within the designated 24-hour window. If you do not enroll in the course within 24 hours you will be removed from the waitlist. At the time of registration, the system will check for registration errors (Time Conflicts, Duplicates, and Link Errors). If you have a registration error, you must resolve it and enroll within the 24 hours or you will be removed from the waitlist and the available seat will be passed on to the next student on the waitlist.

Waitlisting remains active through Sunday midnight at the beginning of the second week of classes. If you are on the waitlist at this time, you are not registered in the course and should begin the second week add process if you still wish to be enrolled in the course. You do not need to drop or withdraw yourself from the waitlist at this time.
How to Read the Schedule of Classes

Courses in the Schedule of Classes are arranged alphabetically and numerically by course designator or subject code. For example, ENG for English, MTH for mathematics.

Schedule of Classes Terms and Abbreviations

Avail = Remaining seats available

Baccalaureate / WIC Courses
All Baccalaureate core classes (BCC) in the Schedule of Classes have an asterisk "*" in the title. The course description also contains the note, "(Bacc Core Course)".
All writing intensive course classes (WIC) have a carat "^" title. The course description also contains the note, "(Writing Intensive Course)".

Campus
Ecampus - Distance Ed = An Ecampus course. Additional abbreviations may follow indicating a specific location or course level.
Oregon State - Cascades = OSU Cascades Campus in Bend, Oregon
Oregon State - Corvallis = Corvallis Campus
Newport/HMSC = Hatfield Marine Science Center in Newport, Oregon
EOU = OSU courses taught at Eastern Oregon University in LaGrande, Oregon

Cap = Seating Capacity

Curr = Current Enrollment

Comments
Special instructions, textbooks required, etc.

Courses with Labs/Recitations/Studios
If a course lecture is "linked" to a noncredit lab or recitation or studio, you must register for all parts of the course. Web registration will not permit you to register for one part without the other. Likewise, you may not drop only one part of a "linked" course; if you do so, the other part will be dropped automatically. If you want to change one part of a multi-part course, you should drop the part and add a new part at the same time before processing your requested changes. Be sure to process the request after specifying the drop and the add.

Course Numbers
100/200 = Lower Division, Undergraduate
300/400 = Upper Division, Undergraduate
500 = Graduate, primarily Master's
600 = Graduate, primarily Doctoral
700 = Professional, DVM, PharmD
800 = In-service courses for practicing professionals

CRN
The unique Course Reference Number identifying each class.

Cr = Credit
All credits listed in the Schedule of Classes refer to quarter credits. If a course is taught for variable credits, for example 1–16 credits, Web registration will prompt you to enter the correct number of credits for which you want to enroll. If you need to change that number later, you may do so via the Web.

Day/Time/Date
Days of the week are abbreviated as follows:
M = Monday
T = Tuesday
W = Wednesday,
R = Thursday
F = Friday
S = Saturday
TBA = To Be Announced
All times shown in this publication are on the basis of the 24-hour clock. Times past noon have 1200 added, e.g., 2 p.m. = 1400.

End Date
Last day of classes before finals week.

Fees
A list of course fee codes, their description, and the fee amounts are listed in the online catalog under Tuition, Fees and Payment at https://catalog.oregonstate.edu/fees-residency-requirements/.

Instructor
Name of instructor or staff. See faculty information at https://catalog.oregonstate.edu/.

Location
See the campus map at https://map.oregonstate.edu/ for building abbreviations and locations. Or see the campus map at the back of the Registration Information Handbook.

Meeting Time
Days of the week are abbreviated as follows:
M = Monday
T = Tuesday
W = Wednesday,
R = Thursday
F = Friday
S = Saturday
TBA = To Be Announced
All times shown in this publication are on the basis of the 24-hour clock. Times past noon have 1200 added, e.g., 2 p.m. = 1400.

NSHD
No-show-drop will appear in the Comments column. A student who is registered for such a course who attends no meetings of the course during the first five school days of the term will be dropped from the course by the instructor, unless the student has obtained prior permission for absence. See Academic Regulation 9b, at https://catalog.oregonstate.edu/regulations/.

P/N = Pass/No Credit
A class is graded A–F unless P/N appears, in which case Pass/No Credit grading applies.
All courses registered via the Web are given the A–F or P/N grade option as appropriate. Any change of the A–F option (to S/U) is done in-person at the Office of the Registrar after completing the Change of Grading Basis form. The deadline for these changes is the end of the 7th week of classes. See the Academic Calendars.

Restrictions
Prerequisites, corequisites, limitations to registration. See Restrictions below and prerequisites at https://catalog.oregonstate.edu/course-search/.

Sec = Section
Section Title
Seminars, special topics, blanket courses and others may have course subject section titles.

Section Description
Description of what the topic covered.

Session
Summer term sessions, e.g., 8-week session.

Start Date
First day of class.

Status
Whether the section is open, closed, waitlisted or cancelled for registration.
How to Read the Schedule of Classes

The method of instructional delivery. Examples:
Lecture
Laboratory
Recitation
Seminar
Studio
Hybrid (a combination of online and classroom)
Online
Weeks
Number of weeks in the term or summer session.
WL Avail = Seats available on waitlist
WL Cap = Waitlist capacity
WC Curr = Students currently on waitlist

Registration Restrictions

Prerequisites
Prerequisite courses provide the background necessary for successful performance in a course. The university uses an automated check of students’ records—including transfer work—at the time of registration to determine whether students have successfully completed the prerequisites for certain courses.

The online schedule of classes lists prerequisites in the “Restrictions” section, which lists all registration restrictions for the class. The online catalog also lists prerequisites in the course descriptions.

All prerequisites are required.
Prerequisite checking applies to all students regardless of their level, class rank, or college.
You will be permitted to register only if you have satisfactorily completed or are currently enrolled in the prerequisites for that course. Satisfactory completion may be:
• A D– grade or higher, or an S or P grade.
• A test score in the prerequisite. Some chemistry, mathematics, and foreign language courses require a placement test.
• Accepted transfer work that is considered equivalent to the prerequisite course.
• Prerequisites will be enforced after grades are processed and students can be disenrolled for not meeting the prerequisites.

Note that you must also meet any other restrictions that the department has placed on the course.

If you have not completed and are not registered for the prerequisite, then you will receive a prerequisite error message when you try to register. You may ask the department offering the course to consider giving you an override for it, which will allow you to register for the course without having first met the prerequisites. If the department declines to give you an override, then you must take the prerequisite in order to register for this course.

Departmental Approval
Special approval is required for this course; the student requests an “override” from the department teaching the course, and then the student registers for the course.

+/-
+ indicates “only.” For example, under class limitation +1 means only freshmen, – indicates “no.” Under college limitation, –1,7 means no students from College of Agricultural Sciences or the College of Pharmacy may register.

AL=Alphabetic Sections [Alpha sections for WR 121]
WR 121 course sections have registration limitations determined by the first letter of the student’s last name. These are marked in the comments or restrictions column with the following codes:
• AL+AG = Students whose last names range from A to G may register that term.
• AL+HN = Students whose last names range from H to N may register that term.
• AL+OZ = Students whose last names range from O to Z may register that term.

CL=Class Standing

LV=Level
01 = Undergraduate
02 = Graduate students
03 = Postbaccalaureate students
04 = Nondegree and Credential
05 = Professional students
How to Read the Schedule of Classes

Major Restrictions/Major Code Descriptions
Some courses are restricted to students enrolled in particular majors. Numerical codes of the majors students are restricted to are noted in the Restrictions section in the online Schedule of Classes.

Course Numbering System
Throughout state universities in Oregon, courses follow this basic course numbering system:

- **000NC–099NC.** Noncredit courses offered by INTO OSU.
- **0–99.** Noncredit or credit courses of a remedial, terminal, or semiprofessional nature not applicable toward degree requirements.
- **100–299.** Undergraduate, lower-division courses.
- **300–499.** Undergraduate, upper-division courses.
- **500–599.** Graduate courses offered primarily in support of a master's degree but which are also available for doctoral level credit. Undergraduates of superior scholastic achievement may be admitted on approval of the instructor and department head, and they may apply to reserve these courses for later use on a graduate degree program.
- **600–699.** Graduate courses offered principally in support of doctoral level instructional programs but also available for master's program credit.
- **700–799.** Professional or technical courses that may be applied toward a professional degree (such as DVM or PharmD) but not toward other graduate degrees (such as PhD).
- **800–899.** In-service courses aimed at practicing professionals in the discipline. These courses may not be applied to graduate nor professional degree programs.
Key to Success: Academic Advising

Academic Advising on the Web:
https://catalog.oregonstate.edu/advising/

Academic Advising
OSU recognizes that quality academic advising is integral to the academic development and well-being of students. Quality academic advising includes both the prescriptive elements of advising (assisting with course selection, maintaining curriculum checklists, tracking degree progress and completing degree audits, etc.) and the developmental aspects of advising (major and career decision making, integration in campus and academic cultures, assistance with and referrals surrounding issues affecting a student’s academic success, etc.).

Revised Chemistry Articulations

Change in General Chemistry Articulations
Effective Fall 2007
Chemistry at the 100 level (CH 104, 105, 106 or CH 121, 122, 123) will no longer be equivalent to CH 121, 122, 123 at OSU with the following exceptions:
CH 121, 122, 123 at Chemeketa, Linn-Benton, and Treasure Valley Community Colleges will still be equivalent to CH 121, 122, 123 at OSU.

These changes are being made because the topics and level of coverage in the 100-level sequences do not match the CH 121, 122, 123 sequence at OSU. The CH 104–106 sequence typically is based on a general/organic/biochemistry (GOB) textbook rather than a traditional general chemistry textbook.

The above 100-level courses do transfer to OSU as lower-division chemistry (LDT CH) credits and will fulfill the OSU baccalaureate core requirement for physical science courses.

A 100-level, one-year chemistry courses sequence from a community college that does not articulate to OSU as CH 121, 122, 123,
1. is not allowed as a prerequisite for organic chemistry at OSU (CH 331 or CH 334)
2. does not fulfill the OSU chemistry minor requirement of one year of general chemistry
3. usually will not fulfill the requirements for a major that requires a one-year general chemistry sequence.

Students should contact the academic advisor in their major field of study at OSU if they have any questions about what will be accepted. General questions can be directed to Dr. James Ingle, Department of Chemistry, at 541-737-6743 or james.ingle@oregonstate.edu.

See the chart below with new articulations effective fall 2007. (Bold indicates changes.)

Footnotes:

a LDT CH indicates that one or more of the courses in the sequence transfer with no equivalent OSU number. These courses transfer as lower-division transfer (LDT) chemistry (CH) credits with the course title and credits being the same as the original CC course. Bold indicates a change from before 2007.
b The articulation for organic chemistry is only valid if the entire sequence is taken at the CC and transferred because there is not a direct correspondence between individual courses. If only CH 241 is taken at the CC and transferred, a student must start with CH 331 at OSU. If only CH 241 and 242 are transferred, a student must still take CH 332 and CH 337 to complete the non-majors organic sequence at OSU.

c Because the lectures and labs are separate courses with specific course numbers, all three labs and all three lectures must be taken so that the articulation to OSU is CH 331, 332, 337. This requirement also applies to the policy of obtaining upper-division credit based on the ACS exam. Note that the articulation of the lectures is LDT CH + CH 331 + CH 332. A student who completes the lecture sequence but not the labs can enroll in CH 337 at OSU.
d Lower-division courses that meet upper-division requirements will be represented as CH LDT. The courses may be applied to prerequisite checking through My-Degrees but do not count as upper-division credit for Academic Regulation 25 c.1.

For further information on OSU articulations, consult the OSU Articulation Tables for Oregon schools at https://admissions.oregonstate.edu/course-articulations and the OSU Department of Chemistry advising Web at http://chemistry.oregonstate.edu/content/transferring-osu.

Placement of Students

Second Language Assessment
Students with previous training or experience in a second language who do not have advanced placement or college credit are required to take a Second Language Assessment before enrolling in a language course. There is an online placement test for Chinese, Russian, French, German and Spanish and these online, self-proctored exams can be taken at any time. No proctor is required. To request access to the placement exam contact the main office of the World Languages and Cultures Program, 210 Kidder Hall, 541-737-2146 or helen.wilhelm@oregonstate.edu. Students will need to provide their OSU ID number.

Students without previous training or experience in a second language are highly encouraged to start their second language requirement in their freshman year as only a limited number of seats are available and courses fill quickly. World Languages cannot guarantee accommodation and on-time graduation for students delaying the completion of their language requirement.

Ecampus students may contact Helen Wilhelm in World Languages and Cultures, helen.wilhelm@oregonstate.edu, for information, a testing link, and access code. You will need to provide your OSU ID. If you do not know your OSU ID number, please contact Ecampus Student Services, ecampus.success@oregonstate.edu.

Mathematics Assessment and Placement
All first-year Corvallis campus students must take the ALEKS Mathematics Placement Test prior to START (new student orientation and advising). Transfer students and Ecampus students should consult with their academic advisor to determine their course placement and testing requirements. Information on the ALEKS Math Placement Test and an explanation of placement scores are available at http://math.oregonstate.edu/mlc-placement-home.

Please consult with your academic advisor for the appropriate mathematics courses for your degree program. Descriptions of mathematics courses are given in the OSU General Catalog, https://catalog.oregonstate.edu/courses/mth/.

Please note:
- At the Corvallis campus, MTH 065 is only offered through OSU Extended Campus.
- Beginning in Summer 2018, MTH 095 will no longer be offered at OSU or by OSU Extended Campus. Students who place into MTH 095 should take MTH 103, which is offered on the Corvallis campus and by OSU Extended Campus.

A Week-By-Week To-Do List for the Term

The terms at Oregon State University move very quickly. Ten weeks of classes, and you find yourself facing finals week. Successful students are ones who stay on top of all of the little details. Here’s a list you can follow to enhance your chances of success. You can find an academic calendar with specific deadlines for each term at the Registrar’s web page: http://registrar.oregonstate.edu/.

Week Zero

(Before the term starts)/Welcome Week (Fall Term)

• Print out your detail schedule. You can get it by logging into the MyOSU portal page: http://myosu.oregonstate.edu - Go to the “Student” page and look for the “My Class Schedule” link under “My Student Stuff”. Make note of where each class meets and the name(s) of your instructor(s).
• If you can, purchase your textbooks before your classes start. That way you’ll be ready for the first reading assignment, which is likely to be assigned the first class.
• Check to make sure your OSU email account is active and working. It is a primary mode of communication for the university. If you’ve forgotten how to access your email, just login to the MyOSU portal; you’ll see a link to ONID Email in the upper right corner of the page.
• Buy a planner or use an electronic calendar- write down known responsibilities (class times, work schedule, recurring activities). Need a template? Check out The Learning Corner: http://success.oregonstate.edu/learning/all-worksheets.
• Find all of your classrooms, so you know where you are going the first day of classes. In Fall Term, classes will begin in the middle of Welcome Week, so make sure to check out the Week One list below as soon as classes start.

Week One

• Check Canvas (you can find a link on the “Student” page of the MyOSU portal) to see your courses that are using Canvas tools as part of the class.
• Have you purchased your books yet? If textbook cost is an issue for you, check at the library as some instructors put copies of their texts on reserve there for students to access or the library may have access to digital copy. The Human Services Resource Center also has a textbook lending program - http://studentlife.oregonstate.edu/hsrc/textbooks.
• Go to all your classes. Don’t buy into the myth that the first class isn’t important. Every class is important, especially in the quarter system where we only have ten weeks!
• At the first class, you will likely get a syllabus. Review this document thoroughly. You can use it to help you:
  ▪ Write in your planner when assignments are due and tests are scheduled.
  ▪ Establish a regular reading and study schedule for all of your classes. For strategies, check out The Learning Corner site at http://success.oregonstate.edu/learning or stop by the Academic Success Center in 102 Waldo.
• Learn your professor’s and TA’s name and office hours.
• If you make schedule changes, do so as soon as you can this week, so you do not have to make up a lot of missed class time. Check here for info and deadlines on add/drop: http://registrar.oregonstate.edu/registration.

Week Two

• You’ve gone to every class, right? If you haven’t already, try sitting in the front of the classroom to minimize distractions.
• Hopefully by now you are checking your ONID email account on a daily basis. If not, it is time to start.
• Check Canvas on a daily basis. This week, look for any course sites and materials that were not posted last week.
• Get contact information from at least one other student in each of your classes. Not only do you have a resource if you ever have to miss class, but the two of you could connect with other students to form a study group.

Week Three

• 20% of the term is in your rearview mirror! Review your syllabi and start your preparation for midterms. You should also get a start on projects or papers that might be due later in the term.
• Keeping up on your reading? Struggling at all with note taking? Any issues in completing all your homework? Don’t let small problems early in the term become big problems later in the term! Visit The Learning Corner site (http://success.oregonstate.edu/learning) or the Academic Success Center (ASC) in 102 Waldo Hall to get help.
• Identify a question or concern you have about each class after the first few weeks and make it a point to visit your professor during office hours. It is a good way for you to get to know them, and more importantly a good way for them to put your face to your name on their roster. It also shows them you care about your learning.

Week Four

Don’t be surprised if your first midterms are happening this week (maybe you even had some last week). In fact, you may even have multiple midterms in a single day. Scheduling your studying in advance helps you minimize your stress on days and weeks where you may have more than one exam.

Look Back: The first exam always gives you a chance to do a critical evaluation of yourself and your term thus far. Being a full-time student, in terms of time investment (class time, reading, studying, and project time), equates to a full-time job. Are you performing the way you want? If not, visit your advisor or the ASC to strategize on how you can do better.

Week Five

Look Forward: Very soon, you and your advisor will be planning for next term. Understand that whether your advisor is a professor or professional advisor, this individual has a very full schedule. Scheduling an appointment now assures that you will get in to see your advisor before priority registration starts later in the term. If you need an external trigger to help you remember, use Halloween (fall term), Valentine’s Day (winter term), and Cinco de Mayo (spring term) as target dates for advising appointments. It is wise to see your advisor every term, even if your specific academic major doesn’t require it. You can prepare by using the Planner tool in MyDegrees (OSU’s degree audit system) to develop your academic plan.

It is important for all students to balance their academic lives with meaningful activities outside of the classroom. How are you spending your time when you are not in class or studying? Have you joined any clubs or organizations? Are you meeting new people and are you getting experiences that your classes don’t offer? You can learn about many of the available student activities at OSU by visiting the Student Experience Center or by going to http://sli.oregonstate.edu/.
Zero to Success in 77 Days: Corvallis

Week Six - 50% of the term is gone!

Have you made that advising appointment yet?

During week three, we recommended a visit to your professor during office hours. It is good to do that again this week. Possible topics of discussion could again include concepts you don’t understand or questions you have, but by this time, you may have graded material from the class. It would be good to review that graded material face-to-face with the professor or your TA, especially if you didn’t perform well.

Week Seven

- **The first phase of Priority Registration for next term starts next week.** During Phase 1, you can register for up to 16 credits. Remember you should see your advisor prior to priority registration. You can learn your priority registration date by logging into the MyOSU Portal, going to “Student Page”, finding the “Registration Tools” box and then clicking the “Check Your Registration Status” link. In that same box, you’ll find the Scheduler tool, which you can use to start visualizing possible days and times for classes that interest you.

- **With registration on the horizon, you should look to see if you have any holds that might impede your registration.** To do this, log into the MyOSU portal, go to the “Student” page, and look under “My Student Stuff” on the left hand side. You will find a link to “View Holds”.

- If your class has a second midterm, it is probably happening this week or next. Are you prepared? Consider what worked or didn’t work on your first exam and how you might improve your performance on this exam.

- Friday of this week is the deadline to withdraw from a class (11:55 p.m. online) or change from letter grading to S/U grading (5:00 p.m. at the Registrar’s office - Requires an advisor signature on an S/U form). If these terms and policies are confusing to you, consult with your advisor or take a look at Academic Regulations 12 and 18 at this website: https://catalog.oregonstate.edu/regulations/. Note that Withdrawing from a class can potentially cause a change in your registration time and day.

Weeks Eight and Nine

- **Look Back:** This is another good time for self-assessment. Are you sticking to your study plan? Are you caught up on reading? How are those final papers and projects coming? Are you getting enough exercise and sleep? Are there any habits you want to adjust going into the last two weeks of the term?

- **Starting in week nine,** you receive notice that you are able to complete evaluations of your classes and instructors online. It is important for you to complete these evaluations. Your instructors really appreciate your feedback!

Week Ten [Dead Week]

- Phase 2 of priority registration usually starts sometime this week. You can add to your original 16 credits, and you can add your name to a wait list for a class if the department has made one available. To learn how to wait list, check out this site: http://registrar.oregonstate.edu/waitlisting-courses.

- **Look Forward:** Get yourself ready for finals week which begins next week. If you haven’t done so already, write down the time and location of all of your finals. This information should be on your syllabus, and you can also find it by going to this website: http://registrar.oregonstate.edu/exams. Regardless, you should confirm the information with your instructor to make sure nothing has changed. As you did with your midterms, develop a study schedule and plan ahead for how you might negotiate the stress of having more than one exam on one day.

- **Final labs, papers, and projects are often due this week.**

Finals Week and Beyond

- **Prepare yourself to handle the logistics of finals.** Your professor may require you to purchase a blue book or a scantron form from the bookstore. Make sure you have that along with pens, pencils, and anything else you might need for the exam.

- **Show up to your finals 5–10 minutes early** to give yourself a chance to get settled and relaxed before your exam.

- As your instructors finish their grading, they will post your final grades to Student Online Services system. All grades are due the Monday after finals week. Your term GPA will be calculated and your cumulative GPA will be updated by Wednesday after finals week. **Make sure you look at your grades** by viewing your transcript on the “student” page of the MyOSU portal.

- **Good students will always seek clarity on a grade if it was lower than expected.** Many instructors use the grade book function of Canvas, so you can see how you were graded on each assignment. If you have questions, follow up with your instructors as soon as you can to get clarity on your grades.

**KEEP UP THE GOOD WORK – START AGAIN NEXT TERM AT THE TOP OF THE OTHER SIDE!**

A Week-By-Week To-Do List for the Term for Online Learners
An academic term at Oregon State University moves very quickly. Ten weeks of classes — 77 days — and you find yourself facing finals week. Successful students are ones who stay on top of all of the little details. Here’s a list you can follow to enhance your chances of success.

Quick List Resources – you will see these referenced again, below:
- MyOSU Portal for MyDegrees
- Ecampus Student Services
- Canvas
- Technical Help
- Proctored Exams

Week ZERO [before the term begins]
- Check to make sure your ONID account is active and working (if you haven’t already by logging into Canvas). ONID is a primary mode of student identification for the university. If you haven’t signed up for ONID yet, visit the ONID Homepage and follow the “Sign Up for ONID” link on the left hand side of the page.
- Print out your “detail schedule” from your account in Student Online Services. Make note of your classes, the name(s) of your instructor(s), and review the sample syllabus found as a link in the course schedule until you have access to the current term syllabus for each course.
- Visit the Academic Calendar to make sure you stay organized throughout the term. Here, you will find the first day of the term, finals week dates and important dates such as the last day to add or drop classes.
- It’s not the most entertaining reading, but you should bookmark the complete list of OSU’s Academic Regulations to refer to as you need to throughout the term.
- If you can, buy your textbooks before your classes start. That way you’ll be ready for the first reading assignment, which is likely to be assigned immediately in the materials for the first week of class.
- Canvas is OSU’s Learning Management System (LMS). Login and become familiar with Canvas’s dashboard, and take a guided tour if you’re interested.
- Periodically check Canvas to find out if any of your classes have been activated prior to the start of the term. When they become available you have a great opportunity to get familiar with each course and its layout, any materials you have access to prior to the first week, etc.
- Buy a planner or adjust your current time management system to make room for your new academic responsibilities. Plan time to balance all of your known commitments (work schedule, recurring activities and meetings, time you have for class requirements and study time).

Week ONE
- Check Canvas to see a complete listing of the courses you are signed up to take. If any classes are missing from your list, contact Ecampus Student Services (ecampus@oregonstate.edu or 800-235-6559). Proactive communication during Week 1 is a good strategy. For additional Canvas FAQ’s visit Canvas Student Guide or Ecampus’ Technical Help page for more information.
- Have you purchased your books yet? If there have been any changes in your schedule or textbook requirements, order your materials as soon as you can to shorten the time it may take for your books to arrive.
- Log in early in the week to every class and actively participate.

Week TWO
- You are caught up in every class, right? If you have any questions about your syllabus or expectations for the course, now is a good time to clarify with your instructors.
- Are you actively participating in your Discussion Boards in each class? Here’s an idea: be the first person to offer additional value to the week’s discussion, read all of the other students’ posts, research the subject further, and then, post a response that offers a different point of view.
- Hopefully by now you are checking your ONID email account, class Announcements and the Discussion Board on a daily basis. If not, it is time to start.
- Check Canvas on a daily basis. This week, look for any new information and/or materials that were not posted last week.
- Get contact information from at least one other student in each of your classes. Not only do you have a resource if you ever need to form a study group, clarify an assignment, or partner up for a project, but the two of you could connect virtually with other students to form a study group.
- Do you know about Google Apps for OSU? When you set up your OSU Gmail account as a student, you gain access to a number of robust apps, tools and websites to help you organize your life and join actively in the OSU community.
- If you make schedule changes, do so as soon as you can this week, so you do not have to make up a lot of missed introductions, missed assignments, and course information. Check here for info and deadlines on add/drop: http://registrar.oregonstate.edu/registration.

Week THREE
- 20% of the term is gone! Review your syllabi and start your preparation for midterms. You should also get a start on projects or papers that might be due later in the term.
Zero to Success in 77 Days: Ecampus

- How are you keeping up on your reading? Are you struggling at all with note taking? Any issues in keeping up with your homework? Don’t let small problems early in the term become big problems later in the term! Set a phone or video conferencing appointment with an Ecampus Student Success counselor if you want or need support in planning.
- Need help learning a concept? Ecampus provides our distance students with free online tutoring through NetTutor in a wide variety of subjects: accounting, biology, chemistry, economics, mathematics, physics, Spanish, statistics, writing, and more!
- Identify a question or concern you have about each class after the first few weeks and make it a point to contact your professor by phone or e-mail. It’s a good way for you to get to know them and it also shows you care about your learning. Building relationships with professors is an important part of your education.
- Are you familiar with your Library resources? Check out Ecampus Library Services for more information and a vast amount of support.

Week FOUR
- Don’t be surprised if your first midterms are happening this week (maybe you even had some last week). Scheduling your studying in advance helps you minimize your stress during the weeks when you may have more than one exam. Be sure you are familiar with how Exams and Proctoring work at OSU Ecampus. http://ecampus.oregonstate.edu/services/proctoring/
- Did we mention that Ecampus Success Counselors are available to work with you to improve academic skills, to identify support resources, and to address challenges to your academic success at OSU? If you are interested in individualized success counseling or in learning more about this support service, contact a counselor at ecampus.success@oregonstate.edu.
- Look Back: The first exam always gives you a chance to do a critical evaluation of yourself and your term thus far. Being a student is most likely only one of your major roles in life. In terms of a time investment (class time, reading, studying, and project time), 3 or 4 classes equates to a full-time job, 2 courses easily demands the time of a half-time job. Are you performing the way you want? If not, meet with your advisor, an Ecampus Success Counselor, or use resources offered online by the ASC to strategize on how you might improve.

Week FIVE
- Look Forward: Very soon, you and your advisor will be planning for next term. Understand that whether your advisor is a professor or professional advisor, he/she has a very full schedule. Scheduling an appointment now assures that you will get to see your advisor before priority registration starts later in the term. If you need an external trigger to help you remember, use Halloween (fall term), Valentine’s Day (winter term), and Cinco de Mayo (spring term) as external trigger to help you remember, use Halloween (fall term), Valentine’s Day (winter term), and Cinco de Mayo (spring term) as targets for advising appointments.
- It is wise to see your advisor every term, even if your specific academic major doesn’t require it. You can prepare by using the Ecampus schedule of classes to choose your classes for the upcoming term. Make sure you write down the course CRN number, prerequisites and course availability. You can (and some majors require you to) use the Planner in MyDegrees (OSU’s degree audit system) to develop your academic plan. To access MyDegrees, log into MyOSU, click on Student tab, under My Student Stuff click “MyDegrees,” then click the Submit MyDegrees box.
- It is important for all students to balance their academic lives with meaningful activities outside of the classroom. How are you spending your time when you are not in class or studying? Are you interested in any community activities or organizations and have you considered how you might get involved? Are you thinking about opportunities to gain experiences that your classes don’t offer or that will allow you to apply what you are learning in the classroom? You might discuss your interests for getting involved with your advisor or with one of your instructors for ideas and support.
- Have you reviewed the grading system at OSU? Deadlines are approaching in Week 7 for selecting S/U (Satisfactory/ Unsatisfactory) grading instead of traditional letter grades for your eligible classes. Become familiar with the definitions and your eligibility using OSU’s Academic Regulations to be aware of the signatures you need to gather and the deadlines for doing so, including the discussion you must have with your academic advisor prior to requesting a change in grading. As an Ecampus student, this process may take some additional time, so plan ahead wisely.

Week SIX
- 50% of the term is gone! Have you made that advising appointment yet?
- The first phase of Priority Registration for next term starts in Week Eight. During Phase 1, you can register for up to 16 credits. Remember you should contact your advisor well in advance of priority registration. You can stay aware of relevant registration dates and procedures by using this Registration Page or by logging into MyOSU, clicking the “Registration” link and then clicking the “Check Your Registration Status” link. By the start of week six, you should be able to see your priority registration date on this screen.
- During week three, we recommended contacting your professors. It is good to do that again this week. Possible topics of discussion could again include concepts you don’t understand or questions you have, but by this time, you may have received grades in your classes. It would be good to review that graded material with the professor or your TA, especially if you have questions or are concerned about your performance.
- Friday of Week 7 is the deadline to withdraw from a class or to change from letter grading to S/U grading. You will need signatures from your advisor for a change of grade. To understand these policies, consult with your advisor or take a look at Academic Regulations 12 and 18.

Week SEVEN
- With registration on the horizon, you should look in the student section of MyOSU to see if you have any holds that might impede your registration. To do this, log into the MyOSU portal, go to the “Student” page, and look under “My Student Stuff” on the left hand side. You will find a link to “view holds” to find out what issues you need to address before registering for classes. Students can also see holds in the top section of the MyDegrees checklist.
- The Registrar’s Office provides a number of links to helpful tips, video how-to’s, and answers to frequently asked questions to improve your experience of course planning and registration. What new tricks-of-the-trade can you learn from these Registration Videos?
- If your class has a second midterm, it is probably happening this week or next. Are you prepared? Consider what worked or didn’t work on your first exam and how you might improve your performance on this exam. Remember the suggestion to make a buddy in every class – you might consider forming a virtual study group or connecting with a classmate who you know you can ask questions when preparing for upcoming exams.
- Friday of this week is the deadline to withdraw from a class online
or change from letter grading to S/U grading. By now you should have collected any signatures needed.

**Week EIGHT**
- This week kicks off with priority registration... be sure to schedule time to take advantage of your registration dates, and check out our Step-by-Step Registration page to ease the process.
- Look Back: This is a good time for self-assessment. Are you sticking to your study plan? Are you caught up on reading? How are those final papers and projects coming? Are you getting enough exercise and sleep? Are there any habits you want to adjust going into the last two weeks of the term?

**Week NINE**
- Look Forward: Get yourself ready for finals week. If you haven’t done so already, confirm your proctoring plan and any necessary details for all of your finals — Do you still need to arrange for proctored exams? This information should be in your syllabus and a link to help you is provided above, in Week 4.
- Some classes wrap up significantly by Week 10 – next week!! Are you caught up with all possible assignments turned in? If you have a participation grade for your Discussion Board posts or blog entries, and have you contributed fully?

**Week TEN**
- Phase 2 of priority registration usually starts sometime this week. You can add to your original 16 credits, and you can add your name to a wait list for a class if the department has made one available. To learn how to wait list, check out this site: http://registrar.oregonstate.edu/node/146/#RegistrationVideos for information and a “how to” video.
- You should confirm information for final exam and due dates with your instructor to make sure nothing has changed. As you did with your midterms, develop a study schedule and plan ahead for how you might negotiate the stress of final week requirements.
- Final labs, papers, and projects are often due this week.

**FINALS WEEK and Beyond**
- Prepare yourself to handle the logistics of finals. Make sure you ready yourself with any needed supplies such as study guides, special calculators, extra pens, pencils, and anything else you might need for the exam. Whether you will be testing in your own environment or in a proctored situation, you need to feel prepared.
- If you will be testing or writing final papers in your own space, prepare your environment as well. A quiet setting free from distraction will be important.
- On the day of your final exams, follow these tips:
  - Bring a form of photo identification to your proctoring site
  - Bring any items allowed by your instructor for the exam (i.e. calculator, book, notes, etc.)
  - Reminder: cell phones, laptops, and/or tablets are not allowed during your exam
  - When you complete a proctored exam, it will be sent to your instructor for grading.
- As your instructors finish their grading, they will post your final grades to Student Online Services. All grades are due the Monday after finals week. Your term GPA will be calculated and your cumulative GPA will be updated by Wednesday after finals week. Make sure you look at your grades.
- Good students will always seek clarity on a grade if it was lower than expected. Make sure you are already aware of your grades on each assignment and that you read any feedback provided by your professor for every assignment before asking about something that surprises you. If you have questions, follow up with your instructors as soon as you can to get clarity on your grades.

**WHEW – 77 Days goes by fast!**

**KEEP UP THE GOOD WORK** –
Prepare now for next term using Week Zero as your guide!

Oregon Transfer Students
Oregon community college students entering OSU who have completed the Associate of Arts Oregon Transfer (AAOT) degree (meeting the block transfer agreement between Oregon community colleges and Oregon public universities) will satisfy the lower-division requirements of the baccalaureate core (except those in the synthesis requirement) and have junior standing for registration. When entering OSU, Oregon community college students who have completed the Associate of Arts Oregon Transfer (AAOT) degree will have junior standing for registration and will satisfy the lower-division requirements of the baccalaureate core, except those in the synthesis requirement. The AAOT degree meets the block transfer agreement between Oregon community colleges and Oregon public universities.

For more information about how OSU accepts any of the transfer degrees, call OSU Admissions at 800-291-4192.

Washington Transfer Students
The Direct Transfer Associate degree awarded by any community college in Washington state will satisfy lower-division general (core) requirements at OSU. Students will receive junior level standing with an earned Washington Direct Transfer Associate degree of 90 transferable quarter hours or more. The minimum requirements are: 2.0 GPA on 90 earned quarter hours of transferable credit. OSU will accept a maximum of 12 credits in professional, vocational, and technical courses. You must still meet requirements in your chosen major, minor, or professional program.

For more information about how OSU accepts any of the transfer degrees, call OSU Admissions at 800-291-4192.

California Transfer Students
OSU accepts the Intersegmental General Education Transfer Curriculum (IGETC) to satisfy lower-division (general) core requirements. The IGETC was developed for community college students who plan to transfer to a four-year institution but are undecided about which one and/or undecided about a major. Students interested in the IGETC path to transfer are strongly advised to see an academic advisor prior to enrollment. The minimum requirements are: 36 quarter (24 semester) academically transferable hours, 2.25 cumulative GPA, IGETC Area 1 Group A English requirement (C– or higher grade), IGETC Area 2 Mathematical Concepts requirement (C– or higher grade), and student must be admissible to the last institution they attended.

For more information about how OSU accepts any of the transfer degrees, call OSU Admissions at 800-291-4192.

Transfer Credits
Decisions on transfer courses meeting specific baccalaureate core (general education requirements) will be made by the Office of Admissions with the Faculty Senate and the Office of Academic Programs. Some requirements may be met by advanced placement or international baccalaureate. For more information, contact the Office of Admissions. Articulation tables for baccalaureate core courses can be found on the Web at http://admissions.oregonstate.edu/course-articulations.

Baccalaureate Core Courses

Skills Courses (15)
To support students’ success in all courses, the following first-year Skills courses are to be taken and completed satisfactorily within the first 45 hours of OSU-generated credits:
- Writing I (WR 121, minimum passing grade C–)
- Mathematics (approved list below)
- Speech (approved list below)

To prepare for the upper-division Writing Intensive Course in the major, the following Skills course is to be taken and completed satisfactorily within the first 90 hours of OSU-generated credits:
- Writing II (approved list below)

For transfer students with sophomore standing or above, Writing II and Speech must be completed within the first 45 hours of OSU-generated credits. These requirements apply to all students, whether full time or part time.

Applying for Undergraduate Graduation

To become a degree candidate:
• You must be a current OSU student with senior standing of 135 or more credits.
• You may make a formal application for the degree with the Office of the Registrar up to three terms before your expected graduation term.
• The deadline to apply is the end of the second full week of the term in which you expect to complete your degree requirements.
• Graduation applications are submitted through MyOSU, https://myosu.oregonstate.edu.

Before you apply to graduate, check if you’ve completed your degree requirements:
Meet with your advisor and review your MyDegrees Checklist and confirm that general university requirements are met:
1. Log in to MyOSU at https://myosu.oregonstate.edu
2. Select Student
3. Under My Student Stuff, choose ‘MyDegrees’

Confirm the following is correct:
1. Major, Minor and Option is correctly stated
2. Degree type (BS, BA, BFA, etc.) is correct
3. The total of your Credits Required and Credits Applied
4. Upper-division credits required and earned (this will not appear in MyDegrees if the requirement is met)
5. Degree requirements that have not yet been met

With your advisor, determine which term you will complete your studies and submit your application to graduate. If you will be completing multiple degrees (see below) you will need to submit a separate application for each degree.
1. Log in to MyOSU at https://myosu.oregonstate.edu
2. Select Student
3. Under My Student Stuff, choose ‘Apply to Graduate’

To change your graduation date or program information after the first application, you must cancel your existing application for graduation and file a new application in accordance with the stated deadline.

Commencement exercises are held annually in June and attendance is optional. Students who have graduated in the previous summer, fall or winter terms and senior-level students who have a pending graduation application for spring, summer, or fall terms may participate in the June Commencement exercises.

Ecampus students planning to travel to Corvallis for Commencement can contact Ecampus Student Services for additional information.

Additionally, please be aware that all corresponding transcripts are sealed, meaning the academic record cannot be altered, by the Office of the Registrar 90 days after the conferment of a degree. This ensures that the academic course work that reflects the components that substantiated the awarding of the degree is accurately and permanently recorded.

Certification of Enrollment or Degree

Verification or certification of enrollment is for students needing proof of enrollment or degrees for financial aid, insurance, employment, or other reasons.

You can do it on the Web:
Students requesting certification of enrollment or degrees earned spring 2000 to the present may obtain the information by:
• Printing a current term schedule by logging on to MyOSU, https://myosu.oregonstate.edu/, selecting Student, and My Student Stuff.
• Printing a certification at no cost from the National Student Clearinghouse by accessing it through MyOSU, https://myosu.oregonstate.edu/.
• Printing a certification from the National Student Clearinghouse at www.studentclearinghouse.org/ and using a credit card to pay for the service.

Students requesting certification of enrollment prior to spring 2000 may obtain the information by:
• Printing an unofficial transcript by logging on to MyOSU, https://myosu.oregonstate.edu/.
• Ordering an official transcript by logging on to MyOSU, https://myosu.oregonstate.edu/ or by printing and completing the Transcript Request Form (http://registrar.oregonstate.edu/forms) and submitting it to the Office of the Registrar, B102 Kerr Administration Building, Oregon State University, Corvallis, OR 97331-2130.

Forms submitted to the Office of the Registrar are sent to the National Student Clearinghouse. The Clearinghouse will provide a certification report that comes closest to providing the information you desire. They will not complete your form. All such certifications are official and need no further institutional signatures or seals.

Only those certification requests that require information not in the possession of the National Student Clearinghouse will be handled by the Office of the Registrar. In many cases, an official transcript will meet the needs of your request. We are unable to complete agency forms.

To learn more about the National Student Clearinghouse, visit their website at http://www.studentclearinghouse.org/ or contact them at 2300 Dulles Station Blvd., Suite 300, Herndon, VA 20171. Telephone: 703-742-4200 (8:30 a.m. to 7 p.m. EST), FAX 703-742-4239, or email: service@studentclearinghouse.org.

Loan companies, other agencies, and even parents can contact the NSC directly for enrollment verifications.

Please include your legal name, social security number, and date of birth on all correspondence as well as the mailing address of the recipient for the verification.

Double Degrees
A student may earn multiple, different degrees simultaneously. Additional degrees may also be earned after your first degree was awarded. The degrees may be offered by the same college, or by different colleges. To earn a double degree, or for each additional degree, a student must complete a minimum of 32 credits above the minimum number of credits needed for one of the degrees. Each degree application is reviewed by the appropriate academic advisor. Advisors complete a separate graduation audit for each of the degrees.

On the student’s academic record, each degree awarded will be recorded as a separate degree with its major, e.g., Bachelor of Science in Mathematics, Bachelor of Arts in English. The student will also receive a separate diploma for each degree awarded (See Academic Regulation 26).
Other Important Information

Some double-degree programs — Education (BA, BS, HBA, HBS), Innovation Management (BA, BS, HBA, HBS), Sustainability (BS, HBS), International Studies (BA, HBA) — require that a primary degree be completed in order for the secondary degree to be awarded. When multiple degrees are not dependent on one another, one of the degrees may be awarded even though requirements for the other degree have not yet met. The double degree may be earned concurrently or subsequently. (See Academic Regulation 26.)

Dual [or Multiple] Majors
A student may earn two or more majors within a single degree program (a particular combination of degree, college, and campus, e.g., BA degree from the College of Liberal Arts on the Corvallis campus). It is sometimes possible to complete two or more majors within the minimum number of credits required for a degree, but usually the student must complete additional credits to complete requirements for all of their majors. For this reason, dual (or multiple) majors are obtained within the same college. The advisor must complete one graduation audit that includes all of the majors. The student’s academic record will list one degree with two or more majors, e.g., Bachelor of Science in Mathematics and Chemistry. The student receives one diploma. Dual (or multiple) majors may be obtained concurrently with the completion of the degree, or in some cases may be earned as a credential subsequent to completion of the degree. (See Academic Regulation 27.)

Note: Occasionally, with careful planning, a student can complete two majors from separate colleges in less than the 212 credits required for two degrees. When this occurs a student can petition for an exception, and graduate with two majors from separate colleges. The student must pick one college as their home college and all majors will be associated with the home college. The student must have the support of advisors from both major programs to have their petition considered.

Honors Degrees
Students completing the Honors College curriculum receive an honors degree in the college of their major, e.g., HBS Honors Bachelor of Science in Chemistry, or HBA Honors Bachelor of Arts in English. In some cases it might be possible for an Honors College student to earn multiple degrees simultaneously by following the double degrees requirements outlined in Academic Regulation 26.

Students seeking an honors degree must meet the requirements of the Honors College in order to receive their degree. Students that complete an Honors degree will have the honors degree recorded on their academic record. The student’s diploma will also include the honors degree designation (e.g., Honors Bachelor of Science, etc.).

Note: Honors degrees are not currently available to Ecampus students.

Student Grades
Student grades may be obtained via MyOSU at https://myosu.oregonstate.edu: select Student, then Student Grades. Or obtain an unofficial transcript under Academic Profile, and click on Transcript. Grades are not automatically mailed to the student. You may request a transcript via the Web at no charge: http://registrar.oregonstate.edu/transcripts.

Grades, GPA calculations, and academic standings are not complete and final prior to 8 a.m. on the Wednesday following the final exam week. Grades and GPAs appearing prior to that day may be incomplete.

Veteran and U.S. Military Service Recognition Cord
Recognition of U.S. Military Service
Oregon State University recognizes the significant contribution and sacrifices made by OSU students who are U.S. military service members and veterans. Students may receive a red, white, and blue Military Service Recognition Cord to be worn at commencement.

To apply for the recognition, students should complete the OSU Military Service Recognition application which is available on the OSU Veterans website at http://studentlife.oregonstate.edu/veterans. Applications are to be submitted to the School Certifying Officials who will approve the application and distribute the recognition cord.

Graduation Requirements/Catalog Contract Policy

When determining the graduation requirements for a given student:

- Students must meet all applicable degree requirements from the published catalog(s).
- The student’s catalog year for institutional and baccalaureate core requirements is established by his or her first term of attendance (matriculation date) at Oregon State University as an admitted student.
- The student’s catalog year for college/major/option/minor requirements is based on the date of declaration of the major/option/minor.
- A student’s major and option(s) must be in the same catalog year. If an option(s) is declared in an academic year subsequent to the catalog year associated with the major, the option(s) will be aligned with the catalog year of the major. If the option(s) did not exist in the catalog year of the major, the major will roll forward to the catalog year of the option(s). A second major and option(s) may be declared by the student for a catalog year which differs from the first major and option(s).
- Additionally, while the student’s first major/option must be in the same catalog year, any additional declarations of majors/options/minors will be determined by the declaration dates (and corresponding catalog year) established by the change of academic program process.
- A student, in collaboration with an advisor, can also move their major/option/minor catalog year forward.
- At the time of graduation, all continuously enrolled students, including transfer students, may not use a catalog that is more than ten years old. Students may petition their college’s head advisor for an extension of a catalog greater than ten years prior to their expected graduation term.
- At the time of graduation, all continuously enrolled students, including transfer students, may not use a catalog that is more than ten years old. Students may petition their college’s head advisor for an extension of a catalog greater than ten years prior to their expected graduation term.
- Current policy requires a student to reapply after not enrolling at OSU for four consecutive terms (not including summer terms). The published catalog for the resulting readmission/matriculation date will become the catalog of record for graduation requirements. The Planned Educational Leave Program defined in AR 13.c beginning with the 2011–2012 academic year, provides a mechanism for a student to keep their original catalog of record during a planned absence.
- For Degree Partnership Program students, the first term the student is admitted to OSU will be the matriculation date and will determine the catalog year for institutional and baccalaureate core requirements. The catalog year for college/major/option/minor requirements will be the same as all other OSU students.
- Every effort has been made to ensure the accuracy of information in the OSU General Catalog. However, Oregon State University or the Oregon State Board of Higher Education may find it necessary from time to time to make changes in courses, curricula, or degree requirements. Students already admitted to a program in which such changes have been made will be reasonably accommodated, if possible, to ensure their normal progress toward a degree. A student may, however, still be required to conform to changes in courses, curricula, or degree requirements as deemed necessary by Oregon State University or the Oregon State Board of Higher Education.
Tuition and Fees 2018–2019

Tuition and Fees and Payment: 2018–2019
For a full listing of tuition and fees, please visit OSU Business Affairs at http://fa.oregonstate.edu/business-affairs/tuition-and-fee-information.

Advance Tuition Deposit: $200.00
New undergraduate students will be requested to submit a tuition deposit of $200.00 after being admitted to the university. This deposit is the indication of a student’s intent to enroll at OSU.

• Fall Term only: Payment for your Advance Tuition Deposit is required to participate in the START program, which allows students to register for fall term classes. After May 1, the deposit is nonrefundable. Note: Not applicable to Ecampus students.

Mandatory Enrollment Fees
Students paying mandatory enrollment fees are entitled to services maintained by OSU for the benefit of students. These services include the use of the library; use of laboratory equipment and materials; medical attention and advice at the Student Health Center; use of gymnasium equipment; the student newspaper; admission to some athletic events; admission to concerts and lectures; and registration. No reduction in fees is made to students who may not wish to use these privileges. Employees paying staff fees are entitled to instructional and library privileges only.

Matriculation Fee: $350.00
All new students (except non-degree seeking) are charged a one-time fee of $350.00 at the start of their first term at OSU. This fee provides access to a variety of OSU programs and services at no additional charge. Programs and services included in the fee include, but are not limited to, open house programs, START, CONNECT, pre-enrollment advising, course drop/add/withdrawal, and official transcripts.

Other Fees
Subject to change without notice.

Graduate Research Assistant Tuition and Fees
See Tuition and Fee Information on the OSU Business Office website (http://fa.oregonstate.edu/business-affairs/tuition-and-fee-information). Click on “Corvallis Campus Tuition/Fees.” Then click on “GRA/GTA Remission.”

Pharmacy Tuition and Fees
See Tuition and Fee Information on the OSU Business Office website (http://fa.oregonstate.edu/business-affairs/tuition-and-fee-information). Click on “Corvallis Campus Tuition/Fees” for the desired year. This opens a PDF within which you scroll down to the information for Oregon State University–Corvallis Campus Pharmacy Program (usually page 6).

Veterinary Medicine Tuition and Fees
See Tuition and Fee Information on the OSU Business Office website (http://fa.oregonstate.edu/business-affairs/tuition-and-fee-information). Click on “Corvallis Campus Tuition/Fees” for the desired year. This opens a PDF within which you scroll down to the information for Oregon State University–Corvallis Campus Veterinary Medicine (usually the last page).

Academic Year Fee Book
For more information about tuition and fees, see the Academic Year Fee Book on the OSU Budgets website at http://fa.oregonstate.edu/budget.

Current Student Accounts Office Website
Go to http://fa.oregonstate.edu/business-affairs/studentbilling.

Nondegree Students
(This category is designed for students not planning to complete a degree at OSU.)

Nondegree students may only enroll in 8 or fewer credits and pay tuition/fees at resident rates based on undergraduate or graduate course level. To be eligible to use Student Health Services, you must also pay the student health fee.

If a nondegree student were to enroll in 9 or more credits they would pay tuition/fees based on the undergraduate or graduate tuition fee schedule determined by the student’s status.

For more information, call Student Accounts at 541-737-3775.

Fee Payment Obligation
Web registration presents you with a confirmed class schedule. When you finish registering, your schedule is official. This obligates you to pay all tuition and fees for your classes. If you wish to cancel this commitment and reduce or eliminate tuition charges for the term, you must officially cancel your registration or withdraw from the term. See the Tuition Reduction Schedule at http://fa.oregonstate.edu/business-affairs/tuition-and-fee-information/tuition-reduction-schedule.

Electronic billing statements are processed around the 5th of each month. Notification that your statement is ready will be sent to your ONID email address. It is very important that your ONID address is active and that you are checking it regularly. You may also select to have your ONID email forwarded to an alternate address. You may view your monthly billing statements by logging onto the eBill website at http://mybill.oregonstate.edu. See “eBill and eCheck” at http://fa.oregonstate.edu/business-affairs/ecommerce-osu/ebill-and-echeck.

You may pay your tuition and fees in the following ways:
OSU currently accepts eCheck, paper checks, money orders and cash as acceptable payment methods. Students can use MyOSU, http://myosu.oregonstate.edu/, (Paying for College, Financial Services, Pay My Bill), as a convenience option for making credit card payments. Please see the Cashiers website for more details regarding all acceptable payment methods.

Accounts are “due upon receipt” of the monthly statement, and any unpaid balance remaining after the 1st of each month is subject to an interest charge of 1 percent per month (12 percent APR).

Registration/Transcript Hold Policy
If you are enrolled for the current term, you will be allowed to register for the following term only if your account balance consists of charges only from recent academic terms—the current term and one term prior—and your overall account balance does not exceed $2,200.00.

If you are not currently enrolled, you must have your account balance paid in full in order to register.

Requests for transcripts cannot be processed until your account balance is paid in full.
Tuition and Fees 2018–2019

Drop/Withdraw Refunds
Students who drop or withdraw from a class, or withdraw from the term may be eligible for a tuition refund. Refunds are based on assessed tuition, course fees, and mandatory fees, and are calculated from the date you officially drop, withdraw, or cancel your registration or reduce your class load, not the last day of class attendance. Please see “Registration Cancellation/Withdrawal from the Term.”

Refunds are processed as a credit on your account. A check will be issued to you if any credit balance remains after other charges and financial aid repayments have been satisfied. No refunds are authorized for persons paying staff rates. Allow about two weeks for processing a refund. Your refund will be sent to your current mailing address. Be sure to update your current mailing address online in MyOSU, https://myosu.oregonstate.edu/.

The Tuition/Fee Reduction Schedule below follows those policies as established by Oregon State University (there are no refunds given for persons paying staff rates):

How to Handle an Error in Billing
If there appears to be an error on your monthly statement, use the following guidelines:

Graduate Assistants: Errors may occur due to incorrect rate codes. Please notify your department.

Residents Billed Nonresident Rates: Pay the amount appropriate for a resident and then go to the Office of Admissions to confirm your residency status. You will be advised as to the next action to take.

Financial Aid Not Applied: If financial aid has not been applied you should verify approval of scholarships and grants at the Office of Financial Aid and Scholarships, A218 Kerr Administration Building, 541-737-2241, financial.aid@oregonstate.edu.

Support Payments Not Applied: Verify approval for support billing at Business Affairs, B100 Kerr Administration Building, ThirdPartyBilling@oregonstate.edu.

Housing: Verify the billed amount with the University Housing and Dining Office, Oxford House, 957 SW Jefferson Ave., 541-737-4771.

Any Other Billing Amount Errors: Pay based upon the correct amount, then contact the Business Affairs, B100 Kerr Administration Building for assistance, 541-737-3775, Accounts.Receivable@oregonstate.edu.

Special Fees

Application Fee for Admission (not refundable)—

Late Registration Change — $20.00 per course changed
There is no charge to change registration (add, drop, withdraw from a course, change credits, change grade option, or change to audit) by the stated deadlines. Each registration change after the stated deadlines will be charged a $20.00 late registration fee. This applies to any late add, late add to audit, late drop, late withdrawal from a course, late change in grading basis, or late change in course credit. If you initially register after the end of the second week of the term, you will be charged a $100.00 late registration fee, but the $20.00 fee is not charged when the $100.00 late registration fee is charged. For any registration change thereafter, however, you will be charged the $20.00 fee.

Late Registration Fees — $50.00 and $100.00
A late registration fee of $50.00 will be assessed for all initial registrations during the first two weeks of classes. For registrations approved after the first two weeks of classes (i.e., after the end of the late registration period) a late fee of $100.00 will be assessed.
Tuition and Fees 2018–2019

Library Fines and Fees
- Overdue fine for OSU circulating books is $0.25 per day; Summit and Interlibrary Loan are $1.00 per day.
- Overdue fine for Reserve Book Room material and Equipment checkout:
  1. Hourly Reserves, $2.00 per hour.
  2. Daily Reserves, $2.00 per day.
  3. Hourly Equipment, $1 to $10 per hour.
  4. Daily Equipment, $1 per day.
- Borrowers failing to return regular materials within 42 days of the due date, or equipment and reserves within 6 days of the due date are charged the replacement cost of equipment or a generalized replacement cost of $70 for books, $140 for Reserve and AV materials. When such items are returned before the replacement has been ordered, the replacement cost will be refunded, and the borrower is only charged the amount of the fine (not to exceed the replacement cost). When such items are returned after replacement items have been ordered, no refund will be made. A charge at cost, to be determined by the library, may be made for repair or replacement of damaged or mutilated library material. For further details, see http://osulibrary.oregonstate.edu/borrowing/fines.

PELP Fee [Undergraduate Planned Educational Leave Program] – $25.00
Non-refundable application fee allows an undergraduate student to maintain their official standing as a student at OSU and reserves the student’s right to keep their original academic catalog active during their absence.

Re-Admission Fee: Graduate – Domestic Students $75.00; International Students $85.00
Required after an absence of one term unless on an approved and recorded leave of absence. See “Registration Requirements” in the Graduate School section of the catalog.

Re-Admission Fee: Undergraduate – $25.00
Required after an absence of one year. See “Eligibility to Register” in the How to Register section for details.

Reinstatement Fee – $50.00
If a student is suspended and wishes to be reinstated, the student must pay the reinstatement fee to return to the university.

Returned Check Fee – $25.00
If a check is returned because of any irregularity for which the student is responsible, a fine of $25.00 will be charged.

Senior Citizen Fee – for special materials only
Persons 65 or older may attend class on a noncredit, space-available basis.

Service Fee for International Programs –
A $275.00 per term administrative management fee will be charged for international students supported under contractual arrangement with sponsoring agencies or entities requiring special administrative or management services beyond those normally provided. This program and finance fee will be assessed for these international student programs that are administered and managed by the International Student and Faculty Services office.

Special Examination Fee –
See examination for credit/waiver in the list above.

Staff Fee [except staff auditors] – 30 percent of resident undergraduate tuition
Staff members or their dependents may register for courses at 30 percent of the per credit resident undergraduate tuition. Academic, professional, and classified employees whose appointment is equivalent to 0.50 or more may take up to 12 credits a term at this rate. Payment of the staff fee entitles the staff members to instructional and library privileges only. The fee is not refundable. The applicable course fees and resources fees are charged at 100 percent, and family members are subject to other mandatory enrollment fees. Eligibility for the staff rate must be approved by the Office of Human Resources.

If you are intending to enroll for course work at another state university in Oregon, you must submit the staff fee privileges approval form to OSU-HR two days prior to the first day of classes.

If you are transferring the staff fee privilege to your dependent, and they are intending to enroll for course work at another state university in Oregon, you must submit the staff fee privileges approval form to OSU-HR two weeks prior to the first day of classes.

Staff fees are nonrefundable.

Stop Payment Fee – $15.00
Fee assessed when the payee of an OSU check requests a stop payment order.

Student ID Card Services Fee – $25.00
Charged to all new and readmitted students their first term after admission or re-admission. Ecampus students are not charged this fee unless they request an ID card (ID.Center@oregonstate.edu) or attend an on-campus class.

Student/Employee Replacement ID Card Fee – $30.00

Transcripts – $10.00 or no fee, depending on delivery method
Official electronic transcripts or E-transcripts (PDF) are $10.00. Official paper transcripts and unofficial transcripts are free. Instructions on how to order transcripts are available at http://registrar.oregonstate.edu/transcripts. Please note that all obligations to OSU must be cleared before transcript orders can be processed.

Verification of Enrollment Fee – $15.00 per verification
See Certification of Enrollment or Degree “You can do it on the Web” for other options.

Financial Aid

Scholarships, Student Loans, and Grants
Eligible students who have accepted scholarships, student loans and grant awards will have those funds applied automatically to their student billing account. You can monitor your financial aid eligibility and billing account through MyOSU.

If financial aid amounts exceed the amount of qualifying tuition/fees expenses owed, a refund will be generated if the surplus exceeds $1.00. Distribution of the refund can be made by direct deposit or check. Please note that federal financial aid cannot be posted toward the balance of the matriculation fee, accrued interest, printing charges, parking or library fines or student health service charges.

- If you would like direct deposit of your financial aid refund, complete the Direct Deposit form found through Online Services or Student Finance website at http://fa.oregonstate.edu/business-affairs/student-finance.
- If you would like your refund as a check, your current mailing address must be up to date for all check processing. You can do this through MyOSU, https://myosu.oregonstate.edu/.
Tuition and Fees 2018–2019

For full details, visit the Business Affairs Office Website. Click on Current Student.

Beginning the third week of the term, students eligible for refunds due to financial aid or scholarship disbursements may request a refund at the Cashier’s Office or through email at refund@oregonstate.edu.

Emergency Loans
Emergency loans, not to exceed $350.00 per term, are available to students in good financial standing, attending at least half time, and formally admitted to the university. Loans are to be repaid by the last day of the current term. Loan amounts become part of the revolving account balance and carry interest at 1 percent per month (12 percent APR). The Cashier’s Office reviews the applications and issues payment if approved. Application forms are available at the Cashier’s Office in the Kerr Administration Building. Be sure to have your OSU ID and a second photo ID to present with the application.

ECampus students can email cashiers.office@oregonstate.edu to request the application. They will be asked to scan the completed form and email it back to the Cashier’s Office with accompanying identification.

Payment of Student Fees

Payment of Nonresident Instruction Fee [580-10-080]
1. All students classified as nonresidents shall pay a nonresident fee.
2. Refunds of the nonresident fee may be granted if the student shows that the classification previously assigned was in error. However, no such refund shall be made unless the student applies and submits all supporting information for residency status prior to the last day to register for the term in which the student seeks the change of status.

Enrollment of Spouse and Dependent Children [580-010-086]
The spouse and dependent children of regular department staff members with a full-time equivalent of at least .50 may enroll as students at resident fee rates in department institutions.

In-State Tuition for Veterans
The following individuals shall be charged the in-state rate, or otherwise considered a resident, for tuition and fees purposes:

• A Veteran using educational assistance under either chapter 30 (Montgomery GI Bill® - Active Duty Program) or chapter 33 (Post-9/11 GI Bill®), of title 38, United States Code, who lives in the State of Oregon while attending a school located in the State of Oregon (regardless of his/her formal State of residence) and enrolls in the school within three years of discharge or release from a period of active duty service of 90 days or more.
• Anyone using transferred Post-911 GI Bill® benefits (38 U.S.C. § 3319) who lives in the State of Oregon while attending a school located in the State of Oregon (regardless of his/her formal State of residence) and enrolls in the school within three years of the transferor’s discharge or release from a period of active duty service of 90 days or more.
• Anyone using benefits under the Marine Gunnery Sergeant John David Fry Scholarship (38 U.S.C. § 3311(b)(9)) who lives in the State of Oregon while attending a school located in the State of Oregon (regardless of his/her formal State of residence) and enrolls in the school within three years of the Service member’s death in the line of duty following a period of active duty service of 90 days or more.
• Anyone described above while he or she remains continuously enrolled (other than during regularly scheduled breaks between courses, semesters, or terms) at the same school. The person so described must have enrolled in the school prior to the expiration of the three-year period following discharge, release, or death described above and must be using educational benefits under either chapter 30 or chapter 33, of title 38, United States Code.

Academic Regulations

Academic Regulations are online at https://catalog.oregonstate.edu/regulations/
Please view the regulations on the website for currency.

Introduction

These regulations and procedures are published to assist students by providing information that is essential for planning and pursuing their academic programs. Continuing efforts are made each year by the students, faculty, and administration to revise and improve these regulations in order to enhance the quality of the university’s programs and the achievement of educational goals.

Every student is responsible for knowing the academic regulations and for observing the procedures that govern his or her relations with Oregon State University. Unless otherwise specified, these regulations apply to both undergraduate and graduate students. Any question regarding these regulations & that cannot be answered by a student’s academic advisor should be referred directly to the Office of the Registrar (B102 KAd). Additional information regarding Graduate School policies should be addressed to the Office of the Graduate Dean (A300 KAd).

Some students encounter special problems whose proper solution may require deviations from the academic regulations or procedures. Requests for such deviations in the regulations below must be presented to the Office of the Registrar on petition forms, which are available in that office. Petitions received by the registrar will be forwarded to the proper committee or office for review and appropriate action. Requests for deviations from Graduate School policies should be presented by letter to the graduate dean (See the Graduate School section of this catalog).

Other special problems may involve academic issues such as academic freedom in the classroom or evaluations of a student’s academic performance. All students should appeal academic grievances first to the instructor of the course and then to the chair or head of the academic unit in which the course is offered. If the situation is not resolved to the student’s satisfaction, an undergraduate student should consult with the head advisor of the college in which the course is offered to obtain further information about appeal procedures of the college or university; a graduate student should consult the dean of the Graduate School (See the Graduate School section of this catalog).

AR 1. Admission for Nondegree Students

a. Nondegree enrollment status for undergraduate students is designed for students who wish to take undergraduate classes, but do not wish to pursue a degree or a specific postbaccalaureate credential. Nondegree undergraduate students are limited to taking a maximum of 8 credits per term. Nondegree Ecampus, International Exchange, credential and certificate students are not limited to 8 credits per term.

b. A maximum of 36 credits attempted as a nondegree undergraduate student may be used to satisfy Baccalaureate degree requirements upon admission as a degree-seeking student. The most recent 36 credits (or all credits if fewer than 36) will be applied to the Baccalaureate requirements.

c. Nondegree enrollment status for graduate students is designed for students who wish to take graduate courses but do not wish to pursue an advanced degree. Nondegree graduate students are not limited as to the number of courses (credits) taken per term.

d. Credits earned while enrolled as a nondegree graduate student will not necessarily apply to a graduate program upon admission to degree-seeking status. The student should refer to the admission requirements given in the Graduate School section of this catalog. Communication with the Graduate School and specific academic programs is advised.

e. Nondegree students seeking admission to a degree program may do so by filing an undergraduate, postbaccalaureate, or graduate application for admission.

Footnote: AR 1 revised by Faculty Senate academic year 2012–2013.

AR 2. Credit from a Two-Year Institution

(Undergraduate Students)

a. College Transfer Credits: Oregon State University accepts for credit toward a baccalaureate degree all college transfer work completed at an Oregon or other regionally accredited community college up to 124 lower-division quarter credits. For Institutional Requirements for Baccalaureate Degrees, see AR 25. Students are encouraged to work with the relevant academic unit to ensure that transfer credits meet department and college requirements for the degree. It would be unlikely for an individual student to be able to use all 124 credits toward an OSU baccalaureate degree. Transfer credits and grades are not used in calculating the OSU cumulative GPA. Students who hold OSU-approved direct transfer degrees from Oregon or other regionally accredited community colleges (e.g., the Associate of Arts Oregon Transfer) or who have 90 or more credits accepted in transfer will be granted junior standing.1 Students who hold OSU-approved direct transfer degrees will be considered to have met the Perspectives and Skills (except WIC) areas of the Baccalaureate Core. In addition, they must complete the upper-division Synthesis areas of the core. Students transferring from Oregon or other regionally accredited community colleges who do not hold approved direct transfer degrees ordinarily will be given baccalaureate core credit in the Perspectives and Skills area on a course-by-course basis for work that is judged to be equivalent in content.

b. Transfer of Professional-Technical Credits: a maximum of 12 quarter credits (8 semester credits) of professional-technical course work applicable in an associate’s degree or certificate program at a regionally accredited institution can be accepted upon admission to OSU as general elective credit (graded as Pass) and as part of the 124-quarter credit total that can be applied toward a baccalaureate degree.

c. Transfer of Professional-Technical Course Credits through Articulation Agreements: Lower-division OSU credit may be awarded for specific professional-technical community college courses when those courses are validated by articulation agreement with the appropriate OSU department. This may be above the 12 quarter credits of general electives (graded as Pass) allowed when a student is admitted to OSU. Credit will be awarded only upon the recommendation of the appropriate department and college, and approval by the Curriculum Council. Community college professional-technical course work is not equated to upper-division OSU course work. These course credits will count as part of the 124 quarter credits defined in paragraph 2a above. OSU departments who have articulation agreements with community colleges regarding community college professional-technical courses shall review the agreements annually and forward a dated list of the articulated community college courses to the Curriculum Council.

Footnote:

1 Junior standing does not necessarily imply that OSU institutional, college, division, and/or departmental requirements, which are normally satisfied by OSU students prior to their junior year, have been satisfied.
**AR 3. Credit from an Unaccredited Institution**

**[Undergraduates]**

After three terms of work at Oregon State University satisfactory to the Undergraduate Admissions Committee, a student may request validation of work done in an unaccredited institution of collegiate rank. The committee will consider each petition separately and base its decision on all information available. In some instances, informal examinations by the departments concerned may be required. Credit for transfer of professional-technical work will be awarded in accordance with paragraphs AR 2, b and c.

**AR 4. Classifying Students**

a. **Undergraduate students:** A student who has earned at least 45 credits is classified as a sophomore. A student who has earned at least 90 credits is classified as a junior. A student who has earned at least 135 credits is classified as a senior.

b. **Postbaccalaureate students:** A student holding a baccalaureate degree who is admitted to work toward a second baccalaureate degree or teaching certificate is classified as a postbaccalaureate student.

c. **Graduate students:** A student who has been admitted to the Graduate School is classified as a graduate student.

**AR 5. Transfer from One College to Another**

**[Undergraduate Students]**

Registered students may transfer from one college to another at any time. Returning but not-registered students may transfer colleges between the dates of readmission and registration.

**AR 6. Change in Credits Scheduled**

No change may be made in the number of credits specified for the various courses and published in the OSU General Catalog.

**AR 7. Maximum and Minimum Registration**

1. The minimum number of credits for a full-time undergraduate student may register is 12, and the maximum is 19, regardless of the method of grading used for the classes selected. (In determining the load for students not normally held responsible for physical education, the credits in activity courses in physical education will be disregarded.) The maximum may be extended:
   a. Up to and including 24 credits when a student has completed in his or her most recent term at least 12 credits in courses other than those graded P/N and S/U with a grade-point average of 3.0 or better or when a student has filed with the registrar a petition approved by his or her advisor and college dean (or head advisor).
   b. Over 24 credits by petition approved by a student’s advisor and college dean (or head advisor) and the Academic Requirements Committee and filed with the registrar.

2. The minimum number of credits for a full-time graduate student is 9; the maximum is 16. The maximum can be extended by approval of the dean of the Graduate School.
   a. Degree-seeking graduate students must take a minimum of 3 credits for any term in which they are enrolled.
   b. The following FTE and credit allowances are permitted for graduate students holding an academic appointment.

<table>
<thead>
<tr>
<th>FTE</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>.15 to .29</td>
<td>15</td>
</tr>
<tr>
<td>.30 to .50</td>
<td>12</td>
</tr>
</tbody>
</table>

Appointees on graduate assistantships are limited to the above credits during each term.

**AR 8. Late Registration**

Registration is permitted through the second full week of classes each term. Late fees are assessed in accordance with the fee policies stated in the Schedule of Classes.

**AR 9. Admission to Class**

a. Instructors will receive lists of students in their classes within two days after the opening of the term. Subsequent lists will include the names of later registrants. Students whose names appear on these lists are officially registered; others are to be referred immediately to the Registrar’s Office for completion of registration.

b. If it is anticipated that the demand for enrollment in a given course will exceed the maximum number that can be accommodated, the department offering the course may designate it in the Schedule of Classes with the code “NSHD” (no-show-drop). A student who is registered for such a course who attends no meetings of the course during the first five school days of the term will be dropped from the course by the instructor, unless the student has obtained prior permission for absence. If such action is taken, the instructor will send written notice through the department to the Registrar’s Office, which in turn will notify the student that the course has been dropped from his or her schedule. Students should not assume they have been dropped unless they receive notification from the Registrar’s Office. No fee will be charged.

**AR 10. Eligibility**

To be eligible to hold office or to participate in any extracurricular activity supervised by Oregon State University, students must meet certain requirements.

1. For student activities, students are responsible for following the Student Life Policy and procedures.
2. For participation in intercollegiate athletics, students must meet all institutional Pac-12 and NCAA requirements. Students should contact the Compliance Office in the Department of Intercollegiate Athletics on all such matters.

**AR 11. Adding and Dropping Courses**

1. Students may add courses through the second full week of classes each term, depending on the nature of the course and the availability of space. From the end of the first full week of classes to the end of the second full week of classes, permission (signature) of the instructor offering the course must be obtained.
2. A student may drop courses without responsibility for grades through the end of the first full week of classes. After the drop deadline courses may not be dropped. Failure to drop a course properly will result in an F grade being recorded; courses properly dropped do not appear on the student’s transcript.
3. Add/drop fees will be assessed in accordance with the fee policies stated in the Schedule of Classes.

**AR 12. Withdrawal from Individual Classes**

Any student may withdraw from a maximum of 12+ individual OSU credit bearing classes throughout their undergraduate careerA at OSUP. Any student may petition for an exception from this limitation if the justification for withdrawal is clearly associated with circumstances beyond the student’s control. Withdrawal from a class with a W grade begins after the drop deadline, which is the first full week of classes, and continues through the end of the seventh full week of classes. After the seventh full week of classes, students are expected to complete the program attempted and will receive letter grades (A, A–, B+, B, B–, C+, C, C–, D+, D, D–, F, S, U, P, or N) for all classes in which enrolled unless they officially withdraw from the term. Procedures for withdrawal from individual classes are outlined in the term Schedule of Classes.
### Academic Regulations

**Footnotes:**
1. Withdrawal from the term, as defined in AR 13, is not included in the maximum of 12 individual OSU classes.
2. This regulation applies to undergraduate, postbaccalaureate, and nondegree undergraduate students.
3. The maximum withdrawal count will begin for all students starting fall 2012.

**AR 14. Attendance**

Attendance is one of the most important factors in a student’s academic success. Therefore, an instructor may consider attendance as part of a course grade. If attendance is used in determining the student’s grade, how attendance shall be used needs to be defined in the course syllabus by the instructor.

**AR 15. Academic Misconduct**

Definitions and examples of academic misconduct are outlined in the Code of Student Conduct, Section 4.2.1.

The administration of the classroom rests with the instructor. When potential academic misconduct comes to the instructor’s attention, the instructor documents the incident and permits the student to provide an explanation. If the matter can be resolved without an academic sanction, no report is necessary. If the instructor believes academic misconduct has occurred and that the violation warrants the application of an academic sanction, the instructor: (a) consults with the unit head, (b) submits an Academic Misconduct Report (AMR) documenting the allegations and indicating the proposed sanction, and (c) informs the student of the action taken. The instructor may recommend any academic sanctions.

Allegations of academic misconduct are reviewed and adjudicated by a college-designated hearing officer (CHO) in accordance with the procedures outlined in the Code of Student Conduct, Section 5.11. If the student is not a major in the college in which the course is offered, the CHO of the college in which the student is a major also receives a copy of the AMR.

Depending upon the severity of the violation, or if a record of previous academic misconduct exists, the college and/or university may impose additional sanctions. Sanctions imposed as a result of academic misconduct may be appealed by the student in accordance with the procedures outlined in the Code of Student Conduct, Section 8.

**AR 16. Finals Week**

1. No final, midterm, or comprehensive examinations shall be given during the week preceding final examination week. (Examinations on laboratory work, course material covered by “weekly” or “section” quizzes, television courses, ROTC activities, and physical education activities are allowed.)
2. Course work shall continue up to final week. Final examinations shall be given during finals week in accordance with the finals week schedule. If a final examination is not to be given in a course, this action must be approved by the department with notification to the Registrar’s Office. Requests for changes in the time of final examinations will be submitted to the Registrar’s Office.
3. All student petitions for changes in the time of final examinations must be made using forms available from the Registrar’s Office. (A summary of university final examination policy is printed on the form.) Petitions for changing final examinations are submitted directly to the instructor. Students may forward disapproved petitions through the dean of the college to the Registrar’s Office. Requests to change the assigned final examination time for an entire class must be approved by the Registrar’s Office. Final examinations may not be changed to the week preceding final week without approval of the Academic Requirements Committee.
4. No extracurricular activities or curricular activities other than examinations and final class meetings shall be scheduled during final week.

**Transcript Notation**

A notation of the dates of any approved leave will be indicated on each student’s official transcript.

**Footnotes:**
1. Military deployments are an exception to this limitation. All military personnel who are deployed for military service may submit a voluntary leave request for each deployment.
2. In accordance with the university’s catalog policy contained in the General Catalog.
3. The PELP began with the 2011–2012 academic year (Summer 2011). Any former OSU students who attended OSU prior to the 2011–2012 academic year and have been absent for four or more consecutive regular academic terms will be held to OSU’s prior policy that resets the academic catalog to the catalog in effect at the time they return to OSU.
AR 17. Grades
The grading system consists of twelve basic grades, A, A–, B+, B, B–, C+, C, C–, D+, D, D–, and F. The grade of A denotes exceptional accomplishment; B, superior; C, average; D, inferior; F, failure. Other marks are I, incomplete; W, withdrawal; R, thesis in progress; P, pass; N, no-credit; S, satisfactory; U, unsatisfactory; AUD, audited course; WAU, withdrawal from audited course; NG, no basis for a grade (administratively assigned by the Office of the Registrar, see below); WC, complete withdrawal.

When a requirement of a course has not been completed for reasons acceptable to the instructor and the rest of the academic work is passing, a report of I (incomplete) may be made and additional time granted. The I grade is only granted at the discretion of the instructor. The instructor must submit the grade the student will earn if the missing work is not completed; this is the alternate grade. The alternate grade will become the default grade if the missing work is not completed as part of the contract for completion of the grade. The instructor documents the deficiency and the deadline for completing the missing work. A record of the deficiency shall be kept on file in the unit or department office. The allotted time awarded shall not exceed one calendar year except by petition* or the time of the degree conferred, whichever comes first. To remove the I grade, the student must complete the deficiency within the allotted time and the instructor will then submit the appropriate grade. If the student fails to complete the work within the allotted time, the Registrar’s Office will automatically change the I grade on the student’s record to the alternate grade submitted by the instructor at the time the I was given. The alternate grade will be included in the grade point average. Under no circumstances shall a student who earns an A–F grade or an N or U grade have his or her grade changed retroactively to an I grade.

An instructor may move to correct a grade by filing a Change of Grade in the Registrar’s Office. Grade changes for students of a permanently separated instructor will be managed by the department chair of the course involved. Upon permanent separation from the university an instructor’s change of grade will not be accepted by the Office of the Registrar. The Office of the Registrar will routinely review grade changes.

*A student may petition via the Office of the Registrar for an extension of the one calendar year deadline with the concurrence of the faculty. An approved petition will grant an extension of a single additional term, with a maximum of three total extensions being possible. An approved petition for an extension of time to remove an incomplete will be voided at the time of degree conferred.

AR 18. Alternative Grading Systems
In addition to traditional letter grading (A–F), Oregon State University has adopted two alternative grading systems to be employed in accordance with the provisions outlined below:

a. Satisfactory/Unsatisfactory (S/U)
   1. Undergraduate students may elect to be graded on a Satisfactory/Unsatisfactory (S/U) basis in a course (except P/N courses) under the following conditions:
      a. A maximum of 36 credits of those presented in satisfaction of the baccalaureate degree may have been graded on an S/U basis at Oregon State University.
      b. A student normally elects the option S/U at the time of registration. Changes either to or from S/U grading will be permitted through the end of the seventh full week of any term.
      c. A student must obtain the approval of his or her academic advisor or dean in order to elect to be graded on an S/U basis.

b. Pass/No Credit (P/N)
   1. Those courses in which traditional letter grading has been deemed inappropriate because of the nature of the course content or the objectives of the course are graded on a Pass/No Credit (P/N) basis.
   2. Grades of P or N shall have no grade-point equivalents; hence such grades shall not be included in the computation of grade-point averages. The credits of courses in which a grade of P is obtained shall be counted toward graduation. Credit shall not be awarded for N grades.
   3. Departments are authorized to designate Pass/No Credit courses, subject to the following guidelines and procedures:
      a. The principal criterion for choice of grading system is enhancement of the educational experience for the student;
      b. The nature, structure, and/or objectives of a course may suggest that the Pass/No Credit grading system be adopted. It is anticipated that courses graded on this basis will generally fall into one of the following categories: skill-building courses or practicums, courses which stress orientation and awareness rather than academic preparation;
      c. The designation of Pass/No Credit grading for a course will follow the academic college’s recommendation and approval by the University Curriculum Council, and in the case of graduate courses, by the Graduate Council. Designation of courses for P/N grading must be completed prior to the opening of the term in which the course is offered and normally prior to preparation of the Schedule of Classes.
   4. Courses approved for grading on a Pass/No Credit (P/N) basis are identified in the General Catalog course descriptions and in the Schedule of Classes.
   c. Nothing stated in the above paragraphs shall be construed as constituting support for petitions requesting change of grade in courses taken during or prior to spring term, 1971.
AR 19. Grade Points
Grade points are computed on the basis of:
• 4 points for each credit of A grade,
• 3.7 for each credit of A– grade,
• 3.3 for each credit of B+ grade,
• 3.0 for each credit of B grade,
• 2.7 for each credit of B– grade,
• 2.3 for each credit of C+ grade,
• 2.0 for each credit of C grade,
• 1.7 for each credit of C– grade,
• 1.3 for each credit of D+ grade,
• 1.0 for each credit of D grade,
• 0.7 for each credit of D– grade, and
• 0 for each credit of F.
Marks of I, W, P, NG, S, U, AUD, WAU, and WC are disregarded in the computation of points. The grade-point average (GPA) is the quotient of total points divided by total credits; total credits are the number of term credits in which grades A, B, C, D, and F are received. Thus a person receiving 1 credit of A, 2 credits of B, 3 credits of C, 4 credits of D, 5 credits of F would have 20 grade points (1 x 4 plus 2 x 3 plus 3 x 2 plus 4 x 1 plus 5 x 0). The grade-point average would be 20 (grade points) divided by 15 (credits) equals 1.33. A C average on 15 credits attempted would require 30 grade points; if the student has 20 points, he or she is 10 grade points deficient.

AR 20. Repeated Courses
If a student repeats an Oregon State University course, the grade from each attempt1 will appear on the student’s academic record but only the second attempt will count toward the student’s institutional credits, requirements, and grade-point average2. An academic unit3 may, however, include subsequent attempts after the second attempt to meet individual course degree requirements associated with the baccalaureate core/majors/options/minors/endorsements. A course may not be repeated on an S/U basis if it was taken previously on a normal grade basis.

Footnotes:
1 An attempt comprises a final grade in a course where the grade is: A, A–, B+, B, B–, C+, C, C–, D+, D, D–, F, S, U, P, NP or an I/Alternate Grade (where the Alternate Grade is one of these grades).
2 Recognized repeatable courses as defined in the Oregon State University course catalog such as activity courses, research, seminars, and selected topics, do not come under this restriction. Additionally, if a course has been approved as a multiple repeatable course for credit and grade points, each attempt will be included in the institutional credits and grade-point average until it reaches its defined limit (total allowable attempts or credit maximums for the course). Further, the Office of the Registrar will include all courses from the first repeat taken until it reaches the maximum total allowable attempts or credit maximums for the course. All subsequent repeats after the repeat maximum has been reached will be excluded from both institutional credits earned and grade-point average calculations.
3 Academic Unit: College, School, or Department
4 Normal Grade Basis is defined as any grade of A, A–, B+, B, B–, C+, C, C–, D+, D, D–, F, or any I/Alternate Grade (where the Alternate Grade is one of these grades).

AR 21. Honor Roll
At the close of each term, the OSU Registrar publishes a list containing the names of all undergraduate and postbaccalaureate students who for the term have completed at least 12 graded credits with a grade-point average of 3.50 or above.

AR 22. Satisfactory Academic Standing [for Undergraduate Students]
Oregon State University expects students to maintain satisfactory academic progress toward degree completion. At the conclusion of each term, grade-point averages are calculated and academic standings determined for students seeking a baccalaureate degree according to the criteria outlined below. Students whose standings evidence a lack of satisfactory progress will be warned of this condition and advised to seek help from their academic advisors. Any student who is not on Academic Warning, Academic Probation, or Academic Suspension is in good standing.

1. Academic Warning: Students with a term GPA below 2.0 will be placed on Academic Warning.
2. Academic Probation: Students who have attempted4 24 or more credits at OSU and have an OSU cumulative GPA below 2.0 will be placed on Academic Probation. Students who attain a cumulative GPA of 2.0 or better are removed from Academic Probation.
3. Academic Suspension: Students who are on Academic Probation and have a subsequent term GPA below 2.0 will be placed on Academic Suspension. Academic Suspension is recorded on the student’s academic record. Students who are academically suspended are denied all the privileges of the institution and all organizations in any way connected to it, including any university-recognized living group.
4. Reinstatement to the University: Suspended students will be considered for reinstatement to the university after two years or completion of a minimum of 24 quarter credits of transferable college-level work at an accredited college or university, with a GPA of 2.5 or above.

The Faculty Senate Academic Standing Committee (http://senate. oregonstate.edu/academic-standing-committee) is responsible for enforcement of the above regulations on Satisfactory Academic Standing. Additionally, this committee has discretionary authority to grant exceptions and to develop guidelines for administering these regulations.

Footnote:
1 An attempt comprises a final grade in a course where the grade is: A, A–, B+, B, B–, C+, C, C–, D+, D, D–, F, S, U, P, NP, I/Alternate Grade (where the Alternate Grade is one of these grades), W.

AR 23. Special Examination for Credit
A regularly enrolled student in good standing, either graduate or undergraduate, currently registered at Oregon State University and wishing credit for an OSU course for which a grade has not been previously received, may petition for credit examination under the following conditions:
1. The application for such examination shall be presented on an Official Student Petition and shall bear the approvals of the dean of the student’s college, the dean of the college in which the course is offered, and the department in which the course is offered. Petitions for special examination for credit may be approved or denied at the sole discretion of the department/college or the faculty member offering the course, taking into account both the academic merit of the petition and the department/college’s ability to deploy adequate resources to prepare, administer, and grade such an examination.
2. In no case may such examination be based on work used for graduation from high school, or in a foreign language that is the mother tongue of the applicant, or in courses not listed in the Oregon State University General Catalog.
3. Grades earned in special examinations shall be submitted and recorded in the same way as for regularly registered courses, and will count with respect to repeating a course as defined in AR 20.
Academic Regulations

1. The application for examination to waive a course shall be
   presented on an Official Student Petition and shall bear the
   recommendations of the dean of the student’s college, the dean
   of the college in which the course is offered, and head of the
   department in which the course is offered. Petitions for special
   examination for waiver may be approved or denied at its sole
   discretion by the department/college offering the course, taking
   into account both the academic merit of the petition and the
   department/college’s ability to deploy adequate resources to
   prepare, administer, and grade such an examination.

2. No examination may be taken until the applicant has received a
   permit from the Registrar’s Office, for which a fee of $80 will be
   charged.¹

Footnote: ¹ As an alternative to departmental examinations, students may seek credit
   through the College Level Examination Program (CLEP) to the College
   Entrance Examination Board. CLEP includes nationally normed subject
   matter examinations and general examinations covering material included in
   a number of relatively standard courses taught in colleges and universities
   throughout the United States. Some of these subject matter examinations and
   general examinations have been accepted by departments at this institution.
   Policy guidelines have been established that make it possible for admitted
   and enrolled students to (a) transfer credits earned though these accepted
   CLEP subject matter and general examinations to this institution, providing
   certain criteria are met, and (b) earn credits through accepted CLEP subject
   matter and general examinations providing certain criteria are met. Further
   information about CLEP may be obtained from the Office of Admissions, B104
   Kerr Administration Bldg.

AR 24. Special Examination for Waiver
[Undergraduate Students]
A student may petition for examination to waive a course under the
following conditions:

1. The application for examination to waive a course shall be
   presented on an Official Student Petition and shall bear the
   recommendations of the dean of the student’s college, the dean
   of the college in which the course is offered, and head of the
   department in which the course is offered. Petitions for special
   examination for waiver may be approved or denied at its sole
   discretion by the department/college offering the course, taking
   into account both the academic merit of the petition and the
   department/college’s ability to deploy adequate resources to
   prepare, administer, and grade such an examination.

2. No examination may be taken until the applicant has received a
   permit from the Registrar’s Office, for which a fee of $80 will be
   charged.

3. A minimum grade of C (or equivalent) must be attained in an
   examination for that waiver to be granted.

4. Credit will not be granted for courses waived.

5. This regulation does not invalidate the right of a dean of a college
   or head of a department to waive a course requirement of their
   particular college or department, respectively.

AR 25. Institutional Requirements for Baccalaureate
Degrees
a. Baccalaureate Core: Each student will complete the following
   requirements:

1. Skills Courses (15 credits)
   Mathematics, Writing I, and Speech must be taken and
   completed satisfactorily within the first 45 hours of OSU-
   generated credits. Writing II must be taken and completed
   satisfactorily within the first 90 hours of OSU-generated credits.
   Fitness (3 credits)
   Mathematics (3 credits)
   Speech (3 credits)
   Writing I (3 credits)
   Writing II (3 credits)

2. Perspectives Courses (24 credits)
   Physical science (with lab) (4 credits)
   Biological science (with lab) (4 credits)
   Plus choice of second course in either of the above (with lab) (4
   credits)
   Take a minimum of one course in each of the following areas:
   Western culture (3 credits)
   Cultural diversity (3 credits)
   Literature and the arts (3 credits)
   Social processes and institutions (3 credits)

3. Difference, Power, and Discrimination Courses (3 credits)

4. Synthesis Courses (6 credits)
   Science, technology, and society (3 credits)
   Contemporary global issues (3 credits)

5. Writing Intensive Courses, upper division (WIC) (3 credits)
   The Baccalaureate Core Committee determines which courses
   will satisfy each of the requirements above. WIC courses will be
   reviewed by the Writing Advisory Board. The core is governed by
   the following rules: (1) No more than two courses from any one
   department may be used by a student to satisfy the Perspectives
   category of the core. (2) No single course may be used by a
   student to satisfy more than one subject area of the core even
   though some courses have been approved in more than one
   area. (3) Both Synthesis courses may not be taken in the same
   department.³

b. An undergraduate student may be granted a baccalaureate
   degree with one or more majors.

c. Credits: Minimum 180 earned credits, which must include:⁴ ⁵
   1. Credits in upper-division courses: minimum
      60 (exclusive of upper-division physical education activity
      courses).

2. Credits in each major: minimum 36, including at least 24 in
   upper-division courses.

d. Baccalaureate Degrees: All students receiving a BA degree shall
   have proficiency in a second language, including American Sign
   Language (ASL), equivalent to that attained at the end of the second
   year sequence with a grade of C– or better as certified by the School
   of Language, Culture, and Society. Colleges offering both the BA and
   the BS will have specific requirements distinguishing the two degrees.
   The college requirements for the two degrees will place comparable
   demands upon the time and effort of students, and that assessment
   of comparability will include the foreign language requirement for
   the BA. Academic units offering both the BA and BS may have specific
   requirements distinguishing the two degrees.

e. Grade-Point Average: minimum of 2.00 on OSU cumulative grade-
   point average.

f. Academic Residence:

1. A minimum of 45 of the last 75 credits, or 150 total credits, must
   be completed while the student is in academic residence at OSU.
   “Academic Residence” is defined as OSU courses taken as a degree-
   seeking student of OSU or courses through one of the following
   approved special programs: Professional degree programs which
   require that the student enroll in another institution while finishing
   the bachelor’s degree at OSU or an international study program
   sponsored by Oregon State University.

2. A minimum of 15 upper-division credits used to meet the preceding
   residency requirement (1) must be taken in each of the student’s
   majors.

3. Credits earned by special examination for credit (AR 23) are not
   considered in academic residence.
Academic Regulations

Footnotes:

3 Lists of approved courses may be obtained from advisors. Approved courses are also listed in the OSU General Catalog.

4 Some degree programs may require more than 180 credits.

5 Unearned credits are those courses for which a grade of F, N, U, I, W, AUD, or WAU are assigned as a final grade for that course. All other grades are calculated as earned credit.

Faculty Senate revised AR 25f effective academic year 2013–2014.

AR 26. Concurrent and Subsequent Baccalaureate Degrees

a. Concurrent Baccalaureate Degrees: An undergraduate student may be granted two or more baccalaureate degrees (for example the BA or BS) at the same graduation exercise. The student must:
   1. Complete institutional, college, and departmental requirements for the degree;
   2. Complete, for each additional degree, a minimum of 32 credits more than the requirements of the curriculum requiring the least number of credits; and
   3. Complete each additional 32 credits in residence.

b. Subsequent Baccalaureate Degree: A student who has received a previous baccalaureate degree from either OSU or another accredited university may be granted a subsequent baccalaureate degree. The student must:
   1. Complete, for a BA degree, the requirements for foreign language proficiency (AR 25d);
   2. Achieve a minimum of 2.00 on OSU cumulative grade-point average;
   3. Complete requirements of the major college and receive the dean's certification; and
   4. Meet the requirements for a concurrent degree as specified in AR 26a, if a previous baccalaureate degree has been received from OSU. The additional credits may be taken at any time prior to or subsequent to the granting of a previous OSU baccalaureate degree. Students with a baccalaureate degree from another institution must meet the Academic Residence requirement in AR 25f.
   c. A student seeking a baccalaureate degree under the provisions of either AR 26a or AR 26b also must satisfy the appropriate residence requirements as defined in AR 25f.

AR 27. Subsequent Credentials: Minors, Certificates, Options, and Majors

a. Subsequent Minors and Certificates: A student who has received a previous baccalaureate degree from either OSU or another accredited university or college may be granted a subsequent minor or certificate. The student must:
   1. Complete current requirements for minor or certificate and receive the dean's approval;
   2. Achieve a minimum of 2.0 OSU cumulative grade-point average on work taken for subsequent credential;
   3. Academic residence: minimum 15 credits in residence.

b. Subsequent Options and Majors: A student who has received a previous baccalaureate degree from OSU may be granted a subsequent option or major credential:
   1. Complete current requirements for option or major and receive dean's approval;
   2. Achieve a minimum of 2.0 OSU cumulative grade-point average on work taken for subsequent credential;
   3. Academic residence: minimum 15 credits in residence.

c. Additional credits necessary for subsequent credentials may be taken prior to or subsequent to the granting of a previous baccalaureate degree.

AR 28. Substitutions

a. Undergraduate students: Substitutions for institutional requirements as outlined in AR 25, except for baccalaureate core requirements of AR 25a, may be petitioned to the Academic Requirements Committee after approval by the student's dean or college head advisor. Substitutions for baccalaureate core requirements of AR 25a may be presented for consideration to the student's dean or college head advisor. Substitutions or adjustments of college or departmental requirements are also subject to approval by the college or department.

b. Graduate students: Substitutions for institutional requirements or deviations from the normal Graduate School regulations and policies may be made only by obtaining the approval of the dean of the Graduate School following a petition by means of a letter signed by the student and the student's major professor. Action taken on such substitutions or petitions will not be considered as a precedent for any future action.

AR 29. Graduation Exercises

Attendance at graduation exercises is optional for graduating students. In accordance with procedures obtained from the Registrar's Office, the candidate is responsible for declaring whether or not he or she will attend commencement, regardless of the term in which requirements are completed.

AR 30. Auditing Courses

Audit registration permits a student to enroll in a course for no credit and no grade. Course requirements for an audited course will be determined by the course instructor. Audit registration is available to degree and non-degree students. Audit registration is only allowable during the second full week of the term. Those who wish to audit should contact the Office of the Registrar for registration procedures, which will require approval of the course instructor. Audit courses are assessed instructional fees at the same rate as for credit courses. Any changes to an audit registration are subject to the same procedures, deadlines, and special fees as for registration changes to regular courses. Upon completion of an audited course, the designation of AUD will be recorded on the transcript. The designation of WAU will be recorded on the transcript for students who withdraw from an audit course.
AR 31. Academic Fresh Start Policy
An Oregon State University undergraduate student may petition once with the registrar to exclude OSU courses from the calculation of institutional requirements, credits, and grade-point average, under a condition of academic fresh start defined below:

Conditions to qualify:
The student must have an absence from OSU that begins after the end of the student’s last term of attendance and exceeds five academic years before re-admittance to a degree program at OSU. Prior to applying for academic fresh start student must, after re-enrolling in the university, have successfully completed a minimum of 24 letter-graded units over two consecutive terms, and earned a grade-point average of at least 2.5 in these terms. The student must also provide a signed letter of recommendation from a current OSU college dean, school director, or department or program chair/head. It may be seconded by the college head advisor or a current faculty member within the discipline the student is currently engaged to complete advocating on the student’s behalf for academic fresh start.

Effect of the academic fresh start:
• Upon meeting all of the conditions of qualification, the student may select from one to three contiguous academic terms from previous enrollment at OSU for the application of academic fresh start.
• The grades1 from all courses taken during the terms that are proposed for academic fresh start will be excluded from meeting institutional requirements and the calculation of institutional units and grade-point average.
• All grades representing the student’s academic history at OSU will appear on the student’s academic record (transcript), but all academic fresh start approved courses will be coded as “excluded” similar to a repeated course. Additionally, a comment of “Academic Fresh Start” will be appended to each term that qualifies under academic fresh start.
• All courses excluded under academic fresh start, will also be excluded from the calculation of course repeats defined by AR 20.

Footnote:
1 Valid grades include outstanding I (Incomplete) grades that have not been resolved.
Final Week Schedule 2018–2019

Final Examinations and Examination Policies
Mid-Term and Finals schedules are online at http://registrar. oregonstate.edu/

Group Midterm Examination Policy
(Policy as reviewed and modified by the Committee on Examinations 1987–88 and approved by Academic Affairs with the concurrence of the Executive Committee of the Faculty Senate.)
1. Group midterm examinations exist in order to facilitate the administration of courses with multiple sections (where the midterm examination is common to all sections).
2. A course qualifies for a group midterm if it consists of three or more sections or two sections of an anticipated enrollment of 150 or more students. All sections of the course constitute the group.
3. Requests for group midterms should be addressed to the Office of the Registrar. Departments originating such requests should obtain a forwarding endorsement from the appropriate Dean. The request should include the date, time, and the number of students and sections. Requests must be received not later than the second Friday of the term. Requests will normally be granted assuming space is available and no conflicts exist. Requests will be scheduled on a first-come-first-serve basis.
4. Group midterm examinations will be scheduled at 1900 for one regular class period. No group midterm examinations will be scheduled before 1900.
5. In the case of group midterm examinations, provisions must be made to administer an equivalent make-up examination to students who for a good reason cannot attend a specially-scheduled group midterm examination. The following exemplify reasons that could justifiably prevent a student from taking a group midterm examination: a schedule conflict, job, lengthy commuting distance, etc. Classes required to take a group midterm examination will have one designated class period canceled. These policies also apply to midterms in all courses administered outside regular class meeting times.

Group Final Exam Policy
(Policy as reviewed and modified by the Committee on Examinations 1987–88 and approved by Academic Affairs with the concurrence of the Executive Committee of the Faculty Senate.)
1. Group final examinations exist in order to facilitate the administration of courses with multiple sections (where the final examination is common to all sections).
2. A course qualifies for a group final if it consists of three or more sections, or two sections and an anticipated enrollment of 150 or more students. Normally all sections of the course constitute the group.
3. Group final examinations will be the same length of time (110 minutes) as other examinations.
4. Requests for group final examinations should be addressed to the Office of the Registrar. Departments originating such requests should obtain a forwarding endorsement from the appropriate Dean. Normally these requests should be submitted in order to meet publication dates for the forthcoming Schedule of Classes.
5. In the case of group final examinations, provisions must be made to administer separate examinations to students with conflicts (examinations in two or more courses scheduled on the same day and time). Conflicts will be resolved in accordance with the instructions contained in the Final Week Schedule, Schedule of Classes, either printed or online.

Final Examination Policy
(Policy as reviewed and modified by the Committee on Examinations 1987–88 and approved by Academic Affairs with the concurrence of the Executive Committee of the Faculty Senate.)
1. Final examinations are administered during the final class meeting, in accordance with the “Final Week Schedule” as published in the Schedule of Classes. Final examinations shall not be given during “dead week.” (See Academic Regulation #16).
2. Final examinations will be 110 minutes (1 hour 50 minutes) long.
3. Requests for a change in the time of a final examination should be submitted by the instructor to the Office of the Registrar prior to the end of the fifth week of the term in which the examination is scheduled. The request must contain the supporting endorsements of the department chair and dean.
4. If a final examination is rescheduled, provisions must be made to administer the examination on the originally scheduled date/time to those students unable to accommodate the rescheduled examination.

Exam Conflict Resolution
• Conflicts should be resolved Friday 1200 or Friday 1400, or at the mutual convenience of the instructor and student. Order of priority in determining which class takes precedence in the event of conflicts: Institution-required courses, major courses, minor courses, electives.
• Examinations are given in regular classrooms unless different rooms are requested through the deans and assigned by the scheduling coordinator, Office of the Registrar.
• Examination periods are 110 min. (1 hour, 50 min.)

Student Petitions to Change the Time of a Final Examination: Policies and Procedures
(Policy as reviewed and modified by the Committee on Examinations 1987–88 and approved by Academic Affairs with the concurrence of the Executive Committee of the Faculty Senate.)
1. A student request to change the time of a final examination is made on a Petition for Change in Time of an Examination During Final Week form available at the Office of the Registrar. (A Summary of University Final Examination policy and AR 16 is printed on the form.)
2. Petitions for changing a final examination are submitted directly to the appropriate instructor. Oregon State University instructors are committed to helping students achieve their personal and academic goals. However, rescheduling a final examination may not be possible even for the most meritorious reasons. For example, there may not be time to design and prepare an equivalent make-up examination for individual students.
3. In June 1988, the Faculty Senate Executive Committee recommended that instructors who can make arrangements for a rescheduled final examination may approve student petitions for any reasons they feel are appropriate. No further approval is required.
4. Students may forward disapproved petitions through the dean of the college to the university registrar for review. Approvals are normally limited to the following reasons:
   a. Conflict with working hours on a job that has been held during the term, and for which working schedules cannot be readily adjusted. Example: driving a school bus.
   b. Religious reasons.
Final Week Schedule 2018–2019

c. Four finals in one day. Where amicable agreement cannot be reached by the student and the instructors, a solution following the rules on schedule conflicts in the Registration Information Handbook or online will be used.

e. Other exceptional hardship cases.

f. Petitions for reasons of personal convenience are generally not approved.

5. A request to change the assigned final examination time for an entire class must be forwarded via the instructor, department chair, and dean to the Office of the Registrar. A request to change a final examination to dead week must be addressed to the Academic Requirements Committee. Appropriate forms are available in the Office of the Registrar.

Ecampus Testing Policies

Ecampus follows the same examination policies set by the university. Some of your distance courses will require you to take proctored exams. Your instructor will indicate this requirement via the course catalog, course syllabus, a classroom announcement, or an email. Not all of your courses will require proctored exams. Ecampus recommends completing the required proctoring forms at least 1 to 2 weeks prior to your exam. The Ecampus Testing Coordinator is available if you have questions or problems and can be contacted at 1-541-737-9281. Additional information on Ecampus testing, including a step-by-step guide for scheduling, can be found at https://ecampus.oregonstate.edu/services/proctoring/.

Academic Glossary/Catalog Definitions

The following terms are used throughout the catalog and Registration Information Handbook.

Academic probation: Students who have completed two or more terms at OSU and have an OSU cumulative GPA below 2.0 will be placed on probation. Students who attain a cumulative GPA of 2.0 or better are removed from academic probation.

Academic suspension: Students who are on probation and have a subsequent term GPA of less that 2.0 will be placed on suspension. A student who has been suspended from OSU is prohibited from enrolling in classes, and must fulfill specified criteria before being re-admitted to the university (see Academic Regulation 22. Academic suspension is recorded on the student’s academic record.

Academic warning: Students with a term GPA below 2.0 will be placed on academic warning.

Academic year: The time period containing the academic terms fall, winter, and spring (currently September through June). When summer term is considered as part of an academic year, or when it is considered as part of the Banner Student Information Systems (SIS), summer term is the first term of the academic year.

Add/Drop: Students may add or drop classes during the first two weeks of each term.

Advanced placement: Advanced placement and/or credit may be granted to an entering student who has satisfactorily completed College Board Advanced Placement Examinations taken during high school.

Advanced standing report: A summary of courses and credits completed by a student at one postsecondary institution and accepted by another institution at the time of admission. The advanced standing report is used to determine the number of required and elective credits needed to complete degree requirements.

Advisor: A faculty member appointed by a program, department, school, or college to advise students during their college experience.

Baccalaureate core: The university’s general education requirements consisting of skills courses; perspectives courses; difference, power and discrimination courses; synthesis courses; and writing intensive courses. A baccalaureate core course is designated with an asterisk, *, a writing intensive course with a caret, ^. See Earning a Degree at Oregon State University in this catalog.

Baccalaureate degree: An approved academic award given for the satisfactory completion of an instructional program requiring at least four but not more than five years of full-time equivalent college-level academic work that includes the following: (1) institutional general education requirements (i.e., baccalaureate core); (2) major area of study requirements; and (3) may include option, minor, supporting area, or elective requirements. A minimum of 180 credits is required for most degree programs. Some majors may require more. The conditions and conferral of the award are governed by the department, college, or program and notation on the transcript. A completed baccalaureate degree program draws courses from more than one department, rather than a single department (as with most minors). An undergraduate certificate program must be taken in conjunction with a formal degree program. An undergraduate certificate requires a minimum of 27 credits.

Certificate program (undergraduate): A specified interdisciplinary program of study leading to an official certificate and notation on the transcript. A certificate program draws courses from more than one department, rather than a single department (as with most minors). An undergraduate certificate program must be taken in conjunction with a formal degree program. A certificate program requires a minimum of 27 credits.

Certificate program (postbaccalaureate): A specified program of study of undergraduate courses leading to an official certificate and notation on the transcript. A completed baccalaureate degree program from an accredited institution is required. A postbaccalaureate certificate program requires a minimum of 27 credits.

Certificate program (graduate): A structured progression of graduate-level courses that constitute a coherent body of study with a specifically defined focus within a single discipline or a logical combination of disciplines. It is designed for students who have completed a baccalaureate degree and are in pursuit of advanced-level learning. A graduate certificate requires a minimum of 18 graduate credits.

Certificate program (professional): A site-based training and professional development certificate that is not transcript visible.

College: A subdivision of the university offering degree programs within a specific subject area. For example, the College of Forestry offers degree programs in forest engineering, forest resources, forest science, and wood science and technology.

Commencement: A term used to refer to the graduation ceremony held in June.

Corequisite: A course that must be taken concurrently with a course.

Course: An organized unit of instruction or research. Types include lectures, recitations, seminars, laboratories, discussions, internships, clerkships, reading and conference, independent study, and other categories of courses.

Course designator (subject code): An abbreviation representing the department, college, or program offering the course. Example: MB indicates that the course is offered through the Department of Microbiology.

Course Reference Number (CRN): A five-digit number used to select a specific course, lab, and/or recitation.

CRED (Credential): A student who has received a previous baccalaureate degree from either OSU or another accredited university or college may be granted a subsequent minor, certificate, major or option under the guidelines of Academic Regulation 27. It indicates the student is not seeking a degree, but rather a credential to accompany an existing degree.

Credit: Credits vary, depending upon the type of course and level at which it is offered. One credit is generally given for three hours per week of work in and out of class. For example, each hour of class lecture is generally expected to require two hours of work out of class. One credit would be given for a lecture course that met for one 50-minute period each week over a 10-week period; i.e., 10 contact hours between
Academic Glossary

faculty and students. One credit is typically given for a laboratory course that meets for two to three hours per week for an entire term. Equivalent credits are given for recitations, discussions, and other types of courses. All credits given in the General Catalog refer to quarter credits. When transferring in course work from a semester system institution, multiply the number of credits by 1.5 to determine how many quarter credits will be transferred (3 semester hours x 1.5 = 4.5 quarter credits). If planning to transfer OSU credits out to a semester system institution, multiply the number of quarter credits by 6.7 to determine how many credits will transfer (4 quarter credits x .67 = 2.68 semester credits).

Curriculum: (plural curricula) An organized program of study and courses required for a specific degree or certificate program.

Degree: An academic award granted upon satisfactory completion of a set of collegiate-level educational requirements.

Discipline: A field of study in which a student may concentrate, such as sociology, anthropology, or mathematics.

Doctoral degree: An approved academic award given as a sign of proficiency in scholarship and for the satisfactory completion of an instructional program requiring at least three years of full-time equivalent academic work beyond the baccalaureate degree, the completion of which signifies recognized competence, original research and/or the capacity to do independent advanced graduate-level analysis. A minimum of 108 credits is required beyond the baccalaureate degree. [Note: The total number, above the minimum, will vary by degree program.] The conditions and conferral of the award are governed by the faculty and ratified by the Oregon State Board of Higher Education.

Double degrees: A student may earn multiple, different degrees simultaneously. Additional degrees may also be earned after your first degree was awarded. The degrees may be offered by the same college, or by different colleges. To earn a double degree, or for each additional degree, a student must complete a minimum of 32 credits above the minimum number of credits needed for one of the degrees. Each degree application is reviewed by the appropriate academic advisor. Advisors complete a separate graduation audit for each of the degrees.

On the student’s academic record, each degree awarded will be recorded as a separate degree with its major, e.g., Bachelor of Science in Mathematics, Bachelor of Arts in English. The student will also receive a separate diploma for each degree awarded (See Academic Regulation 26).

Some double-degree programs — Education (BA, BS, HBA, HBS), Innovation Management (BA, BS, HBA, HBS), Sustainability (BS, HBS), International Studies (BA, HBA) — require that a primary degree be completed in order for the secondary degree to be awarded. When multiple degrees are not dependent on one another, one of the degrees may be awarded even though requirements for the other degree have not yet met. The double degree may be earned concurrently or subsequently. (See Academic Regulation 26.)

Dual (or multiple) majors from same college: A student may earn two or more majors within a single degree program (a particular combination of degree, college, and campus, e.g., BA degree from the College of Liberal Arts on the Corvallis campus). It is sometimes possible to complete two or more majors within the minimum number of credits required for a degree, but usually the student must complete additional credits to complete requirements for all of their majors. For this reason, dual (or multiple) majors are obtained within the same college. The advisor must complete one graduation audit that includes all of the majors. The student’s academic record will list one degree with two or more majors, e.g., Bachelor of Science in Mathematics and Chemistry. The student receives one diploma. Dual (or multiple) majors may be obtained concurrently with the completion of the degree, or in some cases may be earned as a credential subsequent to completion of the degree. (See Academic Regulation 27.) Note: Occasionally, with careful planning, a student can complete two majors from separate colleges in less than the 212 credits required for two degrees. When this occurs a student can petition for an exception, and graduate with two majors from separate colleges. The student must pick one college as their home college and all majors will be associated with the home college. The student must have the support of advisors from both major programs to have their petition considered.

Electives: Courses students may select, either for general knowledge or for fulfilling specific degree requirements. They are generally chosen and used by students to supplement or enrich the required curriculum.

Endorsement: An endorsement is the subject matter (content area) or specialty in which an individual is licensed to teach. Endorsements can be part of an initial teaching license or can be added later.

First professional degree: An academic award granted for an instructional program the completion of which: (1) signifies completion of the academic requirements to begin practice in the profession; (2) requires at least two years of full-time equivalent college-level work prior to entrance; and (3) usually requires a total of at least five years of full-time equivalent academic work to complete the degree program, including prior required college-level work plus the length of the professional program itself (examples, DVM in veterinary medicine and PharmD in pharmacy). The conditions and conferral of the award are governed by the faculty and ratified by the state of Oregon Higher Education Coordinating Commission.

Freshman: A student who has completed 44 of fewer term credits toward an undergraduate degree.

Grade-point average (GPA): Total number of grade points received for A, A–, B+, B, B–, C+, C, C–, D+, D, D– or F grades divided by total number of credits attempted. OSU uses a 4-point grade scale.

Grade points: Quality points assigned for one term credit of each grade: A = 4.0; A– = 3.7; B+ = 3.3; B = 3; B– = 2.7; C+ = 2.3; C = 2.0; C– = 1.7; D+ = 1.3; D = 1; D– = .7; F = 0.0. Grades of I, P, N, S, U and W are not computed.

Grades: Letters used to indicate the quality of academic work completed in a given course: A, A–, B+, B, B–, C+, C, C–, D+, D, D–, F, I, S, U, P, N, W.

Graduation audit: An evaluation of a student’s academic record to determine if the graduation requirements set forth by the university, college, and major department have been fulfilled.

Graduate area of concentration: A graduate area of concentration is a subdivision of a major or minor in which a strong graduate program is available. Areas of concentration may be referenced on the student’s academic work, but they are not listed on the student’s transcript. “Areas of concentration” can only be used in association with graduate programs.

Graduate major: A graduate major is the area of academic specialization, approved by the State Board of Higher Education, in which the student chooses to qualify for a graduate degree. Upon completion of a graduate degree, the degree awarded and the graduate major are listed on the student’s transcript.

Graduate option: Options are for students of a specific major. An option is one of several distinct variants of course aggregations within a major that focus on an area of study designed to provide a student with specialized knowledge, competence, and skills while sharing a minimum core of courses.
A graduate option consists of a minimum of 12 designated quarter credits of related course work (excluding thesis credits), comprised of course work offered by the sponsoring unit as well as by other academic units. The option may be comprised of specific courses, completion of a designated number of credits from a longer list of alternative courses, or a combination of specific and alternative course lists. Approved options may be added to a graduate program of study, and approved by the faculty advisor(s) and the director of the sponsoring unit. On the program of study, there should be no overlap in course credits between options (the same course cannot be used to satisfy credit requirements in multiple options). When the unit submits the final examination card to validate awarding of the major to the Graduate School, the unit will also validate that the requirements of the option have been completed.

Hybrid course: A hybrid course includes both regularly scheduled on-site classroom meetings and significant online, out-of-classroom components that replace regularly scheduled class meeting time. A substantial portion of the course learning activities are delivered online; face-to-face meeting time is generally reduced by approximately 50% compared to a traditional on-campus course. For further information, visit http://ctl.oregonstate.edu/hybrid-learning/osu-hybrid-faqs.

Interdisciplinary: A course or program that integrates concepts, knowledge, or faculty from several fields of study.

Junior: A student who has completed at least 90 but not more than 134 term credits toward an undergraduate degree.

Lower-division courses: Course offerings at a level of preparation usually associated with freshmen and sophomore students (e.g., 100- and 200-level courses).

Major (graduate): See Graduate major above.

Major (undergraduate): An extensive program of study in a designated subject area. Majors require at least 36 credits, 24 of which must be upper-division.

Master's degree: An approved academic award given as a mark of proficiency in scholarship and for the satisfactory completion of an instructional program requiring at least one but not more than two years of full-time equivalent academic work beyond the baccalaureate degree. A minimum of 45 credits is required beyond the baccalaureate degree. [Note: The total number, above the minimum, will vary by degree program.] The conditions and conferral of the award are governed by the faculty and ratified by the Oregon State Board of Higher Education.

Minor (graduate): A graduate minor is an academic area that clearly supports the major. Master’s program minors must include a minimum of 15 quarter credits of graduate course work; doctoral minors require a minimum of 18 credits. On a master’s or doctoral program, a minor may be:
1. an academic area available only as a minor,
2. a different major,
3. the same major with a different area of concentration, or
4. an integrated minor.

An integrated minor consists of a series of cognate courses from two or more areas. These courses must be outside the major area of concentration, with most of the courses being outside the major department. The graduate faculty member representing the integrated minor must be from outside the major department. Graduate minors are listed on the student’s transcript.

Minor (undergraduate): A secondary field of specialized study that may be offered by an academic unit for its own majors and/or majors from other academic units. Minors require at least 27 credits, 12 of which must be at the upper-division level. An approved minor is placed on the student’s transcript.

Option (undergraduate): Options are for students of a specific major. Options consist of at least 21 designated credits of course work, 15 of which must be at the upper-division level. If all requirements have been met, the option may be listed on a student’s transcript.

Perspectives courses: Baccalaureate core courses that integrate fundamental knowledge from science and liberal arts disciplines to develop cultural, historic, and scientific perspectives.

Postbaccalaureate student: A student holding a baccalaureate degree who is admitted to work toward a second baccalaureate degree or teaching certificate is classified as a postbaccalaureate student (AR 4).

Pre-professional program: Curriculum generally offered at the freshman and sophomore levels. A pre-professional program is designed to ensure students have the aptitude, motivation, and discipline to successfully complete advanced course work as well as achieve the standards for a chosen career field.

Prerequisites: Requirements that must be completed before enrollment in a particular course. The instructor may waive a prerequisite.

Professional program: Curriculum generally offered at the junior and senior level, designed to prepare students for a professional career within a specific field (e.g., engineering, pharmacy). Admission to professional programs, often based on prior course work and/or work experience, is competitive.

Reading and conference: A course focused on reading assignments to be completed in conferences with the instructor.

Reserved numbered courses: Certain blocks of numbers that have been assigned for specific courses that may be taken for more than one term. The credits being granted vary according to the amount of work done.

100–110 and 200–210: Survey or foundation courses in the liberal arts and sciences
401/501/601: Research and Scholarship
402/502/602: Independent Study
403/503/603: Thesis/Dissertation
404/504/604: Writing and Conference
405/505/605: Reading and Conference
406/506/606: Special Problems/Special Projects
407/507/607: Seminar
408/508/608: Workshop
409/509/609: Practicum/Clinical Experience
410/510/610: Internship/Work Experience

Senior: A student who has completed 135 or more term credits toward an undergraduate degree.

Sequence: Two, three, or four closely related courses that are usually taken in numerical order and through more than one term.

Skills courses: Baccalaureate core courses designed to give the student fundamental mathematical, communication, and fitness competence.

Sophomore: A student who has completed at least 45 but not more than 89 term credits toward an undergraduate degree.

Special topics courses (X99): Like reserved numbered courses, special topics courses may be repeated as specified by the academic unit responsible for the course offering. It is implied that the course content is different each time the student takes the course. In the schedule of
Academic Glossary

classes, section titles are listed as “ST/” followed by the topic covered in the section.

Student enrollment levels: The levels below establish enrollment levels for federal financial aid eligibility and the deferment of student loans. Summer enrollment levels are the same as other terms.

Full Time: 12 or more credits in a term
Three Quarter Time: 9 to 11 credits in a term
Half Time: 6 to 8 credits in a term

Syllabus: A list of course objectives, lecture topics, assigned reading, exams, etc., prepared and distributed by a professor at the beginning of the term.

Synthesis courses: Baccalaureate core upper-division courses that emphasize interdisciplinary, critical thinking approaches to global, technological, and societal issues.

TBA: Commonly used abbreviation for “to be arranged”; time, place, or credit of a course is to be arranged with the instructor.

Term: Usually one-third of the school year. Terms at OSU are divided into fall, winter, and spring terms (also referred to as “quarters”). Summer term is generally an 8- or 11-week session during the summer. See “Credits” above.

Transfer student: An individual who has completed 36 or more transferable term credits at another institution and will resume his or her college course work at a second institution.

U-Engage: First-year seminar designed to assist the transition of new students to college.

University: An assembly of colleges, each specializing in a different field.

Upper-division courses: Advanced course offerings at a level usually associated with junior or senior students. Upper-division courses are numbered in the 300s and 400s.

Waive: This term refers to decisions of advisors to “waive” a course or courses in a student’s program. Typical reasons include transfer credit for equivalent courses, equivalent experience in the profession or discipline, and petitioning for and successfully completing an examination. Waiving courses usually does not decrease the total credits required for completion of the degree or program; students should discuss this with their advisor.

Withdraw: To voluntarily leave a course or the term without academic penalty. A W letter grade will be placed on the student’s transcript for each course attempted.

Workshop: A brief intensive course for a small group which emphasizes problem solving.

Writing Intensive Courses (WIC): Designated upper-division courses in the major discipline that use student writing as a significant approach to learning. WIC courses must meet a variety of requirements, as do other courses in the baccalaureate core. WIC courses have a carat, ^, in front of the title.
OSU Student Resource Guide

EDIT VIEW

Build a New Plan
From Scratch or use a Template, use the New Plan button.

Add Notes
Specific to a term, to the entire plan, or to a particular course. When note is saved, the Note icon lights in orange.

+ / - to add/delete
Use plus and minus button to add or delete a term in your plan. Use these buttons within a term to add or delete items to term.

Drag-N-Drop
Drag and drop courses from Still Needed column list into plan after you set up terms.

Edit Your Plan
Edit View is the only view you can edit the plan: Add/Delete/ terms, classes, choices, placeholders, set min grades and credits.

Courses
Drag and drop courses from the Courses list if you cannot find the course you need in Still Needed list.

AUDIT VIEW

Compare
View your plan and your degree checklist side by side. See how classes in your plan apply to your current major, add up in overall credits.

Drag-N-Drop
Drag courses from your Degree Checklist over to your plan and drop in a term you plan to take the class.

View Notes
You can view Notes in your plan by clicking on the orange Note icon.

Adjustable View
You can make the Degree Checklist side or the Planner side of view wider. Use the screen separator in the middle. Scroll up and down on either side separately.

CALENDAR VIEW

High-level View
Each academic year in your plan is displayed as a row with associated terms. This is best view to print to have a at-a-glance view of your plan.

View Notes
You can view Notes in your plan by clicking on the orange Note icon.

No Functions
Calendar view has no other functions besides viewing notes and viewing course information when you click on courses in each term. If you need to make a change in your plan, switch to Edit View.

NOTES VIEW

High-level View
Displays notes with full content. You can see also what the note is related to: note for entire plan, or for specific term and course. Title of the note indicates what the note is for.

Canvas Basics for OSU Students

How-Tos
Submit an Assignment
Instructors may create assignments that you will upload a file to, similar to an email attachment. Note that once the file has been uploaded you cannot delete the file. You can upload another file, if needed.

1. Open the attachment from Modules or from your Grades page.
2. Click the blue Submit Assignment button.
3. To upload a file from your computer, click the Choose File button.
4. When the file window appears, locate and click the name of the file. At the bottom of the window, click the Choose or Browse button (depending on your browser). Entering comments for your instructor is optional.

View Comments from Your Instructor
If your instructor has given you comments while grading your assignment, you can see them on the Grades page, or by opening the assignment.

On the Grades page, icons to the right of the assignment name show Comments, Scoring details, or Rubric details (if a rubric was used). Click any of the icons to see details.

Send a Comment to Your Instructor on a Grade
You can send comments to your instructor when submitting an assignment, or after it's been graded. You can enter text comments, attach a file, or use a webcam to record a comment. Be sure to click Save when your comment is ready to be sent.

To view instructor comments and annotations on your File Upload assignment, open the assignment and click the View Feedback link on the right side of the page.

What-If Grades
What-if grades allow students to enter hypothetical grades for an assignment and see the effect on your grade. Instructors never see students' What-if grades. To try this, open Grades, click a score cell and enter a grade.

The Grades page updates the total score with the What-if grade, which is shown in red.

To revert your What-if grade to your actual score, click the arrow next to the What-if grade.
