Computing Resources Committee (Stefanie Buck, Chair)

The Committee shall consist of six Faculty, at least four of whom must be Teaching Faculty, and two Students, and the following ex-officio, non-voting members: the Vice Provost for Information Services or a designated representative, and a representative from Technology Across the Curriculum (TAC). The Vice Provost for Information Services may recommend a resource person from Information Services as another ex-officio, non-voting member. The CRC chair serves as an ex-officio member of the Information Technology Coordinating Committee (ITCC).

Rationale: Rather than having to find a representative for each meeting that the Vice Provost for Information Services may not be able to attend, allowing a designated representative will offer him or her more flexibility and accommodate his or her busy schedule. A designated representative will also provide continuity and a consistent flow of information between the CRC and the Vice Provost for Information Services.

Committee on Committees Review: Approve
Faculty Senate approved on April 12, 2012
