Materials linked from the November 29, 2012 Faculty Status Committee agenda.

OAR definition of Professor of Practice (POP-specific references highlighted):

CLINICAL FACULTY OR PROFESSOR OF PRACTICES: A NTTF (Non-Tenure Track Faculty) appointment for individuals with primary duties in the area of clinical instruction or professionally related community education/service. Clinical faculty or professor of practice members are licensed or certified professionals, or **individuals in professional fields**. The major responsibility involves the education of students/learners in academic and clinical settings, supervising clinical experiences, and/or **engaging in professionally related community service**. Scholarly activity may or may not be required. Ranks in this category in ascending order are assistant clinical professor, associate clinical professor, and clinical professor; or assistant professor of practice, associate professor of practice, and professor of practice.
