Library Evaluation for Category I Proposal

Professional Science Master of Fisheries and Wildlife Administration
Title of Proposal

Fisheries and Wildlife
Department

Agricultural Sciences
College

The subject librarian responsible for collection development in the pertinent curricular area has assessed whether the existing library collections and services can support the proposal. Based on this review, the subject librarian concludes that present collections and services are:

[ ] inadequate to support the proposal (see budget needs below)
[x ] marginally adequate to support the proposal
[ ] adequate to support the proposal

Estimated funding needed to upgrade collections or services to support the proposal (details are attached)

Year 1:  
$2,500
Ongoing (annual):  
$5,350

Comments and Recommendations:
Core collections are at risk due to flat budgets. Year 1 costs address improving students' access to targeted information. Ongoing costs reflect database and e-book purchases.
