TO THE HONORS STUDENT COMPLETING THIS INSTRUMENT: Your responses to the items below are solicited by the University Honors Council in its effort to compile accurate information about our coursework. A summary of the student responses will be prepared, and the summary and actual evaluation forms (without identifying information) will be given to the professor after final course grades have been submitted to the Registrar. You should complete the instrument during the class time provided by the professor and have it collected by the honors student or administrator selected to do so. If you would like written comments to be placed in the instructor’s personnel file, you need to write, sign and mail a letter to the appropriate Chair, Head, or Dean. Faculty members will have access to such letters and student anonymity cannot be preserved.

If possible, please use a pen to complete. Thank you.
