DIVISION OF STUDENT AFFAIRS

Blueprint for Academic Success and Well-Being

Human Justice and Diversity
We will expand co-curricular experiences on human justice, diversity and civility to prepare students to thrive in our global society.

First-Year Experience
We will expand our contributions to first-year students' academic success and personal and social development.

Student Care
We will deepen our capacity to provide proactive and immediate-response care for Oregon State students and communities.

Experiential Learning
We will expand opportunities for experiential learning, seeking alignment with academic program goals and learning outcomes.

Career Development
We will enhance entry-to-graduation career and professional development in collaboration with academic programs.
