

WANTED - FULL TIME VETERINARY SPECIALISTS

We are a well established Emergency Clinic looking to expand to become British Columbia's first 24 / 7 / 365 Emergency Clinic and Specialty Hospital. This is an exciting opportunity with endless possibilities.

Our clinic has recently moved to a brand new 6000sq ft facility with room to expand. We are fully staffed with a great team of doctors, technicians and assistants.

We are located in the heart of British Columbia's Lower Mainland, a short distance from Vancouver. If you love a healthy lifestyle with easy access to city life, then our location would be great for you. Camping, water and snow skiing, snowboarding, mountain biking, boating and hiking are only some of the leisure activities you can experience in the area.
