

Feline Exclusive Practice

Washington DC - Capital Cat Clinic, located just 8 minutes outside of the Nations Capital, in **Arlington Virginia**. We are interviewing for a full time veterinary that is either currently practicing as a Feline Veterinarian or feels that it is a direction they would like to take their career. Capital Cat Clinic has been providing the community with Quality Care for the past 10 years. Currently named one of the “Best in Pet Care”, Washingtonian Magazine. We have been in prior issues of Washingtonian Mag. ‘Top Clinic”, The Washington Post, and Checkbook Magazine. We are a two Dr. practice seeking a third Dr., well equipped clinic with a strong emphasis on customer service & quality care. We are fortunate to be working out of an old farm house which provides a great warm “Home Like” quality. Our practice has been paperless, using Avimark Software for the past 4 years & we love it. Have a wonderful caring team to support our Veterinarians.
