To Whom It May Concern:

We have a job opening for a veterinarian. Can you please post it for your graduates? If you need any additional information please feel free to contact us.

We are a progressive five-doctor practice seeking small animal/exotic veterinarian (full or part time). Looking for easy going attitude and ability to have fun while practicing and growing. Interest in ultrasound, exotics and holistic medicine a plus. Clinic is a half-hour from U.C. Davis and uses a network of ten computers for electronic records, in house Idexx lab (electronically posted), ultrasound with telemedicine, and a great board certified surgeon for specialty surgeries. We offer full benefits and flexible scheduling.

Please send resume by fax to Pete Wolfe at 530-265-6930. Phone: 530-265-4186.
