

West End Vet Clinic

We are announcing a job opening for a full-time associate veterinarian in our mixed animal practice. Our practice is located in south-central Idaho, approximately 20 miles from Twin Falls and 120 miles from Boise. We see a variety of species, including dairy (40%), beef (15%), small animal (30%), equine (10%) and occasionally small ruminants and camelids (5%). Large animal medicine and reproduction interests are encouraged to apply, but all mixed animal interests will be considered. We have in-house lab, ultrasound, on-site facilities, X-ray, endoscope, etc. Outdoor opportunities abound nearby with moderate four season weather.
