Information for International Students 2013-14
Including innovative Pathway programs at Oregon State University

INTO® OREGON STATE UNIVERSITY
WHY CHOOSE OREGON

A Tier 1 Research University
One of only 40 public universities nationwide (out of 1,705 institutions ranked) with the Carnegie Foundation’s Tier 1 Very High Research Activity and Community Engagement designations.

Ranked among the top 70
in the US and top 150 universities worldwide by Shanghai Jiaotong University.

Best in the West
in the 2011 Best Colleges: Region By Region

in the US, Canada and Great Britain in the 2011
Fiske Guide to Colleges
STATE UNIVERSITY?

Top 25 Green Colleges in the US by the 2011 Kaplan Guide

$262 million in research funding received in 2010-11

#139 National Universities according to US News & World Report

The most school spirit
Named one of the top 25 spirited college campuses by the Huffington Post
**KEY UNIVERSITY FACTS**

Founded: 1868

Enrollment: 24,977

Undergraduate: 20,622

Graduate and Professional: 4,355

International Students: 1,852

Number of countries represented: 89

School Colors: Orange and Black

Research Funding: $262 million in 2010-11

Operating Budget: $76 million

Economic Impact: More than $2 billion

Faculty: 3,481

Alumni: 160,000

**Colleges:**
- Agricultural Sciences
- Business
- Earth, Ocean, and Atmospheric Sciences
- Education
- Engineering
- Forestry
- Public Health and Human Sciences
- Liberal Arts
- Pharmacy
- Science
- University Honors College
- Veterinary Medicine

**Programs Offered:** Nearly 250 degree and certificate programs, including more than 90 undergraduate degree programs

**Athletic Mascot:** Benny the Beaver

**Athletics:** The Oregon State University Beavers belong to the NCAA Division I, Pac-12 Conference. Intercollegiate athletics sponsors 17 NCAA varsity sports, with 10 women’s teams and 7 men’s teams.
Beyond striving for ever greater levels of excellence, Oregon State University highly values student success and engagement. While here, our students enjoy a friendly, diverse and welcoming campus that has worked to create an intercultural learning environment that focuses on academic participation, collaborative learning, enhancing academic skills and confidence and developing a sense of belonging and personal development. We are fully devoted to further developing as a vibrant international community, committed to global leadership by reaching out to the world through international teaching, learning, research and outreach, and to global citizenship by inviting the world’s students and faculty to study, teach and conduct research at Oregon State.

I encourage you to discover the opportunities at Oregon State University and to join our community of scholars.

Dr. Edward Ray
President, Oregon State University
Oregon's climate is known for being wet and rainy for much of the year. However, the annual rainfall is about 42 inches (107 cm), which is still less than that of New York, Chicago, or Miami!

Corvallis is one of the most bicycle-friendly cities in the country, with miles of scenic bike paths.
DISCOVER THE WEST COAST OF THE USA

- Seattle, San Francisco, Los Angeles and other US West Coast destinations are easily accessible by plane, train or car.

- Western Oregon features a mild, temperate climate with cool, wet winters and warm, sunny summers.

- Oregon offers tax-free shopping, making it a popular shopping destination.

- Oregon is home to two professional sports teams: the Portland Trail Blazers of the National Basketball Association (NBA) and the Portland Timbers of Major League Soccer.

- Oregon offers a variety of spectacular landscapes, including the Pacific coast, the mountains of the Cascade Range, the Columbia River Gorge and the high desert of Eastern Oregon.

- Endless opportunities for year-round outdoor recreation, including skiing and snowboarding, hiking and cycling, rafting and kayaking and surfing and fishing.

- Portland International Airport offers nonstop service to cities across the US, including major international gateways such as Los Angeles, New York, San Francisco, Denver, Chicago and Washington D.C., plus nonstop service to Tokyo and Amsterdam.

For more info, visit oregonstate.edu
When I arrived at Portland international airport, I saw Oregon from the plane. There were lots of trees and it looked very different from Korea. I was surprised! When I got to Corvallis it was a very calm and very peaceful city.

Minsoo Kim, South Korea
Undergraduate Engineering Pathway
OSU-CASCADES: SMALL CAMPUS FEEL, BIG UNIVERSITY RESOURCES

Here, students find the advantages of a premier research university in a personalized, small-campus environment. Located in Bend, OSU-Cascades provides a variety of academic options for students who want to continue their studies in beautiful Central Oregon.

OSU-Cascades Offers:
- 12 undergraduate and three graduate degree programs, plus 25 minors and options
- An enrollment of nearly 1,000 students, creating the feel of a small college campus with the many resources of Oregon State University
- Small classes with an average student-faculty ratio of just 16:1
- Unique programs such as Tourism and Outdoor Leadership, Energy Systems Engineering and a Hospitality Management option in the Business program
- A beautiful location in Bend, about 2.5 hours east of Corvallis on the sunny side of the Cascade Range

For more information about programs available at OSU-Cascades, visit osucascades.edu

Lakes, rivers and snow-covered mountains provide endless year-round recreation opportunities in Bend.

Enjoy restaurants, shops and art galleries in the Old Mill District along the Deschutes River.
INTERNATIONAL STUDENT RESOURCES

International Student Advising and Services (ISAS) provides support and advising to almost 2,500 international students studying at OSU and INTO OSU each year. Advisers are available to meet individually with students regarding any of the following:

- Immigration
- Visa matters
- Cultural adjustment
- Financial and sponsorship issues
- Health insurance
- Academic concerns
- Dependents
- Personal matters

When appropriate, staff will refer students and their family members to other university departments or community organizations for additional services.

International Students of Oregon State University (ISOSU) is located in the International Resource Center (IRC) in the Memorial Union. ISOSU and its 13 affiliate organizations promote cross-cultural interaction along with support and involvement opportunities for international and multicultural students. Through the IRC and the cultural programming they offer, ISOSU provides a safe, welcoming, comfortable space for international students.

Intercultural Student Services offers various resources for international students such as the cross-cultural mentoring program, U-Engage classes designed to help first-year students make a successful transition to college, holistic co-curricular advising and a broad range of community engagement resources. The office is located in Kerr Administration Building where students can access computer terminals, printing and free faxing.

Six cultural centers and more than 25 international student organizations host a variety of activities and events that provide leadership opportunities and bring together students from around the world. The six cultural centers include:

- Asian and Pacific Cultural Center
- Centro Cultural César Chávez
- Lonnie B. Harris Black Cultural Center
- Native American Longhouse
- Pride Center
- Women’s Center

OSU offers a variety of programs, services and facilities to provide international students with an unrivaled study experience.

We have a growing organization of Indonesians. Once you’re here, find us! We have about 20 or 25 members. Getting involved in clubs and activities is a good way to improve your leadership skills.

Johannes Simanjuntak, Indonesia
Undergraduate Pre-Engineering
OSU’s Memorial Union (MU) is the center of the campus community. In addition to a variety of restaurants, lounges, meeting rooms, the campus bookstore and a recreation center, it is also home to more than 300 student clubs where you can build friendships, develop leadership skills, volunteer in the community and grow in your academic and personal life.
OSU ACADEMIC RESOURCES

The Valley Library is open 24 hours on weekdays.

Need help? There are so many resources available to students—just ask!

Whether you prefer a Mac or PC, you can always find a computer to use on campus.

It’s easy to find a quiet place to study on campus.

The Academic Success Center is located in 102 Waldo Hall. All students are welcome!

OSU is more than just a place to take classes; it’s a supportive campus community.
WHERE CAN YOU GET ACADEMIC SUPPORT ON CAMPUS?

Academic Success Center
The Academic Success Center offers advising for undeclared majors, supplemental instruction (study tables) in some classes, study skills courses and a computer lab.

Collaborative Learning Center (CLC)
The CLC provides tutoring and one-on-one assistance. Tutors are provided by Career Services, the physics, chemistry and math departments, the Writing Center and the Valley Library.

Math Learning Center
The Math Learning Center offers resource materials and free drop-in tutoring for all lower division math courses.

Student Computing Facilities
Student Computing Facilities offers more than 100 Macs and PCs equipped with the latest software in an open lab setting.

Technology Support Services
Computer consultants are available by phone, email or online through the OSU Helpdesk.

Valley Library
The Valley Library is open 24 hours from 10:00am Sunday to 10:00pm Friday. Saturday hours are 10:00am to 10:00pm. Its collection includes more than 1.4 million volumes, 14,000 serials and more than 500,000 maps and government documents. It also has a walk-up computer helpdesk, private and group study rooms, laptop checkout and Internet access.

The Writing Center
The Writing Center offers free help with any writing task and is open to all students. Writing assistants can help with all aspects of the writing process, from brainstorming and organization to grammar and usage. The center also offers the Online Writing Lab, a service for submitting papers over the Internet for a critique from writing assistants.

Student Success Center
The brand new three-story facility is dedicated to academic support and counseling services and includes space for learning laboratories, a computer lab, study lounge and commons area as well as meeting rooms and tutorial spaces.
OSU STUDENT SERVICES

All international students, including those in INTO OSU programs, have full access to all resources, services and amenities offered at Oregon State University.

OSU Bookstore
The OSU Bookstore sells textbooks, school supplies, art supplies, calculators, computers, OSU clothing and other course-related materials.

Career Services
Career Services can help you develop resume-writing and interview skills and meet potential employers at Fall, Spring and Winter career fairs. They can also help eligible degree-seeking students find student employment.

Center for Leadership Development
The Center for Leadership Development supports the needs of OSU students in identifying leadership opportunities through exploration of their personal identity and development of leadership skills and potential.

Counseling and Psychological Services (CAPS)
CAPS offers individual, couples and group counseling for OSU students. CAPS also offers presentations on topics such as stress management and healthy relationships.

Disability Access Services (DAS)
DAS can help students who have a documented disability with note-taking, sign language interpretation, textbooks on tape and alternative testing. DAS also offers assistance with registration, housing arrangements and other special needs.

Dixon Recreation Center
Dixon Recreation Center, free for student use with an OSU identification card, has cardio and weight rooms, racquetball and squash courts, multipurpose rooms, a climbing wall, indoor track, pool, dive well, hot tub, sand volleyball courts, and the Outdoor Recreation Center. Learn more on page 17.

Greek Life (Fraternities and Sororities)
The Office of Greek Life works to build relationships with Greek (fraternity and sorority) students and serves as a resource for the Greek community.

International Programs
International Programs includes International Student Advising and Services (ISAS), International Student and Faculty Services (ISFS) and International Degree and Education Abroad (IDEA).

OSU Shuttle
OSU operates a free shuttle throughout campus. It takes approximately 15 minutes for the round trip. The buses are handicap accessible, heated and air conditioned for your comfort.

Public Transit
Students can ride all Corvallis Transit and Philomath Connection bus routes for free. The Linn-Benton Loop provides connections between downtown Corvallis and the Albany Transit System.

Public Safety/Oregon State Police
The Department of Public Safety and Oregon State Police provide a safe campus for OSU students, faculty, staff and visitors. State troopers and public safety officers patrol the campus 24 hours a day, seven days a week.

Saferide
Saferide operates seven days a week during the regular school year, except for major holidays, and provides vans that offer free rides home from campus.

Spiritual Life at OSU
More than half of all incoming students express an interest in strengthening their spirituality while at OSU. You can also find nearly 30 spiritual and religious groups on campus as well as prayer rooms in various locations.

Student Health Services
Student Health Services includes access to physicians, nurse practitioners and physician assistants, nutrition consultations, anonymous Q&A for health-related questions and fee-based pharmacy, laboratory, massage and other services.

Student Leadership and Involvement
Student Leadership and Involvement provides programs, services and opportunities that promote student learning, personal and leadership development and inclusion into the diverse campus community.

Transit and Parking Services (TAPS)
All student parking on campus requires a valid student parking permit. These permits can be obtained from TAPS.

Women’s Center
The Women’s Center provides advocacy, support, programs, resources and opportunities for activism and involvement to both women and men. The center’s programs reflect the diversity of women and their experiences.
Healthy people, healthy campus; Oregon State University became a smoke-free campus in Fall 2012.

Blue Light emergency phones are located throughout the OSU Campus. By pressing the call button, a blue light is activated, providing a signal while immediately connecting to the campus Department of Public Safety.

Riding the bus in Corvallis is convenient and free of charge!

Student Health Services is staffed by skilled physicians, health educators, nurses and other trained health professionals.

Your OSU student identification card works as a library card and an access card throughout campus. It also works as a debit card for purchases at all campus dining locations, coffee shops and convenience stores, as well as photocopying services at the library.
SPORTS AND RECREATION

INTERCOLLEGIATE ATHLETICS

Whether you’re a sports fan or an athlete, you will enjoy high-excitement, high-profile NCAA Division I, Pac-12 Conference sports. Tickets for all sporting events are free for all students. OSU is a frequent participant in NCAA football post-season bowl games, and the OSU baseball team won back-to-back championships in the College World Series in 2006 and 2007.

OSU is proud to have had a number of talented international athletes in its programs over the years, with an average of 40 international athletes out of 500 total. Most notably, Saori Haruguchi from Japan in swimming, Diego Velazquez from Colombia in golf, Leslie Mak from Canada in gymnastics, and Danny Mwanga from the Democratic Republic of Congo in soccer among many others.

Athlete selection and scholarships are determined by the coaching staff and are highly competitive. NCAA eligibility rules apply.

MEN’S TEAMS
- Baseball
- Basketball
- Football
- Golf
- Rowing
- Soccer
- Wrestling

WOMEN’S TEAMS
- Basketball
- Cross country
- Golf
- Gymnastics
- Rowing
- Soccer
- Softball
- Swimming
- Track
- Volleyball

INTRAMURAL SPORTS

The emphasis of intramural sports is on participation and having fun. There are more than 35 leagues at OSU offering opportunities to play and compete with others on campus. Intramural sports is a great outlet to socialize, de-stress, learn new sports and get physically fit. Intramural sports are open to all students.

- 5k Runs
- Badminton
- Basketball
- Billiards
- Bowling
- Cross Country
- Dodgeball
- Flag Football
- Golf
- Kickball
- Racquetball
- Skeet Shooting
- Soccer
- Softball
- Swimming
- Table Tennis
- Ultimate Disc
- Volleyball
- Water Polo
- Wrestling

Reser Stadium seats up to 41,300 Beaver fans.
CLUB SPORTS
Club Sports are student-run organizations that participate in regional and national leagues and tournaments. The focus of Club Sports is to offer recreational, educational, competitive and diverse opportunities for students at a variety of skill levels. Club dues vary.
- Badminton
- Bass Fishing
- Bowling
- Cycling
- Dodgeball
- Dressage
- Drill Team
- Equestrian
- Event Team
- Gymnastics
- Handball
- Hunter-Jumper
- Judo
- Kendo
- Lacrosse
- Pistol
- Polo
- Racquetball
- Rifle
- Roller Hockey
- Rugby
- Sailing
- Shotgun
- Shudokan Karate
- Ski and Snowboard
- Table Tennis
- Triathlon
- Ultimate Disc
- Volleyball
- Water Polo

DIXON RECREATION CENTER
Dixon Recreation Center is one of the main social hubs of activity on campus. All students have free use of Dixon Recreation Center with their OSU ID card.

Dixon offers:
- Basketball, volleyball, badminton, handball, racquetball and squash courts
- Group exercise programs, conditioning and weight training rooms
- An eight-lane pool, diving pool, hot tub, sun deck and sauna
- The largest collegiate indoor climbing center in the Pacific Northwest
- An indoor track
- An outdoor recreation center
- Three sand volleyball courts

Dixon’s Outdoor Recreation Center also organizes hiking, rafting and skiing outings. It also provides outdoor equipment rental for activities including camping, boating or snowshoeing; maps; river and snow reports; and a bike, ski, and snowboard shop where students can rent equipment. At the west entrance of the building, the Dixon Café serves fruit smoothies, espresso, wraps, salads and fresh fruit.

Adjacent to Dixon Recreation Center is the newly constructed Student Legacy Park. This outdoor park setting hosts three lit turf fields, a 531 meters track, a ten-court tennis complex, a basketball court, and a pavilion. Fields are used for a variety of purposes, some of which include drop-in recreation, Intramural Sports, Sport Clubs and classes.
OSU PROVIDES DIVERSE EDUCATIONAL OPPORTUNITIES THROUGH THE UNDERGRADUATE AND GRADUATE PROGRAMS OF ITS 12 COLLEGES.

ABOUT THE COLLEGE
The Oregon State University College of Business provides internationally recognized research-based education that prepares students to lead in an innovative economy.

At the College of Business, students can go beyond the classroom to make an impact on the world. Graduates are equipped with the tools to create sustainable, socially-conscious businesses.

ACCREDITATION
The OSU College of Business was accredited in 1968 and is currently one of more than 400 academic institutions accredited in the US and one of 160 to have achieved additional accreditation for its Accounting program.

The College of Business overall, as well as the accounting program, are accredited by AACSB International, the Association to Advance Collegiate Schools of Business. AACSB International is the premier accrediting agency for degree programs in Business Administration and accounting. AACSB-accredited schools annually award more than 55 percent of all US degrees in Business and Management education.

FACULTY
Faculty members are dedicated to preparing students for successful business careers. They are also active in research with real-world implications that strengthen economic growth in Oregon and beyond.

ALUMNI
Our alumni are consistently selected for competitive internships and positions by high-profile employers such as Boeing, Intel, KPMG, Nike, and Moss Adams LLP.

EXPERIENTIAL LEARNING
Students have many opportunities to participate in experiential learning programs that prepare them to make valuable contributions to the workplace.

Innovative students can find inspiration within the Austin Entrepreneurship Program, a living-learning environment where adventurous thinkers turn their ideas into reality. Students can also work in the Business Solutions Group to learn what it’s like to work with real clients doing business analysis, application development and testing. Undergraduate research projects offer opportunities to develop and test theories in practical application.

Student clubs in the College of Business are a great way to get involved in the campus community while building real-world skills.

Student clubs in the College of Business include:
- Alpha Kappa Psi (for professional development & leadership skills)
- American Marketing Association
- Beta Alpha Psi (for Accounting)
- Beta Gamma Sigma (for Business and academic achievement)
- Finance Club
- International Affairs club
- International Students’ Union
- The Management Club
- MBA Association
- Students in Free Enterprise (for Entrepreneurship)
- Students of Information Management (for Business Information Systems)

ABOUT THE COLLEGE
Finding solutions that matter: the mission of the College of Engineering is to make people’s lives better, whether it’s by building earthquake-proof bridges, providing safe drinking water or using thin film technology to create more efficient solar cells. Students are given opportunities to make a difference even before they graduate, and help foster industry relationships that bring OSU’s discoveries to the rest of the world.

Since its founding in 1891, the College of Engineering has graduated 30,000 engineers. Currently, it enrolls about 4,100 undergraduates and 800 graduate students yearly. There are approximately 135 faculty members.

ACcreditation
The Northwest Commission on Colleges and Universities provides institutional accreditation for Oregon State University. Programs within the College of Engineering have specialized accreditation from ABET and the American Council for Construction Education.

RESEARCH
The College of Engineering aims to grow collaborative, interdisciplinary research clusters that are motivated by local, national and international needs for knowledge discovery. These research clusters span strategic areas in:
- Renewable energy
- Integrated microsystems design and manufacture
- Information technology
- Sustainable infrastructure technology
- Biomedical technology
- Intelligent manufacturing
- Geographical information systems
- Micro-scale systems for toxic waste cleanup
- Cooling technologies for portable electronic devices

FACULTY
Thanks to the College of Engineering’s unique focus on collaborative research, innovation and hands-on teaching, it attracts some of the finest faculty and staff in the world—people who are interested in working as a team to educate tomorrow’s engineers and to solve today’s complex problems through real-world research. OSU Engineering faculty are international experts connected to a global collaborative network, and the research and graduate studies programs are national assets.

ALUMNI
OSU engineering alumni have gone on to make a vast range of contributions to the world—from teaching, inventing and working for large and small organizations and companies, to founding their own firms. Alumni include Douglas Englebart, inventor of the computer mouse, NASA astronaut Donald Pettit and Bernie Newcomb, co-founder of E*trade.

EXPERIENTIAL LEARNING
A great education starts in the classroom, then provides opportunities for hands-on work beyond. Engineering students get to work on research that has real-world applications.

Programs and clubs help prepare profession-ready graduates. The Society of Women Engineers, Engineers Without Borders and the Formula SAE Team—repeat national champions at building and racing high-performance Formula cars—are just a few of the student-run engineering clubs on campus.

Students can complete internships through programs like the Multiple Engineering Cooperative Program (MECOP), where they can develop employment skills and often find future jobs. The program provides the best of both worlds—the university for the technical/theoretical background and selected industries for practical, state-of-the-art applications.
ACADEMIC PROGRAMS: OTHER UNIVERSITY COLLEGES

AGRICULTURAL SCIENCES
agsci.oregonstate.edu

Whether you’re passionate about healthy water and wildlife, finding cancer treatments, creating sustainable cities or feeding the world, you can find what you’re looking for in the College of Agricultural Sciences. Our students work alongside stellar faculty in the lab, in the field and internationally. Their experiences in the classroom and beyond give them the foundation for their future careers – and their impact on the world.

The college’s research has six goals:
- Developing sustainable, bio-based products from renewable resources
- Enhancing ecosystem services
- Developing a safe, wholesome, high value and quality food supply
- Providing enhanced water resource management, enhancement and sustainability
- Sustainably producing food, feed, fiber, horticulture and bioproducts
- Improving the economies, social vitality and quality of life of rural communities

EARTH, OCEAN, AND ATMOSPHERIC SCIENCES
ceoas.oregonstate.edu

The College of Earth, Ocean, and Atmospheric Sciences is a leader in fundamental research on the Earth as a system, including the interaction of people and environment. Our academic programs offer rigorous, science-based programs with opportunities to work with nationally and internationally respected researchers. Our research focus is global in scope, ranging from coastal ocean dynamics and their impact on ocean ecosystems, to the study of undersea volcanoes and their link to plate tectonics, to how changes in the Earth’s continents affected ancient climates.

Our research disciplines are divided into four categories:
- Ocean Ecology and Biogeochemistry
- Physics of Oceans and Atmospheres
- Geography, Environmental Sciences and Marine Resource Management
- Geology and Geophysics

EDUCATION
education.oregonstate.edu

The College of Education prepares students to enrich people’s lives in the classroom and in their communities. Our students will become the next generation of teachers, adult educators, counselors and educational leaders. Our faculty’s research helps us understand how people learn and how best to teach science and math in schools, as well as in museums, science centers and aquariums. Today’s students will support tomorrow’s learners.

FORESTRY
forestry.oregonstate.edu

Scientists at the College of Forestry conduct research on a wide range of topics in the disciplines of biology, botany, ecology, engineering, forest management, manufacturing and marketing of wood products, the social sciences, wood chemistry and physiology and many others. The college owns about 15,000 acres of forestland, most of it within a few minutes of campus. These forests are a rich resource not only for forestry research, but for teaching and demonstration as well.

PUBLIC HEALTH AND HUMAN SCIENCES
health.oregonstate.edu

Lifelong health for all is our passion. To us, health means nutritious meals for our schoolchildren and preventing chronic and debilitating disease. It means knowing our drinking water is safe and addressing critical issues like obesity and diabetes. Our work helps advance the policies, knowledge and practices vital to creating health and well-being for people, families and communities in Oregon and around the world. Our students and graduates are the next generation of globally minded public health and human sciences professionals.

LIBERAL ARTS
oregonstate.edu/cla

The College of Liberal Arts provides students with an excellent educational experience that prepares them to adapt to a rapidly changing world. When our students graduate, they have developed the critical thinking and communication skills needed to succeed in their careers and their lives.

The College of Liberal Arts offers 17 major undergraduate programs, along with options. In addition, College of Liberal Arts majors may concurrently earn a second degree in International Studies. For a full list of majors and options, see page 19.
For more than 100 years, the students and faculty of the College of Pharmacy have been passionate about helping people and communities stay healthy. Our cutting-edge research addresses some of the world’s most critical health challenges and saves lives. You can make a difference here, whether you’re an undergraduate exploring a career in pharmacy, a graduate researcher addressing critical health issues or a Pharm.D student doing on-the-ground work. To us, the future of pharmacy means graduating students who are steeped in our tradition of service and experiential learning, and who have worked alongside stellar faculty conducting life-saving research. These opportunities set our program apart and preparing you to become a leader in an ever-changing field.

OSU has the only research-based apparel design program on the US West Coast.

Research at the OSU College of Veterinary Medicine is dedicated to solving some of the world’s most challenging animal and human health issues.

For more information about the UHC, visit oregonstate.edu/dept/honors.
SCHOLARSHIPS, EMPLOYMENT AND INTERNSHIPS

UNDERGRADUATE SCHOLARSHIPS
Oregon State University offers several scholarships and tuition remission programs to qualified international students. Some are highly competitive and require an application, while others are merit-based and automatically awarded based on your academic achievements. A minimum 3.5 GPA is required for consideration for the Provost’s International Scholarship.

International Cultural Service Program
Established in 1983, the International Cultural Service Program (ICSP) has attracted many outstanding students from around the world. The ICSP promotes cultural diversity and increases cultural awareness and understanding on campus, in the community and across Oregon. Undergraduate as well as graduate students are eligible to apply. A select number of academically meritorious international students who have demonstrated financial need, speak English clearly and are prepared to share information about their country and culture serve on the ICSP each year. Students receive a partial tuition award (approximately $9,000) in exchange for giving presentations about their country and culture.

Provost’s International Scholarship
High-achieving undergraduate students entering the university as freshmen or transfer students are automatically considered for the Provost’s International Scholarship (PIS), which is valued at $6,000 to $9,000 for each year of study, subject to academic record. Provost awards are primarily merit-based. No separate application is required.

International Baccalaureate Scholarship
Undergraduate students who have completed the full International Baccalaureate Diploma with a score of 30 or higher may be awarded a minimum scholarship of $3,000 per year, renewable for up to four years of study.

Tuition Remission Scholarship for International Students
The Tuition Remission Scholarship for International Students (TRISIS) awards partial tuition assistance to continuing international students in F-1 or J-1 visa status. Eligible applicants for the TRISIS must be pursuing a degree program, maintain good academic standing, have completed at least one year of studies at OSU, and demonstrate financial need. Undergraduates must hold a minimum of 2.5 GPA and graduate students a minimum 3.0 GPA. Preference is given to international students with unexpected financial need in order to complete their degree programs. Scholarship amounts vary, but currently awards average $3,000 to $9,000 per year.

INTO OSU Pathway Scholarship
Partial scholarships are available for exceptional INTO OSU Pathway students. Qualifications and amounts vary between regions. For more information on scholarships in your area please contact your local agency, regional INTO representative or intlonline@oregonstate.edu.

GRADUATE ASSISTANTSHIPS
Graduate students may be offered a teaching or research assistantship on campus. The assistantships are employment-based appointments where students, in exchange for their service, receive a monthly salary, tuition remission and an institutional contribution toward the health insurance program available only to graduate assistants. Teaching and research assistantships are offered on a competitive basis and are generally administered by the academic departments.

For more information about assistantships please visit oregonstate.edu/dept/grad_school/current/assistantships.

SCHOLARSHIP FACTS

ACADEMIC REQUIREMENTS
• All students must be in good academic standing. Some scholarships have minimum GPA requirements.

AWARD AMOUNTS
• International Cultural Service Program
  - Approximately $9,000 per year
• Provost’s International Scholarship
  - $6,000 to $9,000 per year
• International Baccalaureate Scholarship
  - Minimum $3,000 per year
  - Renewable for up to four years of study
• Tuition Remission Scholarship for International Students
  - Approximately $3,000 to $9,000 per year
• INTO OSU Pathway Scholarship
  - Award amounts vary

OTHER REQUIREMENTS
Scholarship award committees may take any of the following into consideration when choosing award recipients:
• English language ability
• Demonstrated financial need
• Extracurricular activities and volunteerism
• Leadership experience
• Demonstrated willingness to participate in cultural events on campus

oregonstate.edu/international/atosu/scholarships
EMPLOYMENT

F-1 international students in language training programs are not eligible for on-campus employment or practical training. Students must be in degree-seeking programs before on-campus employment or practical training is allowed. Degree-seeking international students on F-1 visas are eligible to work on campus for up to 20 hours per week while the term is in session and are eligible to work full-time (up to 40 hours per week) between terms and during annual summer vacations. Examples of employment opportunities include computer lab assistant, student union events staff and housing and dining staff. Off-campus employment requires authorization and is approved only under specific conditions.

Part-Time Work Requirements and Opportunities

Fully-admitted international students not enrolled in a language training program have the option of working part-time on the OSU campus while pursuing a degree. F-1 students do not need any additional authorization to work on campus, although they should visit International Student Advising and Services (ISAS) after receiving a job offer if they need to get a Social Security card. J-1 students must always obtain employment authorization in advance from ISAS, even for on-campus jobs. Visit Beaver JobNet to search for student employment at oregonstate.edu/career.

Working After Graduation

Depending on your visa, you may be eligible for optional practical training or academic training. These generally provide work authorization for one year after graduation from a degree program. International Student Advising and Services offer programs and workshops to help you understand the legal aspects of working in the United States.

INTERNSHIPS

Internships offer you hands-on experience working in your field and the chance to apply what you’re learning in the classroom. With the exception of students studying in intensive English programs and non-degree students, you may be eligible for curricular practical training or academic training while pursuing your studies. In most cases, any off-campus employment or internship must be related to your field of study and approved in advance by International Student Advising and Services (ISAS).

The Multiple Engineering Cooperative Opportunities Program (MECOP) is available to students in engineering-related disciplines. In this innovative program, you’ll complete two six-month, paid internships at two different companies, adding a year to your degree program.

As an international student, searching for an internship or practical experience can be particularly difficult because of your legal status. OSU offers the Beaver JobNet tool to help international students search for companies that accept F-1, J-1 and other visas. Internship opportunities are only available to full-time students enrolled in degree-seeking programs. Students in intensive English programs are not eligible for internships. Find more information at oregonstate.edu/career.

When I was looking for internships, I went to Career Services and found out about Beaver JobNet. I used Beaver JobNet to apply for about 50 companies. I had three different internships throughout my MBA program. It was great experience!

Taro Nakano, Japan
MBA graduate, 2012
Progressed from MBA Pathway
**HOUSING**

**ON-CAMPUS LIVING**
A residence hall is more than a room where you can rest your head in between classes. At OSU, a residence hall is a community. It’s a place where friendships, ideas and memories are created. All residence halls are conveniently located around campus. Each features high-speed Internet throughout the building, including wireless connections in each lounge.

Residence halls:
- House nearly 4,000 student residents
- Include furnished study areas, communal spaces and a main recreation lounge
- Are equipped with televisions, recreation rooms and kitchenettes
- Are smoke-free
- Contain wings/floors that are designated quiet or single-gender
- Are located minutes from the center of campus life
- Provide free self-service laundry

While convenience is often the number one reason for living on campus, the residence halls provide opportunities to meet people from around the US and the world, develop new friendships, enjoy dining with friends and improve your leadership skills while becoming involved with the on-campus community.

**RESIDENCE HALL LIVING**

In addition to these staff members, many of the halls have Faculty-in-Residence or Academic Partners-in-Residence, tutors and interns in residence. Each of these partners is available for you and serves as a resource for academic support. They’re also available to help you achieve the incredible college experience you planned for.

**RESIDENCE HALLS:**
- House nearly 4,000 student residents
- Include furnished study areas, communal spaces and a main recreation lounge
- Are equipped with televisions, recreation rooms and kitchenettes
- Are smoke-free
- Contain wings/floors that are designated quiet or single-gender
- Are located minutes from the center of campus life
- Provide free self-service laundry

**FAMILY HOUSING**
Family housing is available for students with families wishing to live on-campus. For more information, please visit [oregonstate.edu/uhds/family-housing](http://oregonstate.edu/uhds/family-housing). For students whose program does not have an on-campus housing requirement, a variety of off-campus options can be found throughout the community.

**LIVE-ON POLICY**
First-year students who enroll at Oregon State University within one year of high school graduation regardless of class standing must live on campus for the full academic year (fall, winter and spring terms).

**University Residence Hall**
- On-campus
- Shared or single bedrooms
- Shared bathroom
- Variety of dining options
- Free self-service laundry facilities
- Internet access
- Assistance from residence halls’ staff

**Homestay Accommodations**
- Shared or single bedrooms
- Internet access
- Access to laundry in home
- Host provides one cooked or prepared meal a day
- Includes basic on-campus dining plan (3-5 meals per week)
INTERNATIONAL LIVING-LEARNING CENTER

Many international students will live in the new, state-of-the-art, $52 million International Living-Learning Center, which also houses the INTO OSU program, classrooms, auditorium and residential spaces for more than 300 international and domestic students.

This new residence hall provides comfortable, modern, furnished rooms for relaxation and study, along with well-equipped communal spaces. The facility is designed to maximize the living and learning experience.

The International Living-Learning Center works to responsibly educate, encourage and celebrate cultural diversity, personal growth and respect through communication, involvement and positive community interactions.

The International Living-Learning Center offers single occupancy rooms with a private bathroom and double occupancy rooms with a private or shared bathroom. There is a live-in, full-time professional Resident Director and eight Resident Assistants.

Every effort is made to place INTO OSU international students with American roommates or suitemates. This diverse cultural environment provides international and US students with the opportunity to have an international experience.

Accommodations include:
- Standard double rooms with shared bathrooms
- Double rooms with private bathrooms (limited availability)
- Single rooms with private bathrooms (limited availability)
- Elevators to all floors
- Designated wheelchair-accessible rooms situated near elevators and entrances
- Residential staff accommodations
- Communal kitchen with cooking and food storage facilities
- Lounges
- Vending machines
- Free self-service laundry facilities
- Fully furnished rooms with a bed, nightstand, desk, chair, lamp and wardrobe for each resident.
- Free wireless Internet in all rooms
- Cable TV

THE ARNOLD COMPLEX “SOUTH SIDE”
This complex features four co-ed halls and the Arnold Dining Center with great proximity to campus life. Hear the roar of the crowd at Goss or Reser stadiums during baseball and football seasons. Walk less than two minutes to Gill Coliseum and enjoy basketball, gymnastics and wrestling competitions. Have a front-row view of the baseball field. In five minutes, you can find yourself on daily jogs or scenic bike trails through Avery Park (to the south). All of this is within a 10-minute stroll to the heart of campus (to the north).

Bloss Hall
- Suite-style living: two double-resident rooms share a private bath
- Wheelchair accessible
- Community service-learning theme
- Open during academic year breaks

Finley Hall
- Substance-free wings
- Wheelchair accessible
- Single-gender wings available
- ROTC Program wing/floor
- Open during academic year breaks

Halsell Hall
- Suite-style living: four single bedrooms (or two double bedrooms) and one-and-a-half bathrooms, a shared living room and small kitchenette with a sink and stovetop
- Wheelchair accessible
- Open during academic year breaks
- Apartment-style suites
- Upper-division and transfer student experience
- Gender-inclusive living suites available

THE RESIDENCE HALL QUAD AND WEST CAMPUS
The Residence Hall Quad is a complex of four halls (Hawley, Buxton, Cauthorn and Poling) adjacent to each other and enclosing an open courtyard. The Quad and Sackett Hall are on the west end of campus. Live close to the state-of-the-art Dixon Recreation Center and the Memorial Union, where students spend hours enjoying free entertainment and daily campus activities.

Cauthorn Hall
- Newly updated in 2009 with moveable furniture, upgraded bathrooms and lounge spaces along with new flooring and lights
- Wheelchair accessible
- Open during academic year breaks

Poling Hall
- Newly updated in 2010 with moveable furniture, upgraded bathrooms and lounge spaces along with new flooring and lights
- Wheelchair accessible
- Open during academic year breaks

Buxton and Hawley Halls
- First floor is home to University Housing & Dining Services offices
- Wheelchair accessible
- Open during academic year breaks

Sackett Hall
- Quiet wing available
- Substance-free wings
- Single-gender designated floors
- Wheelchair-accessible suites: two bedrooms, living/study room and private bathroom
- No elevators
- Open during academic year breaks

THE EAST SIDE
The East Side features three co-ed residence halls and dining center within easy walking distance of downtown Corvallis. Located across the street from a community park and intramural fields, the complex is closest to the library, academic buildings and recreational facilities. Meet new students with similar interests through focused living group floors oriented toward engineering, math and science.

McNary Hall
- Female-only wing and quiet wing available
- Wheelchair-accessible facilities on second floor

Callahan Hall
- Substance-free wings
- Female-only wing

Wilson Hall
- Engineering programming emphasis on designated floors
- Technologically enhanced study room available
- Female-only wing and quiet wing available
- Academic peer coaching available for engineering students

</table>
First year students who live in a residence hall typically have higher grades than those who live off campus.

The above floor plan is representative of Finley, Cauthorn, Poling, Callahan, McNary and Wilson Halls with slight variations in furniture placement.

Decorate your space with colorful bedspreads and fun rugs. Make it your own!
Hungry? As a student at INTO Oregon State University, getting food on campus is easier than ever. Follow this simple step-by-step guide to using your INTO OSU dining plan. Students not enrolled in an INTO OSU program may refer to oregonstate.edu/uhds/dining/plans for dining plan options.

**Step 1: Pay your fees!**
When you pay your housing fees, your dining plan is included. All INTO OSU students have the same dining plan.

**Step 2: Get your student ID card.**
Your student ID card will act as a debit card for you to use in any of the 18 restaurants, cafés and convenience stores operated by University Housing and Dining Services. Not on campus yet? You can get your student ID card in advance by visiting uhds.oregonstate.edu/into/arrival/picture/login.

**Step 3: Decide where you want to eat.**
Hungry for pasta? A hamburger? Sushi? Our award-winning restaurants on campus offer traditional American foods as well as a wide variety of international cuisine. With so many choices, you can’t go wrong.

**Step 4: Spend your dining plan money.**
Your plan gives you about $66 per week ($330 per General English term or $792 per Academic English term) to spend on meals on campus. That’s about 8–10 meals per week depending on the size of your appetite.

**Step 5: Need more money? Simply add more money to your plan.**
If $66 per week is not enough, you can always add more dollars to your dining plan by going to mycard.oregonstate.edu or the OSU ID Center in Kerr Administration Building.

**Step 6: Don’t forget to spend it all!**
If there are unused dollars on your dining plan account by the time your housing contract is finished, you will not get a refund for the balance. It is important to check your dining plan balance throughout the term to make sure you are spending your money appropriately. Otherwise, at the end of your stay on campus, you’ll have to use it or lose it.
Are you vegetarian? You will find vegetarian options in each of our restaurants on campus.

In addition to a wide variety of multi-cultural foods, the dining centers on campus employ people from many countries who are proficient in their native cuisine.

OSU dining facilities strive to provide diversified and healthy dining options.

For your convenience, there are 31 restaurants across campus.

OSU dining services received the 2009 Ivy Award from Restaurants & Institutions Magazine for its high standard of excellence in food, service and overall hospitality.

From grab-and-go foods, to full-service dining, you can find an on-campus eatery that meets your needs.
The best thing about living here is this life makes me more self-confident and more cheerful. Now I don’t feel scared about talking with American people.

Jong-Min Kim, South Korea
General English
THE INTERNATIONAL LIVING-LEARNING CENTER

Successful students invest in their education, and INTO OSU provides the best learning experience in return. Highly qualified university instructors, state-of-the-art facilities equipped with the latest technology, small classes, personalized support services, social activities and a welcoming university community all contribute to the rich campus experience you’ll have at Oregon State University.

The International Living-Learning Center (ILLC) opened its doors in September 2011, bringing international and domestic students together to live and learn in the heart of the OSU campus. The new building includes residential accommodations for more than 300 domestic and international students, 26 classrooms, a large auditorium, computer labs, a café, market and comfortable open spaces where students can socialize.

Our center’s facilities include:
- Close proximity to all campus facilities
- A café and grab-and-go market with offerings that cater to international students’ needs
- Multi-purpose classrooms equipped with interactive white boards
- Small classes that allow for maximum student-teacher interaction
- Wireless Internet
- A learning resource center with study materials, books, DVDs and periodicals
- Several computer labs available for student use
- Lounge areas for study groups and relaxing
- Kitchens on every floor
- A lounge with billiards
- Fun, comfortable furniture, with televisions in every lounge
- Personalized support services, including 24-hour emergency assistance

KEY CENTER FACTS

- Established in 2008, first cohort September 2009
- $52 million International Living-Learning Center opened September 2011
- Number of students in 2011-12 cohort: more than 1,000
- Countries represented in 2011–12 cohort: more than 30
- Number of teaching staff: 80
- Number of computers: more than 100
- Number of classrooms: 26

PROGRAMS OFFERED

- Undergraduate Pathway Programs:
  - Business
  - Engineering
  - Sustainable Planet
  - Exercise and Sport Science
  - Food Science and Technology

INTO OREGON STATE UNIVERSITY (CONTINUED)

INTO OSU students can receive free one-on-one writing and pronunciation assistance in the ILLC Learning Center.

Have a question? The Welcome desk is here to help you!

Large, bright windows and fun furniture make the ILLC an ideal study environment.

An average class size in the ILLC is 20 students per class.

I think I’m more independent because I’ve been living by myself for a year and a half. I’ve been making lots of friends and I’ve been building my own social network. I try to get involved in a lot of activities on campus, and I volunteer. Life has changed a lot!

Kaixin Heidi Liang, China
Undergraduate in Merchandising Management,
Progressed from Undergraduate Science Pathway
INTO OSU offers international students the opportunity to fulfill their educational goals and achieve academic success at a leading US university. Our students benefit from the university’s investment in providing modern living and learning environments, teaching facilities equipped with the latest technology, small class sizes and personalized support services. This commitment to providing you with a world-class experience is illustrated by the success of our students.

99% of INTO OSU students who studied with us in 2009-10 have successfully progressed to and enrolled in a degree program at OSU. 95% of INTO OSU students who studied with us in 2010-11 have successfully progressed to and enrolled in a degree program at OSU.

Our students’ success also goes far beyond the classroom. INTO OSU students participate in the many social activities offered at the International Living-Learning Center, across campus and in Corvallis. They enjoy living, learning and having fun with OSU students from all 50 US states and nearly 100 countries, as well as members of the Corvallis community.

I hope my students learn to appreciate English as a second language and as a second culture, and not only as a tool that will get them into university. Learning English will not only get you through your education; it will also give you the advantage of having an additional great personality and culture.

Muhammed Othman, ESL Instructor
General English, Academic English, and Pathway
INTO OSU STUDENT SERVICES TEAM
The INTO OSU Student Services team provides a range of co-curricular programs and services promoting social, personal and academic well-being. Upon arrival at OSU, the team helps students settle in to life in Corvallis, provide social opportunities and a variety of resources tailored to the specific needs of international students. Whether it’s a question about making an appointment with a doctor, finding a place to live, renewing your visa or anything else, there will always be someone available to help you.

ORIENTATION PROGRAM
Orientation involves a variety of important events that prepare students to be successful at OSU, including information about maintaining your visa status, registering for OSU classes, health requirements and insurance coverage. Attendance at International Student Orientation is required of all students.

Other important activities during orientation include: opening an OSU email account, getting an OSU ID card, learning about OSU community expectations and taking a tour of the campus. It’s also a great time to make new international and American friends and attend the many social events planned on campus.

LANGUAGE ADVISERS
Language advisers at the INTO OSU center are available to assist new and prospective students and parents who may not be able to communicate effectively in English.

TRIPS AND ACTIVITIES
While the main reason for coming to OSU is to study, social activities will help you adjust to life in the US and allow you to develop a network of friends to make your stay more enjoyable. OSU offers a wide variety of options for socializing, experiencing the arts and taking part in sports. INTO OSU also organizes many trips and activities designed to help students make the most of their time in the US. From white water rafting down an Oregon river to watching professional sporting events in Portland and Seattle, students at INTO OSU experience all the beauty, fun and excitement that the Pacific Northwest has to offer.

VISA AND IMMIGRATION SUPPORT
Upon arrival, the university’s International Student Advising and Services office, in conjunction with the INTO OSU Student Services team, will provide information, support and guidance on maintaining your immigration status while you are in the US. These can include questions about renewing a student visa, making sure your I-20 or DS-2019 status is always current, bringing your dependents, employment, traveling and more. They will issue any documentation you may need to support your visa application. Students can make individual appointments with an International Student Adviser at International Student Advising and Services. In addition, workshops are held throughout the year on topics such as employment, scholarships and travel.

INSURANCE
Health insurance coverage is required for all Oregon State University international students. For this reason, the OSU International Student Health Plan will be automatically added to the student’s account, unless proof of suitable alternative coverage is provided. This comprehensive insurance policy, prepared especially for international students in the US, offers coverage during travel to and from the US, as well as for the duration of study at OSU.

ENGLISH CONVERSATION OPPORTUNITIES
INTO OSU Student Services coordinates a number of opportunities for students to practice their spoken English. One-on-one and small group conversation partners are available for all types of students on a first-come, first-served basis. Additionally, INTO OSU Student Services keeps students informed about events, activities and volunteer opportunities on campus and in the Corvallis community. There are many chances to meet Americans and practice English during your stay.

PATHWAY PEER TUTORS
Pathway students have access to tutoring services through the INTO OSU Learning Center. Our Pathway Peer Tutors are Oregon State University students who work with Pathway students on English skills as well as subjects like math, science, engineering and business.

There are both one-on-one appointments available by request and walk-in hours in the OSU Valley Library. Students are matched with a tutor based on areas of need. These sessions are limited to two hours per week and are free to Pathway students.

Download the INTO OSU mobile app at intohigher.com/osu/app
Download the INTO OSU Pre-departure Guide here intohigher.com/osu/pdg
As Student Care and Conduct Coordinator, I can assist you with personal and academic concerns in and out of the classroom. Additionally, I can answer questions or concerns you may have and provide you with additional resources to help you be successful while you are here at INTO OSU.

Nikki Hinshaw
INTO OSU Student Care and Conduct Coordinator
UNDERGRADUATE ADMISSIONS—DIRECT ENTRY

APPLYING TO OSU

1. Choose Your Academic Program
Visit: oregonstate.edu/admissions/alphabetical-list-undergraduate-majors

2. Meet Important Deadlines
OSU processes applications and admits new undergraduate students throughout the year for all four terms. In order to successfully gain admission, secure your student visa and arrive on campus for the required International Student Orientation, the Office of International Admissions recommends that you submit your application and supporting documents at least 4–6 months before your intended term start date. For scholarship consideration (fall term), applications must be received by the priority deadline of February 1.

4. Meet the Admission Requirements
Applicants for a bachelor’s degree must submit:
• Official records of all secondary schools attended
• Official records of all colleges, universities and/or professional schools attended
• Official results of relevant tests and/or comprehensive examinations. The ETS institution code for OSU is 4586.

Additional information:
• Please provide certified English translations (if applicable).
• Photocopies of official documents are acceptable for review purposes and can be submitted via email in PDF format to intladmit@oregonstate.edu, by fax to +1.541.737.4220 or by post to the Office of International Admissions, 1701 SW Western Boulevard, Corvallis, OR, 97333, USA.
• The Scholastic Aptitude Test (SAT) or American College Test (ACT) are accepted but not required for international undergraduate applicants except if applying to the University Honors College.
• A Personal Statement and/or letters of recommendation are welcome but not required.
• University Honors College applicants must complete a supplemental application and meet the UHC application deadline. Information is available at oregonstate.edu/dept/honors/apply.

5. Meet the English Language Requirement
Non-native speakers of English must provide official English language test scores, unless they meet the criteria under “Exempt from English Language Testing” listed here oregonstate.edu/admissions/international/admission-requirements.

International undergraduate students who do not meet the exemption criteria and also do not have a test score may be admitted to OSU but will be required to begin full-time English language training during the first term at OSU. Additional language training will be required until the student receives required language proficiency.

Acceptable alternatives to the TOEFL and IELTS include:
• SAT Reading: Minimum score of 500
• ACT English: Minimum score of 21
• AP English L & C: Minimum score of 3
• IGCSE/International A Levels English: Minimum grade of C (pass)
• IB: English A2–HL or SL minimum score of 5
• INTO OSU Academic English: Completion of AE Level 6 with a minimum C average and P (pass) in all Pass/No Pass classes
• US post-secondary institution minimum 36 quarter transfer credits (must include two English composition courses with grades C- or better or one English composition and one speech communication course with grades C- or better)

3. Apply for Admission
Complete the online application for admission for international students at admininfo. ucsadm.oregonstate.edu/prod/bwskalog.P_DispLoginNon and pay a non-refundable application fee of US $50.

The Memorial Union is the heart of student life on campus and is home to many restaurants, student-run clubs, the International Resource Center, a post office and a bowling alley/billiards room.

KEY PROGRAM FACTS: Undergraduate Admissions Direct Entry

START DATES
Fall term: September 23, 2013
Winter term: January 2, 2014
Spring term: March 27, 2014
Summer term: June 19, 2014

ACADEMIC ENTRY REQUIREMENTS
Satisfactory completion of a high school diploma with a 3.0+ GPA or equivalent (on a 4.0 scale)

ENGLISH LANGUAGE ENTRY REQUIREMENTS
TOEFL score of 80+ iBT with minimum of 16 in each subsection (550+ PBT), or IELTS 6.5+

CONDITIONAL ADMISSION REQUIREMENTS
• Satisfactory completion of a high school diploma with a 3.0+ GPA or equivalent
• TOEFL score of 60–69 iBT (500–524 PBT) or IELTS 5.5–6.0
  • Students who are unable to provide a language proficiency score or one that is below the minimum will be offered Academic English followed by Conditional Admission.
  • Students who successfully complete level 4 in Academic English with minimum grades of C in graded classes and P (pass) in all Pass/No Pass classes will study a combination of credit-bearing Academic English courses and academic content courses.

TRANSFER ADMISSION REQUIREMENTS
• Applicants transferring from a recognized college or university outside the US must have a cumulative grade-point average of 2.5 or equivalent AND be eligible to return to the most recent institution attended.
• Applicants transferring from a regionally accredited college or university in the US must have a cumulative GPA of 2.25, meet OSU’s Math and Writing requirements for transfer students (if you have earned 36 or more transferrable credits), AND be eligible to return to the most recent institution attended.

UNDERGRADUATE COSTS OF ATTENDANCE
The following prices are based on 2012–13 values and are subject to change:

The Kelley Engineering Center’s bright, open layout and sustainable design inspire collaboration and innovation between faculty and students.
I finished the Pathway program and am now in my second year of the business major. In the Pathway program, you have bridge classes to help you succeed in your classes. The teachers give you a study guide and show you step by step. You will know how to study through the bridge class.

Sarah Jou-Hsuan Chen, Taiwan
Undergraduate Pre-Business
**KEY PROGRAM FACTS:**

**Undergraduate Pathway Programs**

**START DATES**

- **Science and Computer Science**
  - Fall term: September 23, 2013

- **Engineering Pathway**
  - Fall term: September 23, 2013
  - Winter term: December 30, 2013

- **Business, Sustainable Planet, Exercise and Sport Science, Food Science and Technology, General-Liberal Arts Focus and General**
  - Fall term: September 23, 2013
  - Winter term: December 30, 2013
  - Spring term: March 25, 2014

*Note: Students must arrive 1 day prior to the program start date.*

**PROGRAM DURATION**

All Pathway programs are three terms.

**ACADEMIC ENTRY REQUIREMENT**

Satisfactory completion of high school diploma with a 2.5+ GPA or equivalent.

**ENGLISH LANGUAGE ENTRY REQUIREMENT**

- **TOEFL** score of 60 iBT (500 PBT) or IELTS 5.5
- Complete Academic English Level 4 with a minimum grade of C in graded courses and P (pass) in Pass/No Pass classes.
- Academically qualified students who are unable to provide a language proficiency score (or provide one that is below the minimum) will be offered Academic English followed by Conditional Admission to the Pathway.

*Note: To plan the length of English study needed before joining the Pathway, please refer to the table on page 63.*

**HOUSING REQUIREMENT**

All students with Undergraduate Pathway in their course of study are required to live on-campus during their first three terms of study.

**MINIMUM PROGRESSION REQUIREMENTS TO UNDERGRADUATE YEAR 2**

- 2.25 cumulative GPA in the Pathway program
- No Satisfactory/Unsatisfactory (S/U) graded courses in OSU academic coursework
- All students must have a grade of C- or better in English Composition (WR 121) and Math (MTH 111) or higher and Public Speaking (COMM 111) or higher

---

**What are the benefits?**

Pathway students receive the highest level of support during their transition abroad, making it an ideal choice for international students who are driven to achieve high academic goals. Other benefits include:

- Guaranteed progression to the second year of an OSU undergraduate program (subject to successful completion of a Pathway program)
- A curriculum consisting of OSU credit-earning courses
- Integration with domestic and international students
- Access to all OSU campus facilities and events
- Classrooms and accommodations located at the heart of campus
- Individual supplemental tutoring for any subject
- Staff members whose primary focus is on student care and support
- Highly-trained and experienced instructors
- Academic advising throughout the program
- Use of a fully-equipped Learning Center with state-of-the art technology

**What skills will Pathway students gain?**

At the end of their Pathway program, students should be able to:

- Interact comfortably in the US classroom with professors and fellow students
- Understand US values in an academic setting
- Express spoken and written ideas accurately and effectively in English
- Write research papers with proper use of citations and references
- Use the Internet and OSU library databases to conduct academic research
- Read, understand and critically evaluate academic texts
- Take notes in academic lectures and presentations
- Develop and deliver oral presentations

Pathway students can immerse themselves in American culture by living and studying with American students.
PROGRESSION ROUTES

After successful completion of a Pathway program, students have an extensive choice of undergraduate degrees. Time to degree completion may vary depending on a student’s selected major, academic background and course load.

### Business Pathway
- Accountancy
- Business Administration
- Business Information Systems
- Finance
- Management

- Psychology
- Sociology
- Spanish
- Speech Communication
- Women Studies

### General Pathway
- All other majors

---

1. Total study time to graduation including Pathway is five years
2. Entry is competitive.

3. For full list of majors and options please refer to page 18 and 19.
The following nine tables describe a typical Pathway curriculum:

### Business

This Pathway leads to the second year of the pre-business major. At the end of the second year of study, qualified students may compete for admission to the upper division (pro school) of the business degree program. Progression from pre-business to pro school is competitive.

#### Degree Program Components
- **Business**
  - 180 credit hour program
  - 45 credit hours apply from Pathway
  - 135 credit hours remaining towards degree

#### Program Information
- **Start Dates**
  - Fall term: September 23, 2013
  - Winter term: December 30, 2013

- Progression Requirements
  - 2.25 cumulative GPA in the Pathway program
  - No Satisfactory/Unsatisfactory (S/U) graded courses in OSU academic coursework
  - All Engineering Pathway students must have a grade of C- or better in English Composition (WR 121), Math (MTH 111 or higher) and Communication (COMM 111 or higher)

Term 4 (Recommended)
The fourth term will enable students to complete the additional classes to ensure that they are well prepared for their second year at OSU. It is recommended that all students, especially those in Sciences and Engineering, plan to remain at INTO OSU for four terms.

For more information visit: [engineering.oregonstate.edu](http://engineering.oregonstate.edu)

---

1. Specific course is determined by results of Math placement test and requirements for the major field of study.
UNDERGRADUATE PATHWAY PROGRAMS

Sustainable Planet
This Pathway leads to two majors in the College of Forestry: Natural Resources and Renewable Materials. This Pathway is an ideal option for students who are interested in solving real-world problems, making a positive impact on the environment, preserving natural resources and driving sustainable innovations.

RENEWABLE MATERIALS
Renewable materials is an ideal major for students who are interested in:
- Helping the world replace oil-based and other non-renewable materials with plant-based renewable alternatives
- Learning how to efficiently produce, market and use diverse renewable materials such as wood, bamboo, straw and other plant-based materials
- Learning how to market, manage and develop new businesses and products focused on sustainable materials

Renewable Materials graduates:
- Are innovative scientists, engineers and business people who want to make a difference
- Fill a growing demand for professionals in the manufacture, marketing and use of natural materials
- Have a broad education that emphasizes science, technology, business and communications

Renewable Materials B.S. options:
- Marketing and Management
- Science and Engineering

NATURAL RESOURCES
The program provides a broad-based interdisciplinary approach to the study of natural resources. It attracts creative students who are looking for an alternative to traditional single-focus disciplines and who like choice in their curriculum.

Natural Resources graduates:
- Can understand a broad range of natural resource issues
- Work with experts in a variety of resource fields
- Deal with social and political components of resource management
- Specialize in specific aspects of natural resources

Natural Resources B.S. options:
- Arid land ecology
- Fish and wildlife conservation
- Forest ecosystems
- Geosciences and natural resources
- Human dimensions in natural resources
- Individualized option
- Law enforcement in natural resources
- Native Americans and natural resources
- Natural resource education
- Natural resource policy
- Natural resource technology
- Resource conservation
- Watershed management

PROGRAM INFORMATION

Start Dates
- Fall term: September 23, 2013
- Winter term: December 30, 2013
- Spring term: March 25, 2014

Progression Requirements
- 2.25 cumulative GPA in the Pathway program
- No Satisfactory/Unsatisfactory (S/U) graded courses in OSU academic coursework
- All Sustainable Planet Pathway students must have a grade of C- or better in English Composition (WR 121), Math (MTH 111 or higher) and Communication (COMM 111 or higher)

For more information visit: forestry.oregonstate.edu

1 Specific course is determined by results of Math placement test and requirements for the major field of study.
Exercise and Sport Science

This Pathway leads to a major in Exercise and Sport Science. The program provides students with a comprehensive study of human movement and physical activity including:

- Exercise physiology
- Biomechanics
- Sport and exercise psychology
- Motor learning
- Control and sport sociology
- Exercise and sport for its health benefits
- Exercise and sport for its human performance outcomes

Options in the Exercise and Sport Science major prepare students for careers in:

- Fitness leadership
- Personal training
- Teaching physical education
- Coaching
- Various professions in the fitness industry
- Cardiac rehabilitation

This major is also suitable for preparation into graduate programs for research or professional programs to become a physician, physical or occupational therapist, physician assistant and/or nurse.

Exercise and Sport Science B.S. options:

- Fitness & Nutrition
- Physical Education Teacher Education
- Pre-Therapy & Allied Health
- Applied Exercise and Sport Science

Internships:

- Internship experiences are required in the Fitness & Nutrition option of the Exercise and Sport Science major and the Applied Exercise and Sport Science option. Internship placements are in professional settings that prepare students for their future careers.
- Practicum experiences are required in the Physical Education Teacher Education option and the Pre-Therapy & Allied Health option.

Athletic Training

Very successful Exercise and Sport Science Pathway students may choose to study an additional year after progressing and then apply for admission to the highly competitive Athletic Training program. If accepted to the Athletic Training program, total study time to graduation, including the Pathway year, would be at least five years.

OSU alumna, Ariko Iso of Japan, was the first and only female athletic trainer in the NFL. She has since returned to OSU as Head Football Athletic Trainer.

**Term 4**

**Optional**

### Program Information

**Start Dates**

- Fall term: September 23, 2013
- Winter term: December 30, 2013
- Spring term: March 25, 2014

**Progression Requirements**

- 2.25 cumulative GPA in the Pathway program
- No Satisfactory/U satisfactory (S/U) graded courses in OSU academic coursework
- All Exercise and Sport Science Pathway students must have a grade of C- or better in English Composition (WR 121), Math (MTH 111 or higher) and Communication (COMM 111 or higher)

For more information visit: [health.oregonstate.edu/degrees/exercise-sport-science](http://health.oregonstate.edu/degrees/exercise-sport-science)

---

1. Specific course is determined by results of Math placement test and requirements for the major field of study.
UNDERGRADUATE PATHWAY PROGRAMS

Food Science and Technology

This Pathway leads to a major in Food Science and Technology (FST). FST involves the chemistry and engineering needed to deliver safe, convenient food products from the farm to the market. The program integrates principles and concepts in the physical, biological and engineering sciences and applies them to the scientific and technological aspects of food processing. The role of the food scientist is to successfully integrate these disciplines to assure an abundant, high quality and nutritious food supply.

Food Science and Technology graduates will:

- Be able to integrate chemical, biochemical, microbiological, engineering and sensory analysis principles to develop foods that are safe, nutritious and flavorful.
- Have the necessary mathematical, computer, statistical and critical thinking skills to design experiments, collect and interpret data and predict the impact of raw material and processing changes on food safety and quality.
- Have sufficient understanding of packaging materials and products needed to select appropriate packaging systems to meet a range of requirements, including quality preservation, convenience, solid waste minimization and consumer marketing.
- Know the federal regulations governing the manufacture and sale of food products.
- Be familiar with current issues in food science.

Food Science and Technology B.S. options:

Food Science
Graduates of the Food Science option are typically interested in research and development of new products, food safety, sensory and flavor qualities, quality control or quality assurance. Some even work as freelance food technologists.

Fermentation Science
The Fermentation Science program, one of just a handful in the nation, is a hands-on applied science addressing the biological, chemical and physical processes of fermented foods, including those used in the production of wine and beer, as well as a variety of other fermented foods such as cheese, yogurt, soy sauce, pickles, breads and fermented vegetables.

Enology and Viticulture
The Enology and Viticulture option prepares students to become successful winemakers.

OSU owns and maintains two vineyards for instruction and research.

### Food Science and Technology

#### Degree Program Components

- **180 credit hour program**
- **49 credit hours apply from Pathway**
- **131 credit hours remaining toward degree**

#### Program Information

**Start Dates**
- Fall term: September 23, 2013
- Winter term: December 30, 2013
- Spring term: March 25, 2014

**Progression Requirements**
- 2.25 cumulative GPA in the Pathway program
- No Satisfactory/Unsatisfactory (S/U) graded courses in OSU academic coursework
- All Food Science Pathway students must have a grade of C- or better in English Composition (WR 121), Math (MTH 111 or higher) and Communication (COMM 111 or higher)

Science

This Pathway leads to majors in various science majors, pre-medical majors, and Earth Science majors.

**DEGREE PROGRAM COMPONENTS**
- 180 credit hour program
- 49 credit hours apply from Pathway
- 131 credit hours remaining toward degree

**PROGRAM INFORMATION**

**Pathway Entry Requirements**
- High School Diploma with a 2.5 GPA
- Language Proficiency Test:
  - TOEFL iBT 60 (500 PBT)
  - IELTS 5.5
  - PTEA 44+
  - Password overall Level 6
- Completion of Academic English Level 4 with a minimum C in all graded classes and P (Pass) in all Pass/No Pass classes
- Academically qualified students who are unable to provide a language proficiency score or one that is below the minimum will be offered Academic English followed by Conditional Admission to the Pathway.

**TERM 4 (Recommended)**

This fourth term will enable students to complete the additional classes to ensure that they are well prepared for their second year at OSU. It is recommended that all students, especially those in Sciences and Engineering, plan to remain at INTO OSU for four terms.

For more information visit: science.oregonstate.edu

**Computer Science**

This Pathway leads to the second year of the Pre-Computer Science major. At the end of the second year of study, qualified students may compete for admission to the upper division (pro school) of the Computer degree program. Progression from Pre-Computer Science to pro school is competitive.

**DEGREE PROGRAM COMPONENTS**
- 180 credit hour program
- 47 credit hours apply from Pathway
- 133 credit hours remaining toward degree

OSU GRADUATE PROGRAMS

More than 900 international students representing nearly 100 countries pursue their graduate education at Oregon State University, and each brings his or her own unique experiences, perspectives and academic goals. International students apply to and are admitted to nearly every graduate program at the university.

OSU offers more than 80 different graduate degree programs in fields such as engineering, forestry, agriculture, physical and life sciences, health-related studies, humanities, social sciences, family and consumer sciences, business and education. As a top-tier research university, OSU offers vast resources for research, including many specialized centers, institutes, research laboratories and experiment stations located on campus and across Oregon. Our specialized research centers include:

- O.H. Hinsdale Wave Research Laboratory
  - The world's largest tsunami research basin is a leading center for research and education in coastal engineering and nearshore science.

- The Linus Pauling Institute
  - Founded by Oregon State’s most distinguished alumnus, the institute continues Pauling’s legacy with research focused on cardiovascular and metabolic diseases, cancer, aging, immune function and neurodegenerative diseases.

- The Radiation Center
  - This unique facility supports research, development and service programs involving nuclear science and engineering, radiation protection and related disciplines.

- Hatfield Marine Science Center
  - Located on the Oregon Coast in Newport, the HMSC is a center for marine and coastal research and outreach programs.
GRADUATE DEGREES AND CERTIFICATES BY COLLEGE OR SCHOOL

College of Agricultural Sciences
- Agricultural Education, MAg, MS
- Agricultural Science, MAg
- Animal Science, MAg, MS, PhD
- Applied Systematics in Botany, PSM
- Botany and Plant Pathology, MA, MAg, MS, PhD
- Crop Science, MAg, MS, PhD

- Water Resources Policy and Management, MS
- Water Resources Science, MS, PhD

The rotunda in the Valley Library is a well-lit, warm and welcoming place to study.

The Hallie E. Ford Center is dedicated to research in healthy child development, parenting and family life and healthy lifestyles and obesity prevention.
GRADUATE ADMISSIONS—DIRECT ENTRY

HOW TO APPLY

PART A: Apply to the University

1. Meet OSU Admission Requirements
Time to degree completion may vary depending on a student’s selected major, academic background and course load.

Review the University’s minimum admission and country requirements to determine whether you meet the minimum requirements for admission to a graduate program at OSU: oregonstate.edu/admissions/international/admission-requirements.

2. Learn About Your Program
Check the department website to see if there are professors who are conducting research in your area of interest if you are applying for a MA/MS or PhD. If there is a professor working in your desired research area, feel free to contact the professor by email to discuss whether or not there is a good fit between your interests and the individual professor.

3. Submit Your Application
Complete and submit the appropriate online application for admission at oregonstate.edu/admissions/international:
• Create a login name and password
• Pay a non-refundable application fee of US $60

A complete application is most likely to include:
• All previous university transcripts
• All certificates, diplomas, degrees earned
• For applicants whose first language is other than English, a TOEFL or IELTS test score
• ETS school code for OSU is 4586
• OSU Certification of Finances Form (completed and signed by student applicant and sponsor)

Form must be downloaded and printed from oregonstate.edu/admissions/international/certification-of-finances-cost-of-attendance.

Official documents must be mailed to the OSU Graduate School directly from the registrar or equivalent official office at your university. We will accept documents from you in person only if you attended a university in a select group of countries where issuance of documents is prohibitive.

Certified English translations must accompany all documents issued in languages other than English.

Document(s) must be mailed (scanned/emailed documents will not be accepted).

Mail application documents to:
Graduate School
Oregon State University
300 Kerr Administration Building
Corvallis, OR 97331 USA

T: +1.541.737.4881
F: +1.541.737.3313
E: graduate.admissions@oregonstate.edu

4. Check Your Application Status
You may check the status of your application electronically by using your login and password at oregonstate.edu/admissions/international/status. The graduate admission process involves review and approval by both the academic department and the Graduate School. Processing times will vary, but generally takes at least three months. Please consult with your prospective department regarding their timeline for making admission decisions.

International applicants to the MBA program should apply at business.oregonstate.edu/mba.

40 percent of people at OSU bike, walk or use some form of nonmotorized transportation to get to campus.
PART B: Apply to Your Academic Department

Every department on campus has information about what materials you will need to provide for consideration. Most departments will request at least the following items:

- Statement of Purpose (entered on online application for admission unless instructed otherwise)
- Letters of Recommendation (3) – Some departments have specific instructions regarding submission of letters
- GRE test scores (if required, varies by department); these must be mailed directly to OSU by the testing organization.

The department website will give you instructions on where to mail the documents.

If admitted to OSU, you will receive:

- Electronic notification of your admission to OSU
- An OSU Letter of Acceptance
- Pre-departure and orientation information
- An OSU I-20 (F-1 visa) or DS-2019 (J-1 visa)

To confirm your intent to attend OSU:

- Submit the electronic RSVP form using the link provided in your admission materials
- If you have been offered a graduate assistantship and wish to accept the offer, be sure to review and sign the contract sent to you
- No advance tuition deposit is required

GRADUATE COSTS OF ATTENDANCE

The following prices are based on 2012-13 values and are subject to change:

<table>
<thead>
<tr>
<th></th>
<th>International/Non-resident tuition</th>
<th>Housing</th>
<th>Books</th>
<th>Incidents</th>
<th>Health Insurance</th>
<th>Total Expenses (12 months)</th>
</tr>
</thead>
<tbody>
<tr>
<td>$20,050</td>
<td>$9,000</td>
<td>$1,950</td>
<td>$1,950</td>
<td>$1,200</td>
<td>$34,900</td>
<td></td>
</tr>
</tbody>
</table>

If you have been offered a graduate assistantship and wish to accept the offer, be sure to review and sign the contract sent to you. No advance tuition deposit is required.

ENGLISH LANGUAGE ENTRY REQUIREMENTS

- TOEFL score of 80+ iBT with minimum of 18 on each subsection (550+ PBT) or IELTS 6.5+. Certain programs have higher minimum requirements.
- Conditional admission can be offered by certain programs subject to the following English Language entry requirements:
  - TOEFL scores 61-79 iBT (500-547 PBT) and IELTS 6.0

ADDITIONAL ENTRY REQUIREMENTS

- A statement of objectives
- Three letters of professional reference
- Additional information as requested by your proposed department
- The Graduate Management Aptitude Test (GMAT) or
- The Graduate Record Examination (GRE)

ADMISSION NOTE

OSU is competitive and meeting the minimum requirements does not guarantee admission. In the case of research-based programs, admissions decisions may also be based on the suitability of the applicant’s research interests and the availability of professors in a particular field of research. For a complete list of country equivalencies, visit oregonstate.edu/dept/grad_school/country_reqs.php.

oregonstate.edu/dept/grad_school

Graduate education is a journey unlike any other; pursue your intellectual passions, gain professional expertise, and open doors to opportunities for your future.
GRADUATE PATHWAY PROGRAMS

What is the Graduate Pathway program?
The innovative Graduate Pathway program is a pre-Master’s program that provides international students a direct path to various graduate degrees at the university. The program gives students the academic foundation, essential language skills and GMAT/GRE test preparation to successfully move on to the Master’s degree.

Who is the program for?
Direct admission to the Graduate School and respective department-based graduate programs at Oregon State University is highly competitive with only the best and most prepared students being selected. Many students who meet all the minimum entry requirements are not admitted because of the highly competitive nature of the programs.

The Graduate Pathway program is designed for international students who:
• Require additional preparation to be admitted directly to the Graduate School
• Fall short of meeting the minimum GPA or test score requirements
• Need further English development
• Need to improve study skills for success in their chosen field of study
• Any or all of the above

What classes will Graduate Pathway students take?
The academic courses included in the Graduate Pathway programs are carefully chosen to ensure success in graduate-level studies. Students will be advised on which modules to follow during their academic orientation at the INTO OSU Center.

For sample curricula, please refer to pages 55–60

What are the benefits?
Pathway students receive the highest level of support during their transition abroad, making it an ideal choice for international students who are driven to achieve high academic goals. Other benefits include:
• Assured progression to an OSU graduate program*
• Up to 40 hours of TOEFL test preparation and GMAT or GRE preparation
• Dedicated academic adviser and progression adviser to help facilitate transition to the university
• Pathway peer tutors available to provide additional academic support

*Subject to successful completion of Pathway program, achievement of required test scores and subscores and submission of additional application materials

I have always wanted to study in the US because of the comprehensive curriculum offered in US universities. I chose Oregon State University because of the array of courses offered, especially in my department, Civil & Construction Engineering.

Oluwafunsho (Funsho) Farinde, Nigeria
Civil & Construction Engineering, M.S.
### MASTER OF ENGINEERING

The Master of Engineering (MEng) is a coursework-only, non-thesis Master’s degree of 45 credits. Students can obtain a Master’s-level degree without the research thesis component required of OSU’s traditional Master’s degree. The MEng degree emphasizes specific job-related knowledge and skills for modern professional practice in the engineering field. The MEng generally takes three to five terms (1 – 1 ½ years) to complete depending on the number of credits taken per term.

For more information about the College of Engineering and MEng degree options, see page 21.

The following tables describe a typical MEng Graduate Pathway curriculum:

### GRADUATE PATHWAY—MENG

The INTO OSU Graduate Pathway in Engineering is designed to provide a route to the MEng degree program for students with a degree in a relevant field of engineering or computer science. In some cases, the Graduate Pathway may act as a conversion course for students wishing to change their engineering major. As a conversion course, additional time and coursework may be required.

The program structures outlined below are sample curricula students will follow in the MEng Pathway. These sample curricula may vary from student to student depending on experience, qualifications and program start dates.

For more information visit: [engineering.oregonstate.edu](http://engineering.oregonstate.edu)

### DEGREE PROGRAM COMPONENTS

- 45 credit hour program
- 4 credit hours apply from Pathway
- 41 credit hours remaining toward degree

### PROGRAM INFORMATION

<table>
<thead>
<tr>
<th>Start Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall term: September 23, 2013</td>
</tr>
</tbody>
</table>

### Progression Requirements

- A combined minimum cumulative GPA of 3.0 in the Pathway program and in the last year of the undergraduate degree.
- A grade of B or higher in all English language classes in the Pathway or TOEFL 91 iBT with minimum subscores of 18 (575 PBT)
- A grade of C or higher in all Pathway classes.
- Graduate Record Examination (GRE) minimum overall score of 1100 (301 revised) with a minimum score of 400 (146 revised) in the verbal section.

## Industrial Engineering

**DEGREE PROGRAM COMPONENTS**
- 45 credit hour program
- 12 credit hours apply from Pathway
- 33 credit hours remaining toward degree

**PROGRAM INFORMATION**
Students may choose from the focus areas of Human Systems Engineering, Information Systems Engineering, Manufacturing Systems Engineering, or Nano/Micro fabrication.

**Pathway Entry Requirements**
- 4-year undergraduate degree in engineering
- Satisfactory completion of a 4-year undergraduate degree in an appropriate subject with a 2.75 GPA or equivalent overall and a minimum of 2.75 GPA for the final year of study
- Language Proficiency:
  - TOEFL 70 iBT (525 PBT)
  - IELTS 6.0
  - Password overall Level 7
  - Completion of Academic English Level 5 with no grades below C and a Pass grade in all Pass/No Pass courses

**FALL TERM**
- **COURSE TITLE**
  - ALS 161 Academic Listening and Speaking
  - ALS 162 Academic Reading and Writing
  - IE 512 Information Systems Engineering
  - ST 314 Introduction to Statistics for Engineers
  - ENGR 199 INTO OSU Engineering Success

## Construction and Engineering Management

**DEGREE PROGRAM COMPONENTS**
- 45 credit hour program
- 4 credit hours apply from Pathway
- 41 credit hours remaining toward degree

**PROGRAM INFORMATION**
Students who complete the CEM degree program receive specialized training in construction and management and will be awarded a MEng degree in Civil Engineering.

**Pathway Entry Requirements**
- 4-year undergraduate degree in engineering
- Satisfactory completion of a 4-year undergraduate degree in an appropriate subject with a 2.75 GPA or equivalent overall and a minimum of 2.75 GPA for the final year of study
- Language Proficiency:
  - TOEFL 70 iBT (525 PBT)
  - IELTS 6.0

GRADUATE PATHWAY PROGRAMS—MBA

MASTER OF BUSINESS ADMINISTRATION (MBA)
The MBA program is a management program with an experiential component and an emphasis on innovation, sustainability, technology and entrepreneurship. The program is designed to provide students with the necessary skills to solve complex business problems and to successfully compete in the business marketplace. The MBA generally takes three to six terms (1-2 years) to complete depending on number of credits taken per term. For more information about the College of Business and MBA degree options, see page 20.

Ahmet Berk Ahishalioglu, Turkey
MBA Pathway

MASTER OF BUSINESS ADMINISTRATION (MBA)
The MBA program is designed to provide a route and academic foundation for students wanting to pursue the MBA degree. The program is an excellent choice for students with a business background who need extra language skills and test preparation. It also serves as a conversion course for students without a business background seeking foundation knowledge in business subjects.

Ahmet Berk Ahishalioglu, Turkey
MBA Pathway

The table below describes a typical MBA Graduate Pathway curriculum:

For students who have graduated from an engineering department and are looking for an MBA program, and they don’t have work experience, I think OSU is a really good option for them. You can take core courses before the MBA so you can get familiar with the concepts.

Ahmet Berk Ahishalioglu, Turkey
MBA Pathway
MBA INTENSIVE TEST PREPARATION

INTO OSU is proud to offer intensive test preparation for Graduate Pathway MBA students who desire additional coursework for their TOEFL and/or GMAT requirements. Intensive test preparation will be offered in the weeks immediately following winter, spring and summer terms. During winter breaks, classes will be scheduled to allow for student participation in social programs and holiday travel.

The intensive test preparation courses will be taught by experienced instructors and focus on preparing students for the TOEFL and GMAT examinations. Classes will focus on skills-based language development throughout the program but also on the development of test-taking and test-preparation skills which will include the use of practice tests and individual feedback on performance.

The class sizes will range from 1-24 students per class. Total teaching time will be 24 hours (8 lessons of 3 hours each) for each course. The three-hour classes will normally have a 20-minute break in the middle although this may vary. There will also be dedicated time in the Learning Center for students to work on online, CD-ROM and textbook self-study materials. Estimated cost for each course is $495 including course materials.

Technology can enhance the classroom experience. Here, students are seen using iPads for an interactive lesson. Stick art by artist Patrick Dougherty in People’s Park depicts human-like characters and was created with the help of student volunteers.

The newly-constructed Student Legacy Park hosts three turf fields, a 531-meter track, a ten-court tennis complex, a basketball court, and a pavilion.
INTO OSU ENGLISH LANGUAGE PROGRAMS

At INTO Oregon State University, you can choose from a range of English language programs that will build upon your current skills and help you to meet your personal and professional goals, through classroom instruction and opportunities to engage outside of the classroom with other domestic and international students at OSU.

At INTO OSU, we deliver programs that promote academic, professional and personal success. Our commitment to providing an outstanding experience makes INTO OSU English language programs an ideal choice for students looking to improve their English skills at a US university.

INTO OSU English Language Programs

- **Academic English**
  For students who intend to study in a degree-seeking program in a US university

- **General English**
  For students of all levels of English who want to improve their English for social and professional situations while learning about American culture

- **College Year Abroad: The American University Experience**
  A long term General English program

- **Study Abroad with English**
  For students who intend to graduate from a university in their home country, but desire a year abroad experience consisting of both English and academic subjects.

In just in eight months, I learned how to speak English! When I came here for the first time I was very shy, but now I can speak to anyone.

Haidar Eterbel, Libya
Academic English
ACADEMIC ENGLISH

Program Description
The Academic English program at INTO Oregon State University prepares international students for university study in the US. The academically rigorous program provides international students with high-quality English language instruction and the academic skills to succeed at OSU through development of:

- Listening
- Speaking
- Reading
- Writing
- Standardized test preparation
- Academic study skills

Program Highlights
- Intensive English to prepare for university study
- Academic advising throughout the program
- Small classes of 18-20 students
- Highly-trained and experienced instructors
- Participation in the Conversant Program

Estimated Entry points, Guaranteed Entry points and Progression Rates
All Academic English students take a placement assessment on arrival and will be placed into the appropriate level for ‘Reading and Writing’, and ‘Listening and Speaking’. Some students may be placed in different levels for these two different classes. The ‘estimated’ level shows the level that the majority of students (71% in 2010/11) with these scores enter at. All students have the right to enter at the ‘guaranteed’ level, regardless of their placement test results.

Important Notes:
1. In the Academic English program, the expectation is that a student will progress at the rate of one level per term.
2. Some students may require more than one term to pass a level. A student who does not pass a level, must repeat it before progressing. Students may not repeat a level more than three times.
3. Guaranteed AE levels only apply at the first time of entry to the Academic English program.

Program Outcomes
After finishing this intensive program successful students will be able to:
- Interact comfortably in the US classroom with professors and fellow students
- Understand US values in an academic setting
- Present their spoken and written ideas accurately and effectively in English
- Write research papers with proper use of citations and references
- Use the Internet and OSU library databases to conduct academic research
- Read, understand, and critically evaluate academic texts
- Understand and use vocabulary common to academic disciplines
- Take useful and accurate notes in academic lectures and presentations
- Develop and deliver oral presentations

Academic English

START DATES
Fall term: September 23, 2013
Winter term: December 31, 2013
Spring term: March 26, 2014
Summer term: June 18, 2014

Note: Students must arrive 1 day prior to the program start date.

PROGRAM DURATION
- Each term is 10-11 weeks in length
- 4 terms per year
- Minimum enrollment of one term

ACADEMIC ENTRY REQUIREMENT
High school diploma

ENGLISH LANGUAGE ENTRY REQUIREMENT
None; students will be assessed and placed upon arrival.

PROGRAM STRUCTURE
- 6 levels of instruction
- Levels 1 and 2 combine both General English and Academic English students
- 18 lessons per week of course work covering the core skills of reading, writing, listening, and speaking
- Choice of electives

PROGRESSION REQUIREMENTS FROM ACADEMIC ENGLISH
To Undergraduate Pathway programs
- Completion of Academic English Level 4 with a minimum C in all graded courses
- P (Pass) in all Pass/No Pass classes

To Direct Undergraduate Admission
- Completion of Academic English Level 6 with a minimum B average in all graded courses
- P (Pass) in all Pass/No Pass classes

To Graduate Pathway programs
- Completion of Academic English Level 5 with a minimum C in all graded courses
- P (Pass) in all Pass/No Pass classes

To Direct Graduate Admission
- Departments generally request a TOEFL score, although individual program entry requirements vary
GENERAL ENGLISH

Program Description
The General English program consists of 5-week sessions designed for students of all levels of English who want to develop communication skills in many social and professional situations while learning about American culture.

Program Highlights
- English instruction for personal or employment motives
- Flexible entry dates
- Flexible duration of study
- Access to all OSU campus facilities and events
- Academic advising throughout the program
- Small classes of 18–20 students
- Use of a fully-equipped Learning Center with state-of-the-art technology

Program Outcomes
The General English program allows students to tailor their program to suit their personal, professional, and academic goals.

General English students will be able to:
- Improve general language proficiency in listening, speaking, vocabulary, reading and writing
- Expand career prospects by improving English language proficiency
- Develop conversation skills for real-world situations such as greeting, initiating a conversation, turn-taking, interrupting, asking for information
- Read and understand schedules, signs, ads and other authentic materials
- Understand basic cultural values and behaviors of Americans in order to interact appropriately
- Have the opportunity to interact with native speakers
- Progress to Academic English for further study at OSU

START DATES
Fall term:
- September 26, 2013
- November 4, 2013
Winter term:
- January 2, 2014
- February 10, 2014
Spring term:
- March 27, 2014
- May 5, 2014
Summer term:
- June 19, 2014
- July 28, 2014

Note: Students must arrive 1 day prior to the program start date.

PROGRAM DURATION
Minimum of 5 weeks

PROGRAM STRUCTURE
- Levels 1 and 2 combine both General English and Academic English students
- All levels: 1 Listening/Speaking/Vocabulary
- All levels: 1 Reading/Writing
- Choice of 1 or 2 elective courses depending on your level
- 27 (intensive) or 21 (semi-intensive) lessons per week

ACADEMIC ENTRY REQUIREMENTS
None

ENGLISH LANGUAGE ENTRY REQUIREMENTS
None; students will be assessed and placed upon arrival.

LEVELS
1-5

AGE REQUIREMENT
16 years and above
COLLEGE YEAR ABROAD: THE AMERICAN UNIVERSITY EXPERIENCE

College Year Abroad is a long-term General English program for students who want to fully experience the American university. As with regular General English students, College Year Abroad students have access to all the same resources and amenities as all other university students including:
- Access to Dixon Recreation Center (on-campus gym facility)
- Access to OSU's Valley Library
- Participation in OSU clubs and activities
- Free tickets to OSU athletic events
- Use of a fully-equipped Learning Center with state-of-the-art technology
- Access to the student health center and other student welfare resources on campus

In addition, many College Year Abroad and General English students who choose shared on-campus housing are placed with American roommates, further enhancing their study abroad experience in America. With American roommates and conversation groups/social programs organized by INTO OSU, students are more likely to have a successful experience integrating to the campus community and American lifestyle.

25 and 35 week programs are available, with a discounted price at 35 weeks.

I see teaching as a dialogue between myself and the students. In most cases, I lead off the conversation with instruction or the presentation of the material. It is then my job to listen and adapt to what the student needs in order to master the material or concepts.

Celeste King
Associate Pathway Coordinator,
Pathway and Academic English Instructor
STUDY ABROAD WITH ENGLISH

Program Description
Study Abroad with English is a long-term program that combines Academic English language study with the chance to experience undergraduate courses at OSU. This unique program allows students to earn college credits in their field of interest without having to enroll in a long term degree program. The length of the Study Abroad program will vary depending on a student’s needs. The program can be customized for different levels of English and for specific academic interests.

With prior approval from your home university, the academic courses that you will study at OSU can be used to gain credits towards your undergraduate degree in your home country. Your credits may apply to an OSU degree if you seek admission. This program consists of two main parts:

Part 1
Part 1 includes full-time intensive study in the Academic English program to the level required for taking credit courses at OSU. This intensive program starts at four different entry points during the year, in spring, summer, fall or winter.

Part 2
Students are able to select from OSU undergraduate courses and study alongside domestic and international students while continuing to take Academic English classes as well.

Key Program Facts:
Study Abroad with English

Start Dates
Fall term: September 23, 2013
Winter term: December 31, 2013
Spring term: March 26, 2014
Summer term: June 18, 2014

Note: Students must arrive 1 day prior to the program start date.

Program Duration
Minimum of 2 terms or approximately 6 months

Academic Entry Requirements
Successful completion of at least one year of study at a university/college overseas with a minimum GPA of 2.5
(Students may be conditionally admitted before the completion of one university academic year.)

English Language Entry Requirements
- TOEFL score of 61 iBT (500 PBT) or IELTS 5.5
- Students without a test score can take an INTO English language test at an INTO representative’s office in their home country.
- Students who do not meet language requirements will study full-time in Academic English until they meet the minimum requirements.
OSU INTERNATIONAL APPLICATION PROCESS

APPLYING TO OREGON STATE UNIVERSITY

Once you have applied to Oregon State University, our team of experienced admissions staff will ensure that your application is processed swiftly and that you receive the correct documents, including your I-20 or DS-2019, so that you can successfully obtain your student visa for entry into the US.

To apply, visit oregonstate.edu/admissions/international/apply.

Step 1: Complete the Application

• Complete the OSU International Application for Admission, including the authorization for any third party acting on behalf of student applicant.
• Complete the OSU International Certification of Finances Form.
• Submit a bank statement and/or letter of sponsorship that is dated within 3 months of the time of application.
• If available, submit copy of passport ID, including dependents (if applicable).
• Submit US $50 application fee.
• Undergraduate applicants should submit all secondary and post-secondary transcripts. Grading scales should be included.
• If it has been more than six months since your high school graduation date, please provide evidence of activities completed since graduation (additional transcripts, updated work resume, written statement etc.).
• Graduate Pathway applicants should submit all post-secondary transcripts. Grading scales should be included.
• Degree-seeking graduate students should follow the application procedures listed on page 52 for direct admission to graduate programs.
• Submit all graduating certificates, diplomas, and degrees earned.
• True copies of the original documents are acceptable for admission purposes. If admitted, the original/official documents must be submitted in sealed envelopes to the Office of International Admissions prior to registration.
• English translations must accompany all documents issued in languages other than English.
• Submit evidence of language proficiency scores including TOEFL or IELTS. OSU’s ETS school code is 4586.
• Not required/optional: GRE, GMAT or SAT test scores, letters of recommendation, or a personal statement.
• Document(s) may be submitted by upload, post, fax, or email (scanned PDFs).

Step 2: Submit the Application

Submit your application and supplementary material. Either upload electronically or as attachments in email format.

Office of International Admissions
Oregon State University
1701 SW Western Blvd
Corvallis, OR 97333
USA
F: +1.541.737.4220
E: intladmit@oregonstate.edu

To learn about OSU’s immunization requirements and International Student Health Insurance Requirements: studenthealth.oregonstate.edu/international-students.

Step 3: Gather Documentation and Prepare for Study

After you are admitted and have paid your deposit (if required), you will receive:
• A letter of admission
• Confirmed course dates
• An OSU I-20 (F-1 visa) or DS-2019 (J-1 visa)
• Pre-departure and orientation information
• Invoice (if applicable)

How to Pay

If payment is being sent by wire transfer, the bank details for wiring funds are:

Bank Name: US Bank
Address: 615 N.E. Liberty Street
         Salem, Oregon 97301
Account Name: Oregon State Treasury
Account Number: 153695031051
SWIFT Code: USBKUS44IMT

The following information must be included in the wire description:
• Text clearly stating “Oregon State University”
• OSU Student Identification Number (as shown on the offer letter/invoice)
• Student Name

Please be aware there may be banking fees deducted from the amount submitted. The amount received by the University will be credited to the student’s account and any outstanding balances will need to be paid at the cashiers’ office at Oregon State University.
OSU INTERNATIONAL APPLICATION FORM 1 OF 3

Please complete all relevant sections of this form in BLOCK capitals and in black ink and return it at least one month before your intended start date. Please print legibly.

____________________________________________________
SECTION 4
Declaration of Finances
If it is determined that you are admissible to Oregon State University, OSU can provide you with an I-20 (F-1) or DS-2019 (J-1) only after you submit satisfactory evidence that you have adequate funds for your proposed program of study. **Acceptable financial documents must have been issued (by the financial institution) within 3 months of the date the application was submitted and must accompany this form.** Be sure to keep copies of these documents as you will need to present them to the US Consular Officer at your visa interview and to the US Immigration Officers at the Port of Entry. The following documents are not acceptable for the Certification of Finances: stocks holdings, life insurance policies, employment letters, credit lines, and mortgages. Please note US visa regulations restrict student employment, and therefore, it is important not to rely on employment for income to offset your educational expenses.

Please refer to page 78 for INTO OSU program costs or [oregonstate.edu/admissions/international/cost-of-attendance](http://oregonstate.edu/admissions/international/cost-of-attendance) for OSU degree program costs.

**Fill in amount under your source of funding:**

<table>

</tr>
</tbody>
</table>

**Please Submit:**

- Bank statement in English, or with translation, from a savings or draft/checking account with current balance of liquid assets. Account holder’s name in English must match name listed on Affidavit of Support.
- Letter of Financial Guarantee (in English) including name of student, intended institution and program, length of sponsorship, details of which services are being funded, billing information and sponsor contact details. New sponsoring agencies are subject to a review and approval process. If Salaried while on leave, submit original, validated letter from employer.
- Copy of award letter or source of anticipated support

SECTION 5
Affidavit of Support
To verify that the amount of support listed is approved, each sponsor is required to indicate their support by completing the section below, or by providing a separate, equivalent affidavit of support. If you have more than one source of funding, please submit additional affidavits of support. Self-funded students are not required to complete this section.

I hereby certify that I am willing and able and do promise the amount listed per year payable in US dollars for the educational expenses of (Student’s Name), who is my (relationship) while at OSU. Documentation of my financial resource(s) is attached to this affidavit of support.

Signature of Sponsor

Date

Name of Sponsor (printed)

Address of Sponsor

SECTION 6
Certification
I certify that all statements on the International Certification of Finances form are true and accurate information and that the stated funds are available for my education expenses at Oregon State University during the period specified. I will notify OSU of any changes in my financial circumstances.

Student Signature

Date
Understanding the terminology used at American universities is crucial to student success. Familiarizing yourself with these terms before arriving at Oregon State University will help you enter your new academic setting with confidence, ready to succeed.

**Academic English Program**: English language preparation for American university study.

**Accreditation**: To recognize (an educational institution) as maintaining standards that qualify the graduates for admission to higher or more specialized institutions or for professional practice.

**Attendance**: The frequency with which a student is present in class. Attendance is monitored and is required for students to successfully complete their coursework.

**Bathroom**: A room containing a toilet and usually a bathtub or shower and a sink.

**Conditional Admission**: An acceptance to a college or university that is dependent upon the individual completing coursework or meeting specified criteria prior to enrollment, such as English language proficiency. At OSU, conditionally admitted students meet the academic requirements for entry to a degree-seeking program, but lack the English language level required. They are then placed in a combination of Academic English and Academic courses, depending on their level.

**Credit Hour**: Units used to record the completion of courses (with passing grades) that are required for an academic degree. The university catalog defines the number and kinds of credits that are required for the university’s degrees and states the value of each course offered in terms of “credit hours” or “units.”

**Cumulative**: Increasing in effect, size, quantity, etc. by successive additions; accumulated; taking successive additions into account.

**Degree-seeking**: Students enrolled in courses for credit and recognized by the institution (OSU) as seeking a degree, certificate, or other formal award.

**Dining Center**: A group of restaurants and cafés close to each residence hall. Similar to a cafeteria or canteen.

**Dormitory**: A building for housing a number of persons, as at a school. Synonymous with accommodation, housing.

**Double Room**: A shared room, normally between two students. This is a traditional American room type.

**Elective Course**: A course that the student can select from among alternatives.

**Emergency Contact Number**: A 24-hour resource for students in case of emergency. However, during regular business hours (7:30am–5:00pm), please call the INTO OSU Front Office at 541.737.2464.

**General English Program**: English language study for personal, professional or everyday use.

**GPA**: Grade Point Average – a system of recording achievement based on a numerical average of the grades attained in each course. A score of 4.0 is a perfect GPA.

**Greek Life**: Greek letter organizations are single-sex, initiatory organizations with membership considered active during the undergraduate years only, otherwise known as fraternities or sororities.

**Homework**: Assignments that are to be completed outside of class time (especially at home).

**Intramural Sports**: Recreational sports.

**Meal Plan**: The amount of money placed on a student’s identification (ID) card used to purchase meals and food on campus.

**NCAA, Division 1, Pac 12 Conference Sports**: The highest level of American College football competition, which includes 12 flagship research universities in their respective regions. The 12 member universities are well-regarded academically, and with relatively large student enrollment.

**Orientation**: Presentations and information sessions designed to introduce new students to their academic program, to Oregon State University and to life in Corvallis. All students are required to attend orientation.

**Pathway Program**: Accelerated program for advanced students that combines OSU undergraduate or graduate study in a chosen field with specialized support classes and upper level English language courses.

**Placement Test**: An examination used to test a student’s academic ability in a certain field (such as English language proficiency or mathematics) so that he or she may be placed in the appropriate courses in that field.

**Progression**: The movement from one program to a more academically rigorous one, such as from the General English program to Academic English, from Academic English to Pathway program or from an INTO OSU program to an undergraduate or graduate degree program.

**Residence Hall**: Another term for dormitory or an on-campus residence.

**Resident Assistant (RA)**: A live-in student worker available to help students living in residence halls.

**Resident Director (RD)**: A live-in, full time staff member available to assist students living in residence halls.

**Single Room**: A private bedroom for one student.

**Student Services**: Resources to assist with and enhance all aspects of student life outside the classroom.
INTRODUCTION TO US HIGHER EDUCATION

THE QUARTER SYSTEM AT OSU

OSU is one of many US universities that use the Quarter System.

The Quarter System

HOW ARE STUDENTS ASSESSED?

Assessment in a typical US university class is based on a combination of discussions and class participation, writing assignments, exams and a project presentation. A student’s grade might be based on the following assignments and grade points in any given class:

<table>
<thead>
<tr>
<th>Assignment</th>
<th>Percentage of grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Assignment</td>
<td>Percentage of grade</td>
<td>Description</td>
</tr>
<tr>
<td>Writing Assignments</td>
<td>10 %</td>
<td>There are four writing assignments. Writing assignments will consist of a 400-700 word essay discussing the topics assigned.</td>
</tr>
<tr>
<td>In-class Writing*</td>
<td>10 %</td>
<td>There are four in-class writing assignments throughout the term. These will be assigned at the instructor’s discretion and are not “scheduled” assignments.</td>
</tr>
<tr>
<td>Team Discussion and Class Participation*</td>
<td>20 %</td>
<td>Throughout the term, there will be in-class discussions on various topics. Students will be assigned to teams consisting of four people who will work together during the entire course. The questions will be answered as a team.</td>
</tr>
<tr>
<td>Exams</td>
<td>45 %</td>
<td>There are a total of four exams covering key material from the course. The exams will consist of multiple-choice and short answer questions and will be completed in class.</td>
</tr>
<tr>
<td>Final Team Project</td>
<td>15 %</td>
<td>Each team will be responsible for completing a final research project and 15-minute class presentation.</td>
</tr>
<tr>
<td>Total</td>

</tr>
</tbody>
</table>

This is a sample class assessment and will vary depending on course content, instructor, and class size.
**BACHELOR’S PROGRAMS**

A Bachelor’s degree is a four or five-year degree awarded by colleges or universities, including Bachelor of Arts (BA), Bachelor of Science (BS) and Bachelor of Fine Arts (BFA). To receive a bachelor’s degree, students must:

- Complete 180 units/credit hours in order to graduate. With an average course load of 15 units each quarter, this means that a student can complete a bachelor’s degree in four years of full-time study.
- Some universities have additional requirements, such as a thesis written during the final year of study or a final research project.
- Complete a sequence of courses within a major field of study, called “major requirements” also known as “upper division.”
- Complete a sequence of courses outside your major field of study, called “general education requirements” also known as “lower division.”

For majors that follow a professional school model (like business and engineering) students enter their respective colleges as pre-professionals. Students are accepted into the major once they have completed the pre-professional coursework. Each student must meet the minimum application requirements and be admitted into the professional program (Pro School). All upper division coursework is completed while in Pro School, during the junior and senior years.

Admission to Pro School is competitive. Meeting the minimum application requirements is the first step towards being accepted, but does not guarantee your admittance into the program.

**MASTER’S PROGRAMS**

The master’s degree usually takes one to three years of full-time study. There are two main types of master’s degree programs:

- Professional master’s degrees and research master’s degrees.

Professional master’s degrees provide a specific set of skills needed to practice a particular profession and generally lead directly to employment. The MBA (Master of Business Administration) and MEd (Master of Education) degrees are two examples.

Research master’s degrees are generally part of the progression to a Ph.D. program. They provide experience in research and scholarship and may involve writing a thesis or taking a comprehensive examination. Academic performance in a research master’s program can determine whether a student is likely to be allowed to continue on to a Ph.D. program. Examples of research master’s degree programs are the Master of Arts (MA) and the Master of Science (MS) degrees.

**PH.D. PROGRAMS**

Ph.D. programs train research scholars in a particular field and typically require both coursework and a major research project. It usually takes four to six years of full-time study to earn a Ph.D.

Some doctoral programs include a master’s degree program, with students beginning directly after they complete their bachelor’s degree.

The first two years of a Ph.D. program involve classes and seminars to give the student a comprehensive knowledge of an academic field. Students then take written and/or oral examinations to test their knowledge. Successful completion of the exams and approval of a research project leads to “candidacy.” The research project involves original research and, depending on the field, should take one to three years to complete. Faculty members guide and evaluate the project, but the student carries out the research independently.

**STUDYING MEDICINE AND LAW**

In the US, medicine and law are not offered as undergraduate majors. You must first complete a bachelor’s degree in another field before applying to law or medical school. There are no required majors for students planning to attend law or medical school, although some colleges offer “pre-law” or “pre-medicine” programs. OSU offers pre-medicine programs.
1.0 Terms and Conditions
a. The admission or conditions of the agreement between Oregon State University (the University) and the student that are effective upon the payment of a deposit. These terms and conditions supersede any promises, representations and warranties, whether written or oral, made by or on behalf of the student or the University.

b. Students should read these terms and conditions very carefully before submitting their application for admission.

c. All students are bound by the regulations, policies and procedures of the University as amended from time to time. These can be found at http://oregonstate.edu/fa/manuals/gen. The University may assign or sub-contract in whole or in part, some or all of the benefit and/or burden of this agreement without any approval from the student.

d. The admitted study plan (Study Plan) refers to the entire study plan submitted at the time of application. If the student has made multiple selections (General English, Academic English and Pathway), and has received an I-20 based on those selections, the Study Plan includes multiple programs and is the entire period of time needed to complete all selections.

e. Program (program) refers to individual courses of study. Programs offered by INTO Oregon State University include: General English (GE), Academic English (AE), Study Abroad with English (SAWE), Campus Year Abroad (CYA) and Pathway (PW).

2.0 Changes to the Terms and Conditions
a. The University reserves the right to amend the terms and conditions as needed. In such circumstances, the University will provide the student with a revised set of terms and conditions upon request.

3.0 Application, Admissions, Program Offer and Deposit
a. Students should complete their application and submit it to Oregon State University’s International admissions office.

b. If the student is admitted, the University will issue a written offer. As described in the offer letter, in order to accept the offer, the student must sign the acceptance letter and remit a deposit payment. At the point the deposit is paid and/or the signed acceptance letter is returned, the student indicates his/her acceptance of these terms and conditions.

c. The deposit payment ensures the student’s enrollment and/or confirms a housing reservation and insurance. The deposit is only refundable in the event that a student is unable to meet visa entry requirements, subject to a receipt of an official visa rejection.

d. Where a student has selected more than one program as part of their study plan, the higher deposit amount will be required.

e. If a student enters the U.S on an I-20 based with the Pathway program terms and conditions, the student will be bound by Pathway program terms and conditions.

4.0 Confirmation and Full Payment
a. Following the deposit payment, the remaining outstanding balance must be paid four weeks prior to the published start date of the student’s study plan. Any variation to standard payment terms must be made in advance and agreed to in writing. Full payment must be made prior to registration.

b. If a student is applying for a scholarship from a government sponsor, the student will be required to either (i) pay in full, or (ii) provide a letter of financial guarantee from the sponsor by the end of the first week of classes/the term for GE/CM programs, and by the end of the second week of classes/the term for AE/SAWE/PW programs. An official letter of financial guarantee must specify that the guarantee covers the entire term. Sponsors will be invoiced for their portion of fees, and the student will be refunded any credit balance remaining on his/her account after payment has been received from the sponsor. Students who wish to have their OSU health insurance waived due to sponsor provided coverage must comply with OSU Student Health Services waiver requirements.

5.0 Overdue Payment
a. In cases of overdue payment, the University reserves the right to suspend or cancel enrollment for students who do not have a pre-agreed arrangement with the University in writing for late payment, and to charge interest on the outstanding balance. Interest will be charged at the rate of 1% per month (12%/APR).

6.0 Health Insurance
a. The University requires non-resident international students to be covered by health insurance which meets the U.S. Government’s visa requirements, State of Oregon and Oregon State University requirements.

i. Students who have health insurance coverage that meets or exceeds the coverage offered by the University International Student Insurance plan may request a waiver by completing the process through the University Student Health Center Insurance Office.

ii. Information may be found at: http://studenhealth.oregonstate.edu/insurance/internationalplan

b. Students unable to provide evidence of adequate coverage at the time of their application are required to purchase the University International Student Insurance coverage as a condition of enrollment.

7.0 Cancellation, Change or Withdrawal Policies
If visa entry requirements have been met, the following cancellation charges apply:

a. There will be no refund for students who cancel or withdraw from any INTO Oregon State University program after the published start date.

b. Cancellation a program prior to the published start date will result in the following cancellation fees:

i. For GE, CYA: $500 cancellation fee.

ii. For AE, PW, SAWE: $2,000 cancellation fee.

iii. Homestay Cancellation: 30-day notice is required to cancel a homestay placement prior to the move-in date.

iv. Students who are suspended from INTO Oregon State University will not receive a housing refund.

v. In all cancellation scenarios, any meal plan overages assessed by UHDS will be charged to the student, in addition to any applicable cancellation fees.

vi. At the University’s discretion, cancellation fees may be waived based on a student’s petition for the following reasons:

   i. The Resident completes his/her entire study plan.

   ii. The Resident suffers significant and/or unforeseeable financial hardships outside the Resident’s reasonable control.

   iii. The Resident has an unforeseen and documented medical reason, which requires the Resident to live off campus.

   iv. The Resident is unable to meet visa entry requirements, subject to the receipt of an official visa rejection letter.

   v. If a waiver or cancellation has been requested and approved, charges will not be finalized until the resident vacates Housing. Additional charges may be incurred by the student if the facility has not been properly cleaned or there is lost/damaged property.

8.0 Accommodations
a. On application, students are invited to select their preferred accommodations. The University agrees to make reasonable effort to provide the accommodation as requested. If unable to do so, the University reserves the right to provide an alternative type of accommodation, which will be charged at the published rate as set out on the Fees page at the end of this brochure. Accommodations are confirmed when full fees are paid.

b. Students living in University accommodations are required to abide by the Terms and Conditions of the Room and Dining Contract, as well as the Student Policy and Information Guide. In the case of a conflict, these Terms and Conditions will control.

c. Students in all INTO OSU programs except the Graduate Pathway are required to live in University housing for the first three (3) terms of enrollment unless:

   i. The Resident/Student has a relative living in the Corvallis area and the student will live with that relative (the Resident/Student will bear the burden of demonstrating the applicability of this exception).

   ii. The Student’s government sponsor does not support on-campus housing.

   iii. The Student is enrolled in a Graduate PW program or is 25 years of age or older.

   iv. The Student has a spouse and/or children living with him/her.

Once the three-term commitment has been met, students may choose to stay in on-campus housing or to move off-campus. If the student is enrolled in the Undergraduate PW program, but chooses to cancel this program, no housing refund will be awarded for less than three (3) full academic terms. Any subsequent housing terms requested by the student will incur housing cancellation fees as detailed in these Terms and Conditions.

a. A student seeking a waiver of the requirement to live in University housing for the reasons stated in sections i, ii, and iii above must submit a written request to the INTO Oregon State University’s Housing and Arrival Coordinator.

b. All students in all INTO OSU programs except the Graduate Pathway are required to live in University housing for the first three (3) terms of enrollment unless:

   i. The Resident/Student has a relative living in the Corvallis area and the student will live with that relative (the Resident/Student will bear the burden of demonstrating the applicability of this exception).

   ii. The Student’s government sponsor does not support on-campus housing.

   iii. The Student is enrolled in a Graduate PW program or is 25 years of age or older.

   iv. The Student has a spouse and/or children living with him/her.

Once the three-term commitment has been met, students may choose to stay in on-campus housing or to move off-campus. If the student is enrolled in the Undergraduate PW program, but chooses to cancel this program, no housing refund will be awarded for less than three (3) full academic terms. Any subsequent housing terms requested by the student will incur housing cancellation fees as detailed in these Terms and Conditions.

a. A student seeking a waiver of the requirement to live in University housing for the reasons stated in sections i, ii, and iii above must submit a written request to the INTO Oregon State University’s Housing and Arrival Coordinator.

b. Note: The requirement for on-campus housing as stated above begins January 1, 2019. Prior to that date, the requirement for all INTO OSU undergraduate Pathway program students to live in on-campus housing remains in effect. The housing requirement for students in undergraduate Pathway programs is subject regardless of the number of terms of AE required prior to the Pathway program.
b. Students who do not meet the criteria for successful completion of any program are conditional upon assessment Oregon State University’s late fees as well.

11.0 Late Arrivals

a. Students in PW or Conditional Admission programs must maintain a 2.0 GPA in their program. A student who receives less than 2.0 GPA will be on Academic Warning after one (1) term, Academic Probation after two (2) terms and will be academically suspended after three (3) terms with a GPA below 2.0. Additional information may be found in the University Catalog: http://catalog.oregonstate.edu/ChapterDetail.aspx?Key=PWSection01.

b. Please note that a student may register in no more than three terms in the same AE level. Students may not repeat any class more than three (3) times, even if they do not pass an AE class after these (3) times, he/she will be academically suspended from his/her program and will not be admissible to Oregon State University.

12.0 Attendance Standing

a. Students in GE, FE or AE classes who fail to attend 70% of their classes may be placed on Attendance Warning at the end of the term and/or session in which they are currently enrolled.

b. If attendance continues below 70% in subsequent sessions or terms, students may be placed on Attendance Probation.

c. If attendance continues below 70% while the student is on Attendance Probation, he/she may be suspended at the end of the Probation term or session.

d. Students who receive a suspension due to attendance standing are not admissible to Oregon State University.

13.0 Vacation Terms

a. Students are not eligible for a vacation term until they have completed nine (9) consecutive months of enrollment in the academic program.

b. PW program students are not eligible for a vacation term during the first three (3) terms of PW study regardless of how many consecutive terms they have already studied in the study plan.

14.0 Duration of Pathway Programs

a. PW programs are designed to be completed in three (3) terms. PW study can be extended beyond three (3) terms on a term-by-term basis to a total of five (5) terms; any vacation or leave of absence terms taken after the first three (3) PW terms will be included in the 5-term PW total. Students may appeal for an additional PW term beyond five (5); appeals for additional PW extension terms will be considered by an appeals committee on a case-by-case basis.

15.0 University Progression

a. Students who meet all progression requirements for an Undergraduate PW or Graduate PW program will be permitted to progress to the appropriate degree program.

b. For all English language programs, classes will normally be held Monday through Friday. Average class size is normally eighteen (18) students. Where appropriate, classes may be combined for university-style lectures. Classes are typically held any time between 8:00 a.m. and 8:00 p.m.

16.0 Academic Standing

a. PW programs are designed to be completed in three (3) terms. PW study can be extended beyond three (3) terms on a term-by-term basis to a total of five (5) terms; any vacation or leave of absence terms taken after the first three (3) PW terms will be included in the 5-term PW total. Students may appeal for an additional PW term beyond five (5); appeals for additional PW extension terms will be considered by an appeals committee on a case-by-case basis.

b. University Progression

a. Students who meet all progression requirements for an Undergraduate PW or Graduate PW program will be permitted to progress to the appropriate degree program.

b. For all English language programs, classes will normally be held Monday through Friday. Average class size is normally eighteen (18) students. Where appropriate, classes may be combined for university-style lectures. Classes are typically held any time between 8:00 a.m. and 8:00 p.m.

b. For academic programs, classes will normally be held Monday through Friday, and may typically take place in the form of classes, seminars and workshops. Class sizes will vary, depending on the learning format (i.e., lecture, seminar, and lab practical).

17.0 Program Admissions Criteria

a. Students are accepted into their study plan with the strict understanding that progression through the study plan and successful completion of any course is conditional upon satisfactory attendance and successful attainment of specified progression grades. During the International Student Orientation, all students will be made aware of the criteria for successful completion of the courses in their study plan. The assessment of student performance is the responsibility of the course instructor.

b. Students who do not meet the criteria for successful completion will not be allowed to proceed with their original study plan. Students may be offered advice on suitable alternative study options, which may include re-taking courses, changing their study plan, or repeating certain courses. An alternative study plan may involve additional time and expenditure with regard to tuition and accommodation fees.

b. Students who do not meet the criteria for successful completion will not be allowed to proceed with their original study plan. Students may be offered advice on suitable alternative study options, which may include re-taking courses, changing their study plan, or repeating certain courses. An alternative study plan may involve additional time and expenditure with regard to tuition and accommodation fees.

b. Many students find it difficult to complete all requirements for an undergraduate degree in just four (4) years of study (Attending only one (1) or more summer terms to stay on track to graduate in four (4) years).

18.0 Students Who Are Under 18

a. For students under 18 years of age, a parent or guardian will be required to complete a medical information form, and a release of liability form. These forms will be sent to parents and the student at the time of application. No student will be allowed to enrol without these forms having been completed, signed and returned prior to the start of the program.

b. Students who are under 18 years of age, a parent or guardian will be required to complete a medical information form, and a release of liability form. These forms will be sent to parents and the student at the time of application. No student will be allowed to enrol without these forms having been completed, signed and returned prior to the start of the program.

</tr>
</tbody>
</table>

Notes:
* Expense estimates only
* The Homestay program includes a basic INTO Dining Plan (loaded on to the Student’s ID Card)
* INTO OSU attempts to fulfill room type requests however cannot guarantee a specific style of accommodation; these rates are estimates only.
* Accommodation rates include break periods between terms if a student is attending the following term/session.

* Summer housing contracts end in September.
I’m not here today just because Craig [my brother] has turned the Obama family into Beaver Believers, which he has.

I’m also here, proudly, because of everything this university is doing.... here in America and around the world.

Michelle Obama,
First Lady of the United States
OSU Commencement Ceremony 2012
