Centennial on the Summit: Looking Forward
September 22 – 24, 2014

Live Webinar Presentation Simulcasts

The Western Extension Director’s Association (WEDA) is hosting a pivotal conversation entitled **Centennial on the Summit 2014** at Timberline Lodge in Mt. Hood, Oregon on September 22-24, 2014. While we will certainly honor and celebrate the 100th year of the Smith-Lever Act, most of the event will focus on learning innovations and creating a 21st Century Extension System. The Summit will be streamed-live via a free webinar. We invite all University administrators and Extension employees to participate in this event as their schedule permits.
